"FATHER'S DAY" IS COMING SOON

SPOKANE, May 14.—That the third Sunday of each June has been set apart in honor of father will be news to many, for the fathers' day is credited to Mrs John Bruce Dodd, a young mother and talented artist of Spokane, Wash.

When Mrs Dodd suggested that a day be set aside in respect to father in her home city in June, 1910, her idea met with hearty response. The city churches fell in line with remarkable unanimity, prepared pleasing programs which were enjoyed by immense audiences. Since then, like mothers' day, its influence is gradually spreading throughout the United States and this year will be commemorated in many foreign lands.

Mrs Dodd suggests that we wear the red rose as an emblem, if father is living; the white if dead. Ministers are asked to observe the day through the pulpit, all deeds which reflect kindness and thoughtfulness to fathers, letters to those far distant, perhaps a visit to graves of departed ones will all be in keeping with the day.
