 1964 - 1969

1963—Executive Vice President, Dr. Mark L. Koehler, charged with the task of operating the college's programs by co-ordination of the Development Department, Business Departments and Admissions-Registration, as well as the fiscal program of the college and the academic aspects.

Graduation . . .
 The end of spring; into life.

Congratulations to Mark and Clara Belle Koehler, Inauguration, 1965.

Board of Trustees' chairman, Albert Arend, with Dr. Koehler, inauguration 1965.

An honor traditionally done by the President.

Dr. Koehler's appointment to the Presidency of the college was announced by the Board of Trustees on May 29, 1964.

Whitworth continues to move into new eras and will continue to offer community life to its students. There will be a continuing vigorous academic climate with the finest quality of faculty and curriculum to challenge the very best in our students. So we face the future with keen anticipation.

Mark L. Koehler, Natsihi 1964

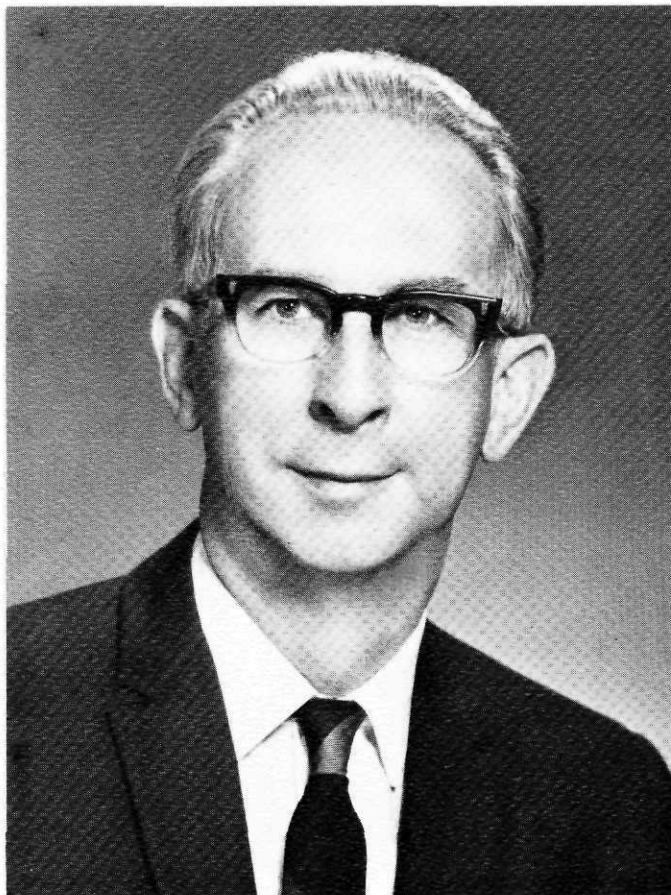

The presidential medallion was presented to Dr. Mark Lowell Koehler at his inauguration as the thirteenth president of Whitworth College on October 9, 1965.

In the day of mass education, Whitworth continues its emphasis upon the individual as a person, determined in its efforts to guide persons to the fullest understanding of life and to the highest potential enjoyment, profit, and service in the fulfillment of that life.

Mark L. Koehler, Natsihi 1965

Not only do our students learn subject matter, but from the personal acquaintance and attention of our faculty, teachers with commitment to a liberal arts education and to Christian principles, they learn the finest qualities of human personality. I have watched with keen satisfaction students achieve maturity academically and spiritually as they have lived in this academic community with our faculty.

Mark L. Koehler, Natsihi 1966

Dr. Mark L. Koehler—B.A. Whitworth College; M.A. San Francisco Theological Seminary; B.D. San Francisco Theological Seminary; M. Th. Princeton Seminary; D.D. University of Dubuque; LL. D. Hastings College.

A Presidential Medallion was presented to Dr. Mark Koehler as the 13th president. It is the first such medallion to be worn by a president of Whitworth College.

"I believe in what Whitworth College is today. . . the past is great. . . the best is yet to come."

Mark L. Koehler May 24, 1969

Dr. Koehler did look to the future: we retain and gain competent and exciting faculty; we continue to build new facilities; we have a progressive challenging curriculum; we maintain our philosophy involving "Christian individuals."

Dr. Koehler did keep Whitworth ideals in mind: we obtained a college chaplain; chapel services became relevant; twentieth century religion is reflected in our core course structure.

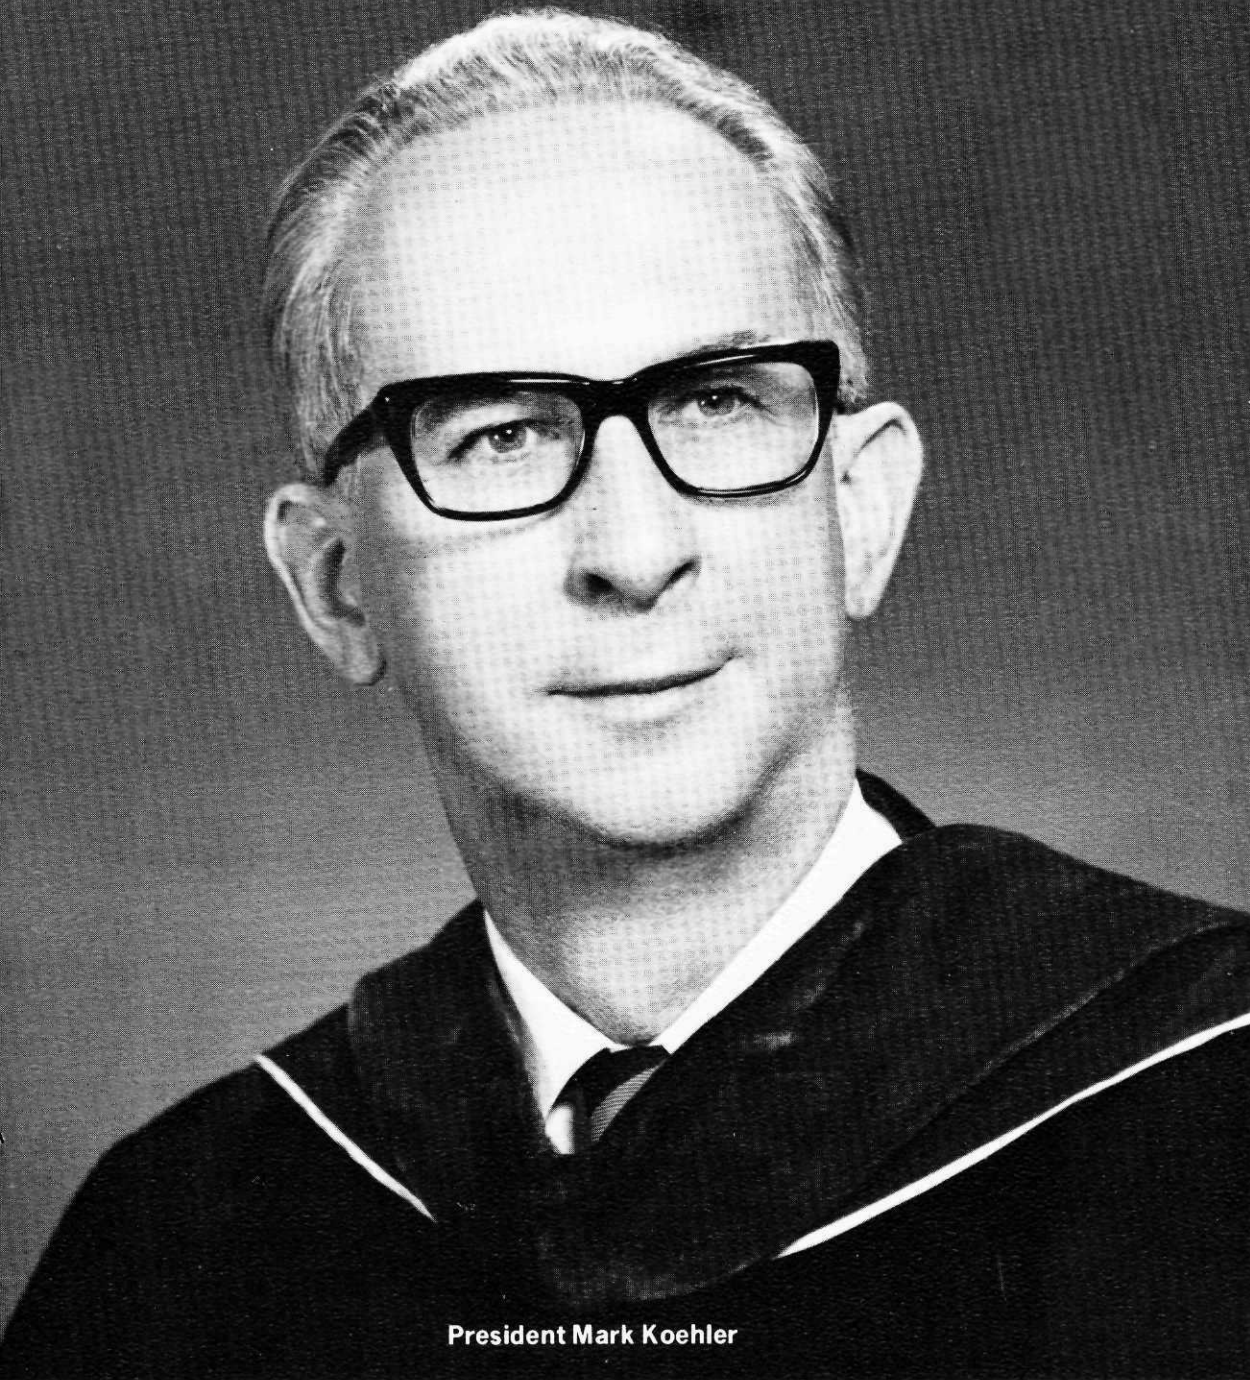

Dr. Koehler did see a future in Whitworth when he came, first as Executive Vice President, then as Acting President and for five more constructive years as President. Whitworth now moves forward as Dr. Koehler leaves to return to the life of the church. We look back and commend his achievements but do not fail to seek a promising future.
