My dear Mrs. Dodd:

Referring to Bill to be presented shortly to our Legislature looking to the official recognition of Father's Day, kindly allow me to compliment you on your efforts.

This movement was started by you, as I now remember, in 1908 or 1909 and it was, I think, in 1910 that you presented the suggestion to me while I was Governor suggesting that the State in some manner give official recognition of a day to be set apart to be known as Father's Day.

Wishing you success in your efforts and with the kindest regards, I am,

Very respectfully yours,
