Dear Mr. and Mrs. Dodd:

Your letter of July 1 is one of the most reassuring messages I have received since coming to Washington. I wish time permitted me to write you at great length but this is impossible just now. I am beginning what I am sure will prove to be a difficult task and want to get into it as quickly as possible.

Thank you ever so much for your expressions of faith and good wishes, and be sure to let me know if you have occasion to be in Washington.

Yours very truly,

L. B. Schwellenbach
