Dodd of 610 Sharp avenue, and this morning the Spokane Ministerial alliance and the Y. M. C. A. enthusiastically indorsed the proposition.

June 19 will be Fathers' day in Spokane, and it is hoped that others cities can be persauded to celebrate the head of the house on the same day. It is the desire of the Spokane organization eventually to have the whole world observe the day.

The suggestion of Mrs. Dodd took the form of a petition to the ministerial alliance this morning. Besides Mrs. Dodd the petition was signed by Mark H. Wheeler and George A. Forbes. It reads as follows:

The beautiful custom of Mothers' day suggests the question, Why not a Fathers' day? This question is futher emphasized by the celebration in our Sunday school of Children's day.

A Fathers' day would call attention to such constructive teachings from the pulpit as would naturally point out:

The father's place in the home.

The training of children.

The safeguarding of the marriage tie.

The protection of womanhood and childhood.

The meaning of this, whether in the light of religion or of patriotism, is so aparent as to need no argument in behalf of such a day.

Your petitioners therefore urge you to set apart the third Sunday of June to be known as Fathers' day, and suggest the use of the rose as a suitable flower. Respectfully submitted,

MRS. J. B. DODD,

MARK A. WHEELER,

GEORGE T. FORBES.
