Mrs. John Bruce Dodd,
Founder and Honorary President,
International Fathers' Day Association,
6th and Arthur Streets,
Spokane, Washington.

Dear Mrs. Dodd:

On this Fathers' Day, 1943, I send my love and congratulations on this anniversary - another mile post signifying the joy that you have brought to fathers everywhere. I think of you daily and of your great service to mankind as I glance at the beautiful poem "The Voice of the Mountain" written for me by Rene de Pender. I think so often of the lovely services held on the Father Mountain when you honored me on that occasion.

Your beautiful thought for the Fathers must have been inspired from on High for the ripples from the beautiful thought that you flung into the waters of humanity are constantly spreading in the pool of the world.

May the God of our Fathers continue to bless you and make you strong so that you may continue your beautiful works of love.

Your Honorary Life Member.
