Dear Mrs. Dodd:-

I thank you for the newspaper clipping which has been forwarded to me by Mr. A. M. Davis of Boston.

I read the article with much interest and am very glad to know that you have inaugurated a campaign of glory for "father". I trust you approve of the little sentiment expressed on the card published by Mr. Davis and for which I am responsible.

I should be very glad to know you personally and hope that some time our paths may meet.

Again thanking you and with all good wishes.

Yours very truly,
