Suggestions for Father's Day Telegrams

Love to the dandiest Dad of 'em all.

For it's always fair weather when Dad and I get together and may it be soon.

A kiss and a hug and warmest love for my darling Daddy.

I only hope that my son will feel toward his father the way I feel toward mine today.

Here is a toast to my greatest pal: May I prove worthy to be called a chip of the old block.

All the good luck in the world to the finest of Fathers. Just a word of affection to the best Dad a boy ever had. Many years have passed since I left the nest but there's still no place like home and no man like my good old Dad.

After all you have been through, Dad, it's about time someone wished you good luck. So here it is by telegraph, on Father's Day. Cheer up!

Over the many miles that separate us I send you this message of love and affection on Father's Day.

Love from me and all the children on Father's Day.

Dearest Dad. Congratulations on Father's Day for you have been a wonderful Father to us. There are no words that can express our gratitude for the wonderful things you have taught us. We miss you Dear Dad. With love.

Though I am far from you, Father, my heart is with you today.

If you plan to give him a present we suggest that you ask our manager about Western Union Gift Orders—the Perfect Gift for Father's Day.
