# FATHER WILL BE 325 HONORED TODAY

Custom is to Wear Roses—Day  
Will Be Internationally  
Observed.

Father will receive his due honor today in many homes and churches this being the day established by Mrs John Bruce Dodd, of Spokane, Wash, for the purpose five years ago. In honor of a father who is living, everyone is expected to wear a red rose and if he be dead, the custom is to wear a white rose. This year the custom has spread across both the Atlantic and Pacific oceans and will be observed in Germany, Sweden, Korea, Japan and other countries. In the churches, special sermons are usually given in honor of the occasion.

The year had been a successful one in all respects, the recent lawn social at the Emil Davidson home having netted a good sum. There were about fifty ladies at the meeting and the election. Ice cream and cake were served.

Mrs. George P. Smith, of Cincinnati, arrived in the city Friday morning for a visit to her sister Mrs.
