GENERAL PASSENGER INFORMATION—DOMESTIC

RESERVATIONS—Request for Reservations should be made well in advance. Passengers receiving confirmation of reservations more than 24 hours prior to departure time must purchase tickets at least 24 hours before scheduled flight time. If Reservations are confirmed less than 24 hours prior to flight time, passengers must purchase tickets (a) at least 3 hours before scheduled departure time for planes leaving between 10:01 a. m. and midnight or (b) by 9:00 p. m. the day before for flights departing between 12:01 a. m. and 10:00 a. m. TWA reserves the right to cancel any reservation when, in its opinion, such action is deemed necessary because of weather conditions or for other reasons beyond the control of the carrier.

DEPARTING TIME—Please be prompt. Limousines and airplanes must depart on schedule and cannot be held for late passengers. Please allow a minimum of 15 minutes prior to scheduled limousine departure from your Airlines Ticket Office for checking in. Passengers using their own cars to airport should arrange to arrive 20 minutes before scheduled departure time to permit weighing in baggage, etc. TWA reserves the right to cancel the reservation of any passenger who fails to present himself at the airport ticket office at least ten minutes before the scheduled departure time of the flight on which his reservation has been made.

STOP-OVER—Within the time limit of the ticket, stop-over will be permitted at any scheduled stop provided reservation is made accordingly.

MEAL SERVICE—Refer to ★ in Reference Marks.

CHILDREN—(a) One child under two years and not occupying a seat will be carried free with each accompanying passenger. (b) Children under two years for whom seats are reserved, and children over two years and under twelve years of

age will be charged one-half of the applicable adult fare. (c) Children under eight years while traveling on TWA must be accompanied by a passenger twelve years or over.

LIMOUSINE SERVICE—Taxicab and limousine service is available from downtown area scheduled pick-up points to airport.

SCHEDULES ARE SUBJECT TO CHANGE WITHOUT NOTICE—TWA may cancel any flight at point of origin or at any other point and may omit any scheduled stop at any time it deems such action advisable or necessary. TWA will not be responsible for failure of aircraft to depart or arrive on scheduled time and reserves the right to change the times shown in this publication without notice to the public.

BAGGAGE—Baggage includes all luggage, i. e., briefcases, handbags, packages, parcels, typewriters, cameras, and similar articles whether carried in the cabin or checked in the cargo compartments. The carrier may restrict the weight, size and character of baggage or other personal property, according to the capacity of the particular aircraft.

FREE BAGGAGE—Forty (40) pounds of baggage is carried free on each ticket.

EXCESS WEIGHT AND VALUE CHARGES—Baggage over 40 pounds is charged for at the rate of 1/2 of 1% of the published one-way fare per pound, with a minimum of 25 cents. TWA's liability, if any, for baggage shall be limited to its actual value, which shall be conclusively presumed not to exceed \$100.00 per passenger unless a higher valuation is declared in advance of the flight and a charge of 10 cents per \$100.00 or fraction thereof for such excess valuation is paid.

GENERAL PASSENGER INFORMATION—INTERNATIONAL

RESERVATIONS—Request for Reservations should be made well in advance. When reservation is confirmed, either a deposit or full amount of the fare will be payable, depending upon the length of time prior to commencement of passage.

TWA may cancel any reservation or refuse passage to any person when such action is necessary to comply with applicable governmental regulations.

ARRIVAL AT PORT OF EMBARKATION—Arrival at the airport should be at least two hours before scheduled departure time in order to allow for checking of baggage and completion of governmental or other formalities.

TRAVEL DOCUMENTS—Current information may be obtained from consuls of the various countries, from TWA traffic representatives or travel agents.

TRAVEL FUNDS—It is recommended that all travel funds be carried in some form of financial paper rather than currency since most European countries have import and export restriction on currency.

STOP-OVER—Within the time limit of tickets, stop-over will be permitted at any scheduled stop.

MEAL SERVICE—Refer to ★ in Reference Marks.

CHILDREN—One infant under two years of age and not occupying a seat will be carried with each accompanying passenger paying the adult fare between any International station in the U. S. A. named herein and any station outside the U. S. A. named herein at a rate equivalent to 10% of the applicable adult fare named herein between Boston, Mass., U. S. A., and the point of origin or destination outside the U. S. A. A child two years of age and not yet 12 years of age, an infant under two years of age who occupies a seat, and infants in excess of one accompanying a passenger paying the adult fare will be charged one-half of the applicable adult fare named herein between Boston, Mass., U. S. A., and the point of origin or destination outside the U. S. A.

GROUND TRANSPORTATION—Limousine service between airports and designated pickup points within the cities served will be provided at passenger's expense.

SCHEDULES ARE SUBJECT TO CHANGE WITHOUT NOTICE—TWA may cancel any flight at point of origin or at any other point and may omit any scheduled stop at any time it deems such action advisable or necessary. TWA will not be responsible for failure of aircraft to depart or arrive on scheduled time and reserves the right to change the times shown in this publication without notice to the public.

HOTEL CHARGES AND RESERVATIONS—Hotel expenses are not included in passenger fares. Upon request TWA representatives will assist passengers in making reservations but their availability is not guaranteed, nor will TWA assume expenses incurred in attempting to arrange hotel accommodations.

BAGGAGE—Baggage includes all luggage, i. e., briefcases, portfolios, handbags, packages, parcels, typewriters, camera equipment and similar articles, whether carried in the cabin or checked in the cargo compartments. Other articles, carried by the passenger in the cabin, such as overcoats, umbrellas and pocket cameras, will be regarded as personal weight, and will not be weighed as "baggage".

FREE BAGGAGE—Free baggage weight allowance is limited to 30 kilos or 66 pounds on each ticket for passengers traveling across the North or South Atlantic Oceans.

EXCESS WEIGHT AND VALUE CHARGES—Excess baggage, if allowed, will be charged for at 1% of the adult one-way fare per kilo (2.2 lbs.). TWA's liability, if any, for baggage shall be limited to its actual value, which shall be conclusively presumed not to exceed \$100.00 per passenger unless a higher valuation is declared in advance of the flight and a charge of 15 cents per \$100.00 or fraction thereof for such excess valuation is paid.

CUSTOMS DUTIES—Baggage will be examined by customs officers at each country upon arrival. Personal articles intended for use while traveling will be admitted duty free. All other articles are subject to duty.

Residents of the United States are permitted to bring back, duty free, a maximum of \$100 in merchandise acquired outside of the U. S., provided the passenger has been away from the U. S. for a period exceeding 2 days.
