A new

FATHER'S DAY

Greeting Blank

by **WESTERN UNION**

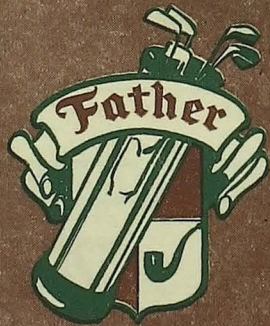

Time to make a little fuss about DAD

"GOOD OLD DAD!" may sound O. K. to him for 11 months and 30 days but on his Day he wants a more hearty recognition of his part in the scheme of things—a straight-from-the-heart expression of love and understanding.

Express your sentiments by telegraph. A telegram is always more emphatic—more intimate and warmly personal. The special blank and envelope do honor to the occasion. No extra cost for them.

You are welcome to use any of the sentimental expressions in this folder. If you will telephone your selection to us, we will see that it is delivered on time. The charge—as low as 20 cents within the city—will appear on your telephone bill.
