Dear Mrs. Dodd:

The enclosed folders will give you locations and prices, together with general information about two of our most centrally located Residences. Everything in the City is quite crowded but if you will write well in advance and enclose a deposit of \$1.00 to hold the room, you will be able to reserve a room at least for a few days so that you will have a place to stay while you look about for something more permanent. Send your letter directly to the Residence you select - NOT TO THIS OFFICE.

If you find that you cannot stay at the YWCA for the entire time you wish to be in the City, come in to this office and let us try to help you find a place. We have a list of investigated rooms in private homes which range in price from about \$6.00 to \$12.00 a week depending on type of home, location, size of room, etc. Our office is open daily from 10 to 6 except Saturdays when we close at 5.

We hope this information will be useful and that you will be able to make satisfactory arrangements for your stay in the City.

Very truly yours
