My dear Mrs. Dodd:

Mrs. French has delivered to me the Life Membership Card of the International Father's Day Assn.

May I thank you for the honor which you have conferred upon me by electing me to life membership. I have always greatly admired the epochal work that you have done in founding this great association. It is a work that will sound down through the years and will probably contribute more to making your life work immortal than any other thing that you have done. Just this week I read an account of your work in a Washington, D. C. magazine, and I was greatly pleased to see your work thus recognized by high authority in the nation's capital.

May I again assure you that I appreciate the honor that you have conferred upon me.

Very sincerely yours,

Samuel P. Weaver.
