Wild Roses

are blooming!!

Sonora, pet:

What a joy it was to feast my eyes on you this week. You looked so adorable, pink & purty! Just loved your cunning shoes and tiny feet.

Did you hear Hugh Downs and Barbara Walters this morning on the Today Show (NBC-Channel 6-7:30-9:00)? They paid a glowing tribute to you and Father's day.

I'm dropping them a note of 'thanks' tonight....for it was a tender, touching tribute to you and fathers. We need more of that sort of broadcasting and less Wars, and rumors of Wars, etc. etc.

Didn't we have a fun meeting at CAAA. Love your 'Today I was in Paradise'.....a true love song!! What a wonderful job of composing Lucille does!!

Will you please give my love (and apologies) for not recognizing Mrs. Douglas....she is such a dear. I never intend to overlook anyone....it's just

2/ that I don't seem to remember faces and names as well as I did fifty years ago.....tragic, but true.

Do have a GLORIOUS Father's Day..... We'll be thinking of you. Leaving early Friday morning for another Canadian jaunt.....we're just gypsies when we get in that car and head out. Guess we'll never grow up (don't want to either).

Wasn't it wonderful to SEE Amy again????? Bless her heart!'

Loves you so.....

Bert Gamble's tribute to you so darling. Bless his heart too.

Hurriedly,

Fondly,

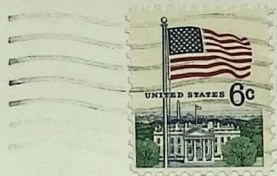

Bee
