This Book is brought to you for free and open access by the Father's Day / Sonora Dodd Collection at Whitworth University. It has been accepted for inclusion in Newspapers, Pre-1924 by an authorized administrator of Whitworth University.

FATHERS' DAY.

The Mothers' day proclamation issued by Governor Ferris has been the cause of much discussion among the sterner sex, who wonder when a proclamation will be issued for Fathers' day. It has been gently hinted that Fathers' day was inaugurated long ago and instead of the day being annually, it comes the first of each month when bills arrive for groceries, meat, fuel and a thousand other things. Why begrudge the poor Mothers one day?
