SUNDAY, JUNE 21

IS "FATHER'S DAY"

Observance Will Be General  
Throughout the Entire  
United States.

June 21 is to be "Father's Day." The observation, technically speaking, is very simple, and requires but the wearing of a red rose in one's button hole for the living parent and a white flower in memory of the deceased parent. Of course the real observation will extend further than floral self-decoration in the majority of instances and will include much that will add to "dad's" material comfort around home.

Families all over the United States will no doubt endeavor to make things as rosy for Dear Old Dad as possible. The "Don't Smoke in the House" sign will be shoved behind the kitchen door—on this occasion at least; millinery bills, grocery bills and similar annoyances will be tabooed for the day and all bill collectors will be instructed to keep off the front porch during the observance—and Dad will have nothing to do until tomorrow.

The Fathers' movement, which was started by Mrs. John Bruce Dodd in Spokane, Wash., five years ago, has been taken up throughout the country, and the observance has grown to be of national interest. Germany, Sweden, Korea, Japan, Mexico, Canada, Hawaii, India and a few other countries have joined in the observance.

5:00 o'clock in the afternoon suits me first rate," said Spencer in his cell in the Wheaton jail last evening when he was informed that a new trial had been refused him. "I've been ready for a long time."

## "SINGING AND DANCING RILEY" UNDER ARREST

---

Jack Riley is occupying his usual cell in the police station this afternoon and tomorrow morning will face Judge Lumley on a charge of disorderly conduct. Although past 80 years of age, Jack still has the ability to dance the Irish clogs and other fancy steps which would put to shame many a man of half his years. This ability has often won him freedom when he came up in police court and quite often he left with a dime with which to purchase an eye-opener.
