Great is Thy Faithfulness

Music: William M. Runyan
Lyrics: Thomas O. Chisholm

Great is Thy faithfulness, O God my Father;
There is no shadow of turning with Thee;
Thou changest not; Thy compassions, they fail not;
As Thou hast been, Thou forever will be.

Refrain

Great is Thy faithfulness!
Great is Thy faithfulness!
Morning by morning, new mercies I see.
All I have needed, Thy hand hath provided;
Great is Thy faithfulness, Lord, unto me!

Summer and winter and springtime and harvest,
Sun, moon and stars in their courses above
Join with all nature in manifold witness
To Thy great faithfulness, mercy and love.

Refrain

Pardon for sin, and a peace that endureth;
Thine own dear presence to cheer and to guide;
Strength for today and bright hope for tomorrow;
Blessings all mine, with ten thousand beside!

Academic Regalia

Academic regalia is a tradition dating from the Middle Ages, when long robes and hoods were everyday attire designed to protect against the cold and drafts of medieval university halls. It remains the costume at some British universities.

The many variations in academic dress are not incidental, but are rich in meaning. Each costume represents both the degree held by the wearer and the institution that awarded it. Though European universities have been free to adopt any style they choose, a considerable degree of standardization has been achieved in the United States. Following are some of the elements of the code of academic dress.

HOOD: The hood, which is draped down the back, carries more symbolic significance than any other part of the costume. The border, extending over the shoulders to meet in a "V" at the front, indicates by its colors the discipline in which the degree was earned. Colors for some of the faculties are white (arts, letters, humanities); cream (social science); dark blue (philosophy); light blue (education); scarlet (theology); pink (music); golden yellow (natural science); lemon (library science); nugget (business, accounting); and sage green (physical education).

The lining of the hood, partly exposed, shows the colors of the degree-granting institution (for Whitworth, red and black). Doctoral hoods are longer than those of master's-degree recipients and have a wider border. Recipients of the bachelor's degree do not wear hoods.

GOWN: Black gowns are the rule, but a few universities use other colors. A doctor's gown is recognizable by three horizontal velvet bars on each sleeve, which are either in black or the color of the discipline in which the degree was granted. Typically, a doctor's gown also has velvet panels down the front. The typical master and bachelor gowns do not have decorated panels or sleeves.

CAP: The familiar hard-topped mortarboard, or "Oxford cap," has long been standard, but a soft tam is increasingly common. The tassels are usually black or the color adopted by the discipline. The tassel on a doctor's cap is usually metallic gold.

The Banners

The banners carry the seals of the Presbyterian Church (USA) and Whitworth College. Designed for the 1988

Commencement by Professor Emeritus of Art Walter "Spike" Grosvenor and constructed by Grosvenor, his wife, Erlene, and Associate Professor of Art Barbara Filo, these banners are a permanent part of the Commencement exercises.

Graduation Honors

Graduation honors at Whitworth College are based on the traditional Latin wording: *cum laude* (with honor), *magna cum laude* (with high honor), and *summa cum laude* (with highest honor). The criteria for these honors are based on the grade-point average earned at Whitworth College, as follows: *cum laude*, 3.50 and above; *magna cum laude*, 3.75 and above; *summa cum laude*, 3.90 and above.

Honor cords are awarded to baccalaureate candidates based on cumulative GPA. Bronze cords denote *cum laude*, silver cords indicate *magna cum laude*, and gold cords signify *summa cum laude*.

Membership in the Laureate Society is granted to every degree-seeking undergraduate student who has completed the previous semester with a minimum grade-point average of 3.75 for a minimum course load of 12 graded semester credits. Eligibility for the President's Cup is based on the highest cumulative grade-point average for a graduating senior who has completed the entire baccalaureate degree in full-time attendance at Whitworth College.

Clarifications

(1) Participation in Commencement and inclusion in the Commencement program does not guarantee official granting of a degree. The registrar's office verifies completion of all coursework and degree requirements for baccalaureate-degree candidates. The graduate office or specific graduate program performs the same function for master's-degree candidates.

(2) The official document verifying degree completion is the Whitworth College transcript, signed and sealed by the registrar.

(3) Academic honors appearing in this program are based upon credits completed prior to the spring semester. Final honors recognition will appear on transcripts and is based upon Whitworth College academic credits used to meet requirements.

Commencement Speaker 2006 William P. (Bill) Robinson, Ph.D.

Bill Robinson assumed his duties as the 17th president of Whitworth College, in July 1993. He came to Whitworth from Manchester College, in Indiana, where he served as president from 1986-1993.

Since arriving at Whitworth, Robinson has focused on expanding the college's financial resource base, overseeing capital projects, improving communication and organizational structure on campus, and opening up new lines of communication with alumni, friends, and other constituencies of the college.

A communications scholar who has distinguished himself as a teacher, speaker and community leader, Robinson received his bachelor's degree from the University of Northern Iowa, his master's degree from Wheaton College, and his Ph.D. from the University of Pittsburgh. He also studied at Princeton Theological Seminary and the Moody Bible Institute. Most of his scholarly work has focused on organizational, cross-cultural and interpersonal communication. He also has training and interest in religion and philosophy. Robinson recently published a book with Executive Excellence Publishing titled *Leading People from the Middle: The Universal Mission of Mind and Heart* (July 2002).

Robinson is a past chair of the Spokane Regional Chamber of Commerce and a founding co-chair of the Higher Education Leadership Group of Spokane. He is the chair of the Washington Association of Independent Colleges and Universities, and he serves on the boards of Whitworth College, The Whitworth Foundation, Princeton Theological Seminary, the ING Educators Advisory Board, the Association of Presbyterian Colleges and Universities, the Spokane Regional Chamber of

Commerce, the Spokane Symphony, and US Bank, Spokane/North Central Washington Region.

Born Sept. 30, 1949, in Elmhurst, Ill., Robinson has been married for 32 years to his wife, Bonnie, a classical pianist and organist who serves as principal organist for First Presbyterian Church of Spokane. The Robinsons have two daughters, Brenna and Bailey, ages 28 and 22, and a son, Benjamin, age 25. Brenna, a Whitworth alumna from the Class of 2000, is currently attending Princeton Theological Seminary, while her husband, Alan Stanfield, '97, serves as history teacher and head football coach at The Pingry School. Ben graduated from Whitworth in 2003 and, after spending two years working with youth in an Anglican church in Cairo, Egypt, he will enter Princeton Theological Seminary this fall. His wife, Emily (Hinson, '05), will seek employment as a nurse. Bailey is a 2006 graduate of Pepperdine University and is taking a year to work and travel before beginning graduate school in 2007.

Whitworth students quickly become accustomed to seeing Robinson among them, cheering at sporting events, enjoying plays and concerts on campus, chatting in dorm lounges, playing noontime hoops, and sharing meals and conversation in the dining hall. Both current students and alums mention how much they appreciate the fact that he knows them by name and obviously enjoys joking with them as well as discussing the big questions of life. In fact, Robinson's connection with students is integral to his person and to his presidency. "My richest moments at Whitworth are the ones I share with students," he says. "My calling is to work with and for them."

A Look at the Past Four Years

2002-2003

WHITWORTH EVENTS

New Faculty: Richard Bishop, Mechelle Doughty, Kevin Heid, Douglas Laher, Michael Le Roy, '89, Barbara Lose, Brad Sago, Daniel Stewart, Ann Teberg, Michael Tidwell

Visiting Professors: Florence Baldwin, Jamie Friedman, Craig Hinnenkamp, Peggy Johnsen, George Kersul, Donna Patey, Mark Raines, Andy Vaithilingam

Campus News: Whitworth moves into top five in *U.S. News and World Report* rankings; trustees give go-ahead for construction of Weyerhaeuser Hall; college receives grants from Bill & Melinda Gates Foundation (for campus technology), the Herbert Jones Foundation (for entrepreneurship), and The Coca-Cola Foundation (to train future teachers of color); *The Whitworthian* wins regional journalism awards; U.S. Poet Laureate Billy Collins reads to a rapt audience of more than 1,000; Whitworth is ranked a "Best Christian Workplace" in a national survey commissioned by *Christianity Today* magazine; Washington Gov. Gary Locke visits campus; theatre production *The Sound of Music* plays to packed houses; Ben Metcalf, Matt Duske, and J.D. Weiss are victorious in spring ASWC elections.

Sports News: Whitworth's women win the NCAA west regional cross-country meet and advance to the NCAA Division III championships; the volleyball Bucs (24-3) win their second straight NWC title, host the NCAA west regionals, and make it to regional finals; finishing 19-7, the women's basketball team wins the NWC championship, hosts the conference tournament title game; in men's hoops, the Bucs (23-4) win the NWC title and the conference tournament to advance to the NCAA tournament; Whitworth finishes third at the NWC women's swimming championships and 19th at the

NCAA championships; in men's swimming, Whitworth wins its third NWC title and finishes 7th at the NCAA championships, where Kevin Wang sets an NCAA record while repeating as national champion in the 400 IM; *Northwest Conference Players/Athletes of the Year:* Julie Weatherred (volleyball); Tiffany Speer and Bryan Depew (basketball); Kristen Satterfield, Kevin Wang and Ryan Freeman (swimming).

BEYOND WHITWORTH

As protesters throughout the world register their disapproval, the U.S. invades Iraq to topple the regime of Saddam Hussein; corporate scandals rock some of the country's largest conglomerates; two snipers terrorize the Washington, D.C., area before their capture; the SARS epidemic begins in China and spreads via international travelers; at the Oscars, Nicole Kidman (*The Hours*) and Adrien Brody (*The Pianist*) win best-acting awards while *Chicago* dances off with Best Picture honors; the previously unheralded Anaheim Angels defeat the San Francisco Giants to become World Series champions; the Los Angeles Lakers dispose of the New Jersey Nets on the way to their third consecutive NBA championship; in Super Bowl XXXVII, the Tampa Bay Buccaneers humble the Oakland Raiders, 48-21.

Deaths: At Whitworth: Delbert Friesen, Nicolin Gray, Paul Merkel, '44, Lillian Whitehouse-Lyle, M.Ed.
