Dear Mrs. Dodd:-

At a meeting last Friday of our Father's Day Committee, it was unanimously agreed to convey to you our sincerest thanks for your efforts on our behalf.

Your visit to Vancouver did more to promote the cause of Father's Day than any previous individual effort. The response and interest shown by the press and radio in their news stories indeed enhanced the respect for Father on this particular day. This was only achieved through your generosity in coming to Vancouver. We feel that at a sacrifice of your own time, a tremendous impetus was added to Father's Day in this country.

May we take this opportunity of extending our appreciation and thanks on behalf of our entire Committee.

Yours very truly,

Trade Section Secretary
