New Buildings To Be Erected At Whitworth

Friend of College Donates $50,000 On Project; To Be Begun Soon

Tentative plans for erecting a women's dormitory, a central heating plant, and a science hall have been drawn, and work on these buildings will begin this semester, according to Dr. W. W. Sullivan, president of Whitworth college.

The project is started by a $50,000 gift from a friend of the college, as an application for government funds, which has been endorsed by the Spokane county commissioners, is under consideration in Washington. The application was recommended by George G. Warner, state director of the WPA. As a gift, under the WPA, the government will give in labor, on a par equal to the cost of the project.

"We are planning to go ahead with this project regardless of the decision made at the WPA, although we may have to readjust our plans, " has stated Dr. Sullivan in a recent interview.

Women's Dormitory First

Miss Ruby Hobson, head nurse of the dormitory, organization, will probably be the first building completed. It is planned to accommodate 75 to 100 students. Wings may be added to the building in the future.

The completion of the project will give Whitworth an enrollment of 500, an increased faculty, and a budget of not less than $175,000 a year.

Some time ago the Whitworth board proposed the building of a women's dormitory at a cost of $100,000; a central heating plant, at $50,000; a science hall at $25,000. The project of $150,000. This program has been awaiting the Federal decision. It is expected that it will be undertaken in earnest, as Dr. Sullivan has pointed out.

The Rev. Lee E. Knoll, '29, and Mrs. Knoll. (Mary Hinton), '31, who were married at Knox Presbyterian church August 6, are living in Davenport, Washington.

Conference At Diamond Lake

Rueh W., 19, 20

If a Bible conference for women students of Whitworth college is to be held the week-end of October 19-20 at Diamond lake at Camp Cowles, the Boy Scout camp.

The theme of the gathering this year will be "That I May Know Them." This is a continuation of last year's theme, Miss Ruth Walker, of Portland, who was one of the leaders of the meeting held last year, will be with the group again this year. Mrs. Lee Knoll (Mary Hinton) will be a member of the group.

A great deal of interest is being shown in the conference: many young women are eagerly looking forward to it as a time of spiritual enrichment and fine Christian fellowship. Between thirty and forty are expected to attend.

Miss Baker is general chairman, assisted by Dean Jenkins and the following committees: Football: Close and Marian Minnich; registrar, Grace Miller; publicity, Hazel Barnes and Mrs. Stanfield; organization, Christine McDonald; decorations, Dorothy Reid; K. C. Chairman, Virginia Smith; menus, June Beagberg and Frances Johnson; transportation, Mary Brugg and Gyselle Chapman; and typed instructions, Helene Ludwigson.

Volunteer Fellowship To Have Busy Year.

At the election held recently by the Volunteer Fellowship, the following officers were chosen: President, Mr. D. L. Zimmage; Mrs. Lynne L. Landisberg, secretary; and Margaret Mehlman, treasurer.

The group has adopted a new program for the year. They are planning the Extension Service and have voted to sponsor the "Krusade" plans for the Youth movement.

This will mean that instead of planning their own meetings and services they will coordinate those plans throughout this part of the country. The Fellowship will follow the work of Dr. Zimmage in teaching the black work which excellent work is being done on the campus of the Whitworth College.

The territory which the students expect to cover includes Palouse, Big Bend, Oregon, and Spokane.

The committee is headed by Mr. B. Baldwin, of the Christian Education department, who was recently voted field secretary and a member of the executive committee of the "Krusader." There are 60 active members enrolled in the fellowship.

A two challenge teams have been set out this fall. The members of the Whitworth orchestra, under the direction of Wendell Taylor, are planning to go to Litterwood Presbyterian church.

On the evening of September 30, a concert will be given by Evalyn McMillan and Will Gold whose tentative name is Attend a Christian Endurers meeting.

MISs HUSTON TEACHES FRENCH

Miss Lois Huston, new head of the department of modern languages at Whitworth, has her master's degree from the University of Washington. She formerly taught at Seattle Pacific college. She came to Whitworth at the beginning of the year. Miss Huston, whom I feel that when a person studies a foreign language, he learns to think and try to get a better understanding of the people who speak that language.

F. L. Zimmage is teaching second-year German in the department of modern languages. During the last two years Mrs. Zimmage did similar work at Hanover college in Indiana.

Mr. Dizmang Will Teach Economics

A new member of the teaching staff is Mr. Oscar C. Dizmang. He comes this year from Pittsburgh, Pennsylvania, to head the department of economics. Mr. Dizmang has his A. B. and M. A. degrees from the University of Denver and his Ph.D. degree from the department of sociology, visited in Cincinnati, Ohio, and other points in the Middle West. He went to Cincinnati in May as a commissioner to the General Assembly of the Southern Conference of Churches. He then visited a brother in Lincoln, Nebraska, and returned to Washington to attend the annual meeting of the National Council of Churches.

NEW FLOWER BEDS AT COLLEGE ATTRACT

One of the first things that drew the attention of the students when they arrived at college was the program of the new flower beds at the right of McMillan hall.

P. C. Wilson supervised arrangements for the flowers, and it is hoped that the flowers will be pleasing to the eye.

They are made up of two varieties of Visualz, and marigold, which blend their perfect shades into a bed. They are: Mrs. McMillan, treasurer; Margaret Robbins, librarian, and Newton Brasson, manager.

The Varsity Majors quartet has the right to sing in this fall, Keith Murray, Paul Koper, Mark Rutley, and Loren Hatcher, the Whitworth quartet, was made up of Margaret Robbins, Lucile Neufeld, Wilma Shanks, and Bertha Walliser.

STRING TRIO

Whitworth has three string trios this year. The direction of Mr. Poinar. The groups are made up as follows:

1st. Dostrovsky, violin; Ruth Gladstone, violin; and Philip Walsom, cello.

2nd. Crane, violin; John Moore, cello; and Margaret Brugger, violin.

3rd. Crane, violin; John Moore, cello; and Fred Walsom, violin; and Margaret Brugger, violin.

Whitworth Is Overcome By Whitman 30-0

In the first Whitworth football game of the year, on September 28, a greatly improved Whitman team won by pushing over touchdowns with the ball. Actually, the final score being 30 to 0, Whitman's wider reserve strength finally won out over the tired Pios.

The first score came when Kinavan, Whitman center, personalized a Pirate punt on our 10-yard line, the ball rolling into the end zone for a safety. The Missionaries pushed over a touchdown a few minutes later.

Midway in the final quarter with several Whitman fumbles to aid them, Whitman pushed over three touchdowns in quick succession.

Whitworth completed seven passes, whereas Whitman completed only two, kicking and outpassing the game throughout.

Coach Stannard has the highest praise for his men, all of whom played hard against a heavier, more experienced team. Allwood and Vertina, in the backfield, and N. Richardson and L. Richardson in the line, played especially good ball. Duits, halfback and captain, proved to be the best man.

W. A. A. Mixer Enjoyed

Sixty athletically inclined women attended the Women's Athletic assembly held Friday afternoon, September 18, in the gymnasium.

After a short meeting in which Mrs. Hedrick, who is the adviser of W. A. A. and the new officers were introduced, there was a formal program including a piano soli by Genevieve Wilson, a vocal solo by Marguerite Money, and a piano solo by Euline Wulhelm.

At the mixer, the women played badminton, horse-shoes, pool on games, ping pong, and checkers. Ice cream and munch snacks were served.

"The mixer was held to promote friendship between the new and the old women," said Dorothy Reed, president. "We hope it did that."

Dormitory Men Survive Ballard Hall Initiation

The new men at Ballard Hall were on the receiving end of a party given strictly in their honor on September 17.

Several ingenious methods of torture were employed to subdued the new members properly. The peanut race, which was the first ever attempted, was very successful. Many were present and a few got a grooves in the floor.

One dormitory man conceived the idea of having the initiates gather ten sons from the neighborhood boys. Out of these, they were to be big hearted, the older students gave them new shoes, matching sweaters, and matches a piece with which to polish the tape. Needless to say, upon the return of the ant-gatherers,

Whitworth Men Return This Season

Many New Ones Furnish Good Prospects For Football Team

It looks as if Coach Stannard has never been so well equipped in the football history of Whitworth as he has in years. If that old Whitworth Jim 'Injuries doesn't catch up with the team this year, we should go places in football.

With only eight lettermen back to shape a winning football team from, Coach Stannard has had to train new men to fill up the holes in line and backfield. The lettermen back this year are: Koper, tackle, 165; Allision, halfback, 155; Williams, halfback, 169; Krooks, quarterback, 164; Vertina, fullback, 174; Halse, end, 155; and Dimum, center, 220.

The new men turning out are: Zibbette, quarterback, 166; Waldh, end, 160; Hennock, back, 166; N. Richardson, guard, 175; L. Richardson, guard, 190; Warrick, end, 175; Wallmark, end, 170; Johnson, end, 160;Harlow, back, 175; Frazier, tackle, 180; Herington, tackle, 160; Tucci, tackle, 170; Blaisdell, guard, 153; Gay, guard, 193; Miller, guard, 199; Bean, fullback, 170; Connel, fullback, 160; and Webster, end, 160.

Women's F. E. Department Offers Numerous Activities

Dr. Frances E. Ross and Dr. Irene Groves are conducting the class in Personal Hygiene. In this course, about 30 students are enrolled. It is necessary for all the women in college to be examined this year. From this time up to 20 per cent of them have taken their physical examination examinations.

The future of the F. E. department is hopeful, for interest is great and there are at least 15 more students enrolled this year than there were during 1924-25.

Women's and Men's Social Calendar

The following programs are scheduled for the coming quarter:

**Football Schedule**

Sept. 28-Whitman 30, Whitworth 0
Oct. 5—Lewiston Normal 9, Whitworth 16
Oct. 18 or 19—Cheney Piosapos at Cheney
Nov. 1—Mount Union at Lewiston (Home-game)
Nov. 15—Lewiston Normal at Whitworth
Nov. 16—Eastern Oregon Normal at La Grande.

**Lewiston Team Defeats Local Squad 9 to 0**

Whitworth went down to defeat, 9 to 0, before the heavy Lewiston Normal squad at Lewiston on October 4. The Pirates defense broke in the second quarter long enough to let the Teachers score a safety, a touchdown, and a goal after touchdown, these being the only scores during the game.

The first score resulted from a bad pass from center which flew high over the heads of the first backfield into the end zone for a safety, giving Lewiston two points.

Eight minutes later, with the aid of a penalty, the Pioneers advanced the ball to our 2-yard line. From here it took four downs for push the ball over, Kessler making the touchdown and kicking the goal.

Whitworth threatened several times in the last half with Allh- cart's bullet-like passes to complete fifteen out of twenty-five. Vent- uria, Dumm, and Hall were the receiving end of most of these passes.

Boys took f.g.a. hard, but our men seemed to have lost some of their pep down through a lessening of the Lewiston climate, Kessler played the best ball for Lewiston center, and Hallock played good ball in the Whitworth backfield. Lewis, backfield, and Halsey played well in the line.

**Carlton Head of Mathematics Department**

Mr. John A. Carlson is the new head of the Mathematics and Physics department of Whitworth college.

He has his M.S. degree from the University of Washington. During the past year he held a position at Pacific, in the mathematics extension department of the University of Washington.

The women's athletic association began the year with a mixer on September 18, at which new officers were installed. Dorothy Reed is the incoming president. Other officers are: Helen Ludwine, vice president; Margaret McCann, secretary; and Virginia Larson, treasurer.

The sports chairmen and their departments are: Elizabeth Baumgardner, volley ball; Frances Johnson, hiking; Mathilde Hail, base ball; and June Seaberg, tennis.

The W. A. A. volley ball tournament between the freshmen and the three upper classes has an unusual large turnout. There are usually ten or eleven freshmen and eight or nine upperclassmen on the floor every night. At present the freshmen and women in the lead, but the upperclassmen plan to rally, and it is hoped that in the future the scores will be a little more even.

About 15 have signed up so far for hiking, which also comes under the W. A. A. Frances Johnson, who is in charge, plans to form one group of town women and another of dormitory women, so that there will be enough hikers to make the required sixty miles. One hundred and forty miles were taken out for the first time, and 75 for each successive time. The hiking must be done in a group of at least five women, and three miles is the minimum distance to be covered at one time.

Home-Coming is Marked By Enthusiasm

On "to Victory" was the chief sentiment expressed by Whitworthians attending the Home-Coming games of the college on October 26th.

The home-coming was heralded, Thursday, by a "to Victory" parade which turned hilarious the latest before the games. On this occasion Whitworth's football heroes were on hand, and some of the city's most famous citizens were present to cheer on the Whitties. A large crowd greeted with true Whitworth joy the arrival of the victorious band.

The program preceding the tea was as follows:

---

Miss Eula Marie Mahon, Bride of Philip Lovegren

The Rev. Herbert O. W. Hage, pastor of the Liberty Park Baptist Church, preached the double covenant ceremony Saturday afternoon.

---

The bride's going-away party was held on Saturday evening, November 12, at the home of Mr. and Mrs. A. B. Porter. The guests, a surprising number, spent the afternoon getting ready for the evening, which included spending their homework in Oregon. The wedding was held on Saturday, November 12, at the home of Mr. and Mrs. A. B. Porter.

Whitworth Vs. Lewis & Clark

HAIL SCORES TOUCHDOWN
Koper Plays Fine Football in Last Game

Whitworth jumpled back into the lead with a 10-yard run over center, the first score of the second quarter. The Pirates were highly commended for playing the game with plenty of spirit, and in spite of an injury to a team member, the score could have been even to the Blue Jays. Flubs were made only by a few silly errors, but with every score made in the quarter’s victory.

Whitworth was rather slow at getting on the end, and going in the second quarter, a 12-man punt from the punt formation was returned 35 yards for a score by Koper.

The Pirates performed generally better in the second quarter. The Blue Jays were able to make good gains, but a steady, well-executed ground defense prevented them from scoring. Although Whitworth was not as successful in the second quarter, the game started well.

The Pirates made 13 runs, 6 for 0, 0 for 9 in the first 2 minutes, and 1 for 6 in the last 2 minutes.

The Pirates had a total gain of 28 yards from scrimmage, in contrast to 108 yards for the Blue Jays.

The Pirates concluded four out of five games, while the Blue Jays concluded eight out of five games. The Pirates performed a great deal better than the Blue Jays.

The Whitworth choir gave a concert in Hildreth's "Mission Hall" at a Christmas service on Saturday afternoon. The service, which included several songs by the choir, was attended by many members of the community. The concert was followed by a potluck dinner in the City Club, where members of the choir and guests enjoyed food and fellowship.

The choir consisted of a variety of voices, including sopranos, altos, tenors, and basses. The program included a variety of traditional Christmas carols, as well as modern arrangements of classical and contemporary songs. The choir was accompanied by the Whitworth College orchestra, under the direction of Dr. John H. Flavin.

The concert was a success, with a large audience in attendance. The choir received a standing ovation from the crowd, and many members of the audience expressed their appreciation for the performance.

Following the concert, the choir members and their guests enjoyed a potluck dinner in the City Club. The meal included a variety of dishes, including roast turkey, ham, and vegetables, as well as pies and other desserts. The atmosphere was warm and festive, with people enjoying each other's company and the holiday season.

Overall, the concert and potluck dinner were a wonderful way to celebrate Christmas and bring people together. The choir's performance was a highlight of the evening, and the potluck dinner provided a delicious meal and opportunities for socializing.

**Fall of Fame**

The Women's section was produced and style selected by Bob Montgomerie of The Whitworthian. The paper is reproduced in full below.

**Who's Who**

Because the Freshman class of 1960 has two representatives in the Fall of Fame list of the Whitworthian, it is not a surprise that the two students are the same. Twenty years ago, the Whitworthian produced a Fall of Fame list, and the two students who were then selected were the same then as they are now. They are Imogene Minnie and Evie Johnson.

Minnie has a large order for her business. She runs a small shop in town that specializes in custom orders. She has a reputation for being reliable and fair with her customers.

Evie Johnson has been a member of the Boy Scouts organization for many years, and she has been a leader in her troop. She has also been involved in several community service projects.

**MANY TRADITIONS AT CHRISTMAS**

Christmas, one of the great festivals of the year, is celebrated in a variety of ways around the world. In the United States, Christmas is a time for family gatherings, gift-giving, and festive decorations. In this section, we will explore some of the many traditions associated with Christmas, including the Christmas tree, the Christmas stocking, and the Christmas carol.

**See An Heard**

June Sebock, a senior English major, is excited to share her favorite Christmas tradition. "I love spending time with my family, especially my grandparents," she says. "We always go to their house for Christmas dinner and it's so much fun!"

**Merry Christmas!**

NOTHER CHRISTMAS is here! Our celebration is partly due to the significant event that has occurred in the past, and partly due to the anticipation of the future. There has been much to be thankful for, and much to look forward to.

**The Yuletide Season**

HE YULETIDE SEASON is no doubt the time when we are most likely to feel a sense of nostalgia and hope. The Christmas season brings a sense of unity and togetherness, as people come together to celebrate the birth of Jesus Christ.

**Safe Driving**

EDITORS OF the Whitworthian, the student newspaper of Whitworth College, are dedicated to promoting safe driving among their readers. They believe that safe driving is an important issue, and they encourage their readers to take it seriously.

**Dolls, Trains, and Skates Are Among Gifts**

Dear Daily Reader:

We are trying to help you select gifts for the children in your family. The Whitworth College on Friday, December 13, gave some of the students a preview of what they wanted, and it is a bit puzzling when you don't think you could find it for $10, $20 or $30.

Sincerely yours,

**Whitworth Students**

**Getting Along With Your Classmates**

If you are having trouble getting along with your classmates, try these tips:

1. Be friendly
2. Listen
3. Be open-minded
4. Be understanding
5. Be patient

**Pet Aversions**

A pet aversion is a strong dislike for a particular animal. These can be caused by various factors, such as an allergic reaction or a fear of certain animals. Some people are more likely to have pet aversions than others.

Around the Corner

The Importance of Being Earnest

The DRAMATICS DEPARTMENT of Whitworth college is putting on a production of "The Importance of Being Earnest," a play by Oscar Wilde. The play, which is considered one of the masterpieces of the English language, is a satirical comedy about the social conventions of Victorian society.

Bill Williams has been cast as the role of Algernon Moncrieff. He is a member of the Whitworth drama club and has previous experience in stage productions.

New Courses Offered

Seventeen new courses are being offered this semester at Whitworth college. These include courses in business, science, and the humanities, making the academic program more diverse and engaging for students.

Finance

The finance department is offering a new course in financial management. This course will cover topics such as budgeting, investing, and financial planning.

Business Ethics

A new business ethics course is being offered to help students understand the ethical implications of business decisions and practices.

CAMPUS CAPERS

Our campus Skeletons have entered the spirit of Old Man and the Sea. You see, we each day may see a group of Skeletons in the shape of a squirrel or a bird or a fat house mouse running in the grass. (You've probably noticed a group of Skeletons in the shape of a cat, which is always a funny sight.)

The Skeletons are a popular attraction on campus, and they can be seen running around in the grass and playing pranks on other students.

FALL OF FAME

From the varied activities of the campus, we have selected some interesting stories to share with you.

Robert Montgomery, '98, who is currently a student at the University of Washington, was recently selected as the Outstanding Alumnus for 1998. He has made significant contributions to the field of computer science and has been a role model for many students.

The Department of Business Administration is hosting a networking event for alumni and current students. The event will feature guest speakers and a chance to reconnect with old friends.

The Whitworthian is the official magazine of Whitworth College. It is a student-run publication that covers news, events, and features relevant to the college community.

Miss Dorothy Reed

Miss Dorothy Reed is a member of the junior class and is serving as the president of the Student Senate. She is also a member of the women's basketball team.

The league is played on the tennis courts of the Whitworth College. The league meets every Monday night at 8:00 p.m. The first match of the season was played on January 16.

BAND MEMBERS

The college band, under the direction of Miss Dorothy Dixon, has been working hard to develop their skills. The band has been practicing several new pieces, including a march by Sousa, a popular chalk dance, and a piece by the Whitworth College band director. The band has been rehearsing for the upcoming spring concert, which is scheduled for March 5.

PAY TRIBUTE TO TURNER

Whitworth students wish to express their appreciation to Mr. Turner, the band director, for his efforts in developing the band. Mr. Turner has been with the band for several years, and his influence has been felt throughout the college.

WHITWORTH LOSES TO SERRACRES

The Whitworth women's tennis team lost to Serracres, 8-2, in the last match of the season. The Whitworth team was led by Dorothy Dixon, who won her singles match against Mary Turner, 6-0. The team's second singles match was won by Dorothy Kohler, 6-1, and the doubles match was won by Dorothy Dixon and Dorothy Kohler, 8-6.

DEBATE BASKETBALL TOURNAMENT

The Whitworth debate team took part in the Tournament of the Americas, held in Denver, Colorado. The team, under the direction of Miss Dorothy Dixon, won the first round of the tournament, defeating Colorado College, 6-3. The team lost in the second round, 6-0, to Colorado State University.

PIRATES WIN OVER GONZAGA

Whitworth thoroughly iaunted the Gonzaga defenders February 15 when they scored 46 to 36. The Pirates registered only three baskets in the second half, whereas the Gonzaga players poored balls through the net in the forty minutes. This resulted in the huge win for the Gonzaga in the lead of the game.

The first half proved a hard-fought battle between the two teams. After fifteen minutes of play, both teams scored ten points each. Gonzaga led in the lead with 16 points. The second half began with Gonzaga scoring seven points, followed by a sweep of the Pirates. Gonzaga led with 23 points.

Both teams were evenly matched, but Gonzaga managed to pull ahead with a few more baskets. The final score was 46 to 36, with Whitworth winning.

FOOTBALL MEN GIVEN LETTERS

At a general assembly in January, several football players were awarded a letterman for their contributions to the football team. The awards were given in recognition of the players' efforts and dedication to the sport.

VICE PRESIDENT

The Vice President was given a special letterman for his outstanding contributions to the football team. The letterman was awarded to recognize his hard work and dedication.

VINCIWIVES IN\ OVER FACULTY TEAM

The faculty versus student game was a highly enjoyable event. The students were victorious, with the faculty losing by a narrow margin.

Pirates Trousse "Red and White" Quintet

On December 15, the Pirates thoroughly trounced the Red and White Boosters' basketball team. The score was 31 to 27. The second half saw the Pirates pulling ahead, with a score of 21 to 12. The Pirates' strong defense and consistent offense ensured their victory. The final score was 31 to 27, with the Pirates coming out on top.

SQUAD WINS TWO B. GAMES

The "B" squad was victorious in two games, with scores of 22 to 15 and 16 to 9. The team's consistent performance contributed to their success.

TEMM TO PLAY THREE GAMES

Three scheduled games remain on the Pirate schedule. The team is looking forward to playing these games, with exciting match-ups against tough opponents. The team's high spirits and dedication will undoubtedly contribute to their success.

SIMON, THE CYRENIAN In Choosing As Fellowship Production

Waltworth college drama students made a fine place for themselves and the college in the recent all-students' talent contest at the College of Puget Sound. Although the team did not win the competition itself, they made a splendid appearance.

Miss Vera Allison is directing the production again this year, and promises to be of the same high standard as the play last year. The plot in the production this year will be "Tilawana, A Romance of the South Seas." The entire cast will consist of Whitworth university and junior college students. The cast will be varied.

The play will be presented on April 5, 1933, at the Fourth of July Picnic at the Whitworth college campus. A dirigible group, under the direction of George M. Kimbrough, will furnish musical incidentals.

The question for debate will be: "Resolved, That ten women should have the right to vote in a Two-Thirds Majority Under the Supreme Court Decision As of Congress in 1913"

The debate was represented by George M. Kimbrough for the affirmative and by Mr. Walter Johnson for the negative.

The men's team was represented by W. C. Goodwin, Mr. C. C. Goodwin, Mr. G. M. Kimbrough, Mr. C. O. Goodwin, Mr. E. M. Kimbrough, Mr. A. C. Goodwin, Mr. J. M. Kimbrough, Mr. B. C. Goodwin, Mr. W. O. Kimbrough and Mr. R. C. Goodwin.

GOLDENBERG - It’s been observed that every time someone asks for a definition of the word “professor,” the speaker is likely to mention the name Harvey Harlow.—

**How do you make a professor?**

1. Consciously or unconsciously, a professor is a person who knows a great deal about a particular subject.
2. A professor is someone who teaches classes in a university or college.
3. A professor is often characterized as being wise, learned, and experienced in their field.

**What is the definition of a professor?**

A professor is a person who is an expert in a particular field and who teaches others about that field. They are typically highly educated and have a deep understanding of their subject. Professors are often found in universities and colleges, where they may teach courses, conduct research, and mentor students.

**Do professors always know everything?**

No, professors are not infallible and they can make mistakes. However, they are expected to possess a high level of knowledge and understanding in their specific field.

**What does a professor do?**

A professor typically spends their time teaching, conducting research, and writing. They may also be involved in administrative roles, such as department heads or academic deans. Professors are expected to keep up with the latest developments in their field and to contribute to the body of knowledge through their work.

**Why are professors important?**

Professors are important because they are the gatekeepers of knowledge. They are responsible for teaching the next generation about their field and for passing on their knowledge to future generations.

**How do you become a professor?**

To become a professor, you typically need a Ph.D. or other terminal academic degree. You may also need to have a certain amount of teaching experience. In addition, you will need to publish research and contribute to the field.

**What is a professor’s salary?**

The salary of a professor can vary widely depending on their institution, their rank, and their area of expertise. Generally, professors earn a competitive salary, but it is not as high as some other professions.

**Do professors ever need help?**

Yes, professors can need help from time to time. They may need assistance with teaching, research, or administrative tasks. They may also need help with personal issues or with finding solutions to problems.

**What is a professor’s role in society?**

Professors play a crucial role in society by helping to shape the future through education and research. They are often thought leaders and their work can have a significant impact on the world.

**What are the downsides of being a professor?**

Some of the downsides of being a professor include long hours, high stress, and the pressure to publish. They may also have to balance their teaching and research responsibilities.

**How do you become a professor at a university?**

To become a professor at a university, you typically need to complete a Ph.D. or other terminal academic degree. You may also need to have a certain amount of teaching experience. In addition, you will need to publish research and contribute to the field.

MANY STUDENTS ENJOY COLONIAL COSTUME FAIR

Mimosa and Virginia Reel Featured At Party On Feb. 22.

The soft strains of the minstrels played in the library as Virginia and Mimosa did away with the colonial party. The affair took place on February 22 in the library in McMillan Hall. Charles Finch was chairman of the affair and gave general arrangements. Elizabeth Owen, head of the library, was responsible for the nicely colored lights. Jane Sander, vocal, played an instrumental solo for the evening.

"Shouldn't you have tried to be in the fort when they were invading?" another bandmate of hers asked.

"I don't know why," she replied, "but I do know that nearly everyone enjoyed themselves in the fort or the parlor."

In the end, the group decided that the fort was the better choice. The dance lasted late into the night.

Women Students
Have Conference
On April 25, 26
Three Religious Leaders
From Northwest Are
Speakers.

The Women's Bible conference, which was held on April 25 and 26, was attended by a great number of students. Mrs. Blackmore, an older, one of the regular members of the conference, was present.

The conference was held at Whitworth College, Spokane, Wash. The buildings on campus are comfortable, and the campus has everything to make a student feel at home, while at the same time it is not too large to be overwhelming. The conference was well attended, with about 200 women present, most of whom were students.

Dr. Ripley, a prominent figure in the religious world, addressed the women on the subject of "The Love of God." He spoke about the importance of love in the Christian life and how it should be expressed in our daily lives. He also discussed the nature of God's love and how it can be experienced by all who believe.

Dr. Ripley's talk was well received, and the women seemed to find it both inspiring and encouraging. They were left with a sense of hope and faith, knowing that they could count on God's love to guide them through the challenges of life.

Dr. Ripley concluded his talk by praying for the women, asking God to bless them and give them the strength to live their lives in a way that reflects His love. The conference came to a close with a final prayer, and the women were left with a sense of peace and contentment.

The conference was a success, and the women left feeling encouraged and uplifted. They were grateful for the opportunity to hear from such renowned religious leaders and to deepen their understanding of their faith. The conference was a testament to the power of faith and the importance of community in the spiritual journey.

Annual May Day Festival
To Be Pictureque Affair

M. BAKER QUEEN
Four Princesses And May Day Dancers
In Ceremony

The most elaborate, picturesque and most important May Day celebration in the history of Whitworth college was held on May 1.

The program of the afternoon was a pageant with various musical and dramatic performances, which will be repeated during all four days of the following week.

The opening ceremony was conducted by the Rev. Mr. Thompson, president of the college, and Miss Ruby A. Baca, student council president, and Miss Ruby A. Baca, student council president.

The pageant was conducted by Miss Ruby A. Baca, student council president, and Miss Ruby A. Baca, student council president.

Students Elect
New Executives By Popular Vote

Eight executive offices and the May queen were elected by popular vote on the evening of May 1.

The following were elected:

President: Miss Ruby A. Baca, student council president.

Vice-President: Miss Ruby A. Baca, student council president.

Treasurer: Miss Ruby A. Baca, student council president.

Secretary: Miss Ruby A. Baca, student council president.

The pageant was conducted by Miss Ruby A. Baca, student council president, and Miss Ruby A. Baca, student council president.

Whitworth Launches Out

IT SEEMS THAT THE Spokane business an-
civic leaders do not turn deaf ears to the
Whitworth campaign for an improved campus, new
buildings, and a cultural institution. A gift of $20,000 for expansion looks as if the ad-
mimination can ‘go places’ and do things that will
completely change the appearance of the
school. Imagine Whitworth with two new dormi-
tories built according to the latest theories of ar-
tecture, with a large and impressive science hall and
the much-talked-of heating plant. Imagine Whit-
worth today, a school dangerous to the con-
venered and rejuvenated campus. It all sounds like the kind of
stories one reads about in fairy books.

The Whitworth campaign, unlike the shape in
its founders dreamed that it would—one of the
outstanding colleges in the Northwest representing
Charles Henry Hitchcock—might succeed; it must succeed, with all of Spokane’s lead-
ing business men urging for it, like Dr. Sulli-
van and Mr. Budge making the plans.

May Day

MAY DAY comes but once a year, Whit-
worth makes it of a memorable festival.
Beside the usual Maypole dance done by some of the
students, it will be the first of the May
Queen dances. The May Queen will be
the crowning of Queen Mary Baker, attended by her four
maids of honor.

"Told in a Chinese Garden," the outdoor drama
which Miss Paul will direct, promises to be one of the
most interesting activities on the Whitworth campus. May
day this year must be a bright, sunny day that will propitiate to such a program
as being planned.

For the Sports-Minded

TO OTHER PEOPLE the spring for sports
means golf, swimming, lighthearted, archery, and what have you?
There just isn’t a better place for sports fans than the Whitworth campus, where
outdoor activities are at a premium and even a rain
will present the problem of how to get to the
field. Those who follow the "fancy" class, it might be
well to point out that everyone should have at least
one good pair of tennis shoes, even in
which he is financially profligate. There is
nothing which refreshes both mind and body more than
an exciting game—a game that only one really is inter-
ested. Interest is essential. A person can never enjoy
any sport without interest, and interest increases as he
becomes more expert. A person should not
ride a horse; must take brisk walks; must play ten-
is. His reward will be a healthy tan, sparkling eyes, and
an alert appearance.

Queens Mary Baker Resigns Over Colorful May Day Ceremonies

For my resignation, my only excuse is the heavy load which has been imposed upon me—last year's cancellation of the May Pageant and this year's tremendously enlarged program. It is the very least I can do to resign while I am still in favor and in good health. It is the beginning of a new May Day, and I wish to pass the reins to someone who will carry on the tradition of excellence in the spirit of the old May Pageant. I have no ambition to re-run the old pageant, but rather to create a new one, colorful, original, and one that will truly reflect the spirit of the age in which we live.
