Dear Mrs. Dodd:-

The Spokane Ad Club most cordially invites the members of the Fathers' Day Assn., to join them in an Industrial Luncheon on Wednesday, March 14th, 12 M Sharp, at the Marie Antoinette Ball Room of the Davenport Hotel. Plates 50¢. This will be a joint meeting of the Chamber of Commerce, Rotary Club, Realtors, Mining Men, and Ad Club to demonstrate the value of patronizing and supporting the industries of this great Inland Empire.

Interesting two minute talks will be given by the manufacturers and Mrs. Olive Havens, president of the "Buying At Home" Society of Utah, will be the speaker of the day. Special songs and music are being prepared.

Spokane captains of industry are arranging to have an extremely interesting manufacturers exhibit in connection. Candy and cracker samples, food goodies and home manufactured products will be distributed and, in addition, each lady will receive a special souvenir.

Industries are the mainstay and back-bone of a city, and every one of us, in some manner, enjoys the benefits from them. The women of our city purchase over 90% of the family supplies. This has caused the Federation of Women's Organizations to lend this luncheon its aid and support, in taking charge of the floor arrangements.

The importance of this work is forcibly demonstrated by all Spokane Civic bodies uniting at this joint meeting in trying to demonstrate to the ladies of this city the absolute necessity of supporting our industries, and thus build up the country in which we make our living.

The president requests an early acceptance stating the number of plates you desire to have reserved. An enjoyable hour is assured.

Yours very truly,

Chairman, Federation of
Women's Organizations.

Mrs. Harriette E. Lacy
Chairman of the Day.
