Dear Mr. Smith:

Thank you very much for your letter of June 19, and I certainly agree with you that the story of Mrs. Dodd is truly a remarkable one. Frankly, I had not realized that Father's Day had such an unusual background.

All of our rose introductions for the next several years -- we have to work a number of years in advance -- already are named. However, I will keep this suggested name on file and present it at the very next rose-naming session we have.

Thank you again, Mr. Smith, for your interest and consideration.

Cordially,

Don DeManche
