EARLE HOOKER EATON, MANAGING EDITOR

Mrs. John Bruce Dodd,
Spokane, Wash.

Dear Madam:-

I have received your recent favor and desire to thank you for your kindness in sending me additional matter about Father's Day and a photograph of Mr. Dodd and your son.

Last year I ran material about you and Father's Day in seven different places in the service of the American Press Association. Consequently, the movement must have received a very large amount of publicity. This year I cannot do so much, but I will cover the subject in at least one of our very best features.

Very truly yours,

Earle Hooker Eaton
