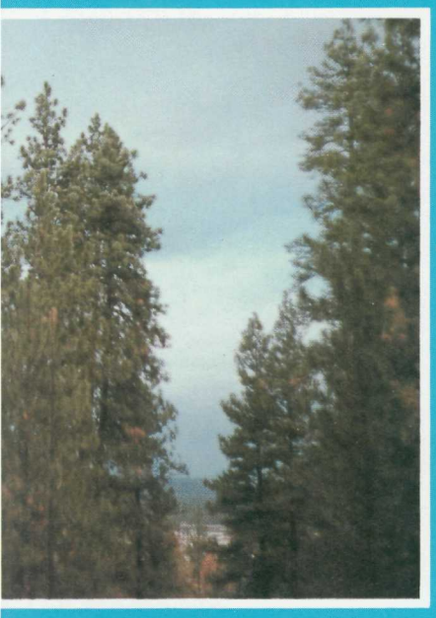
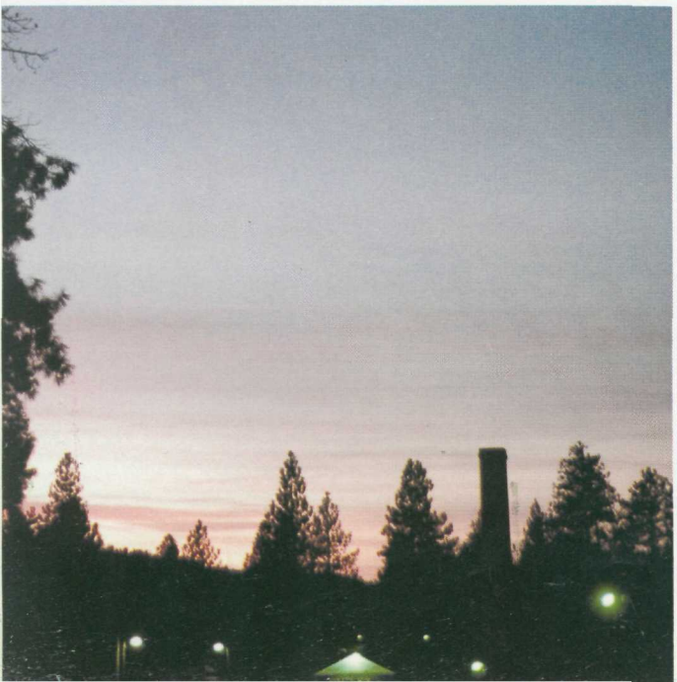
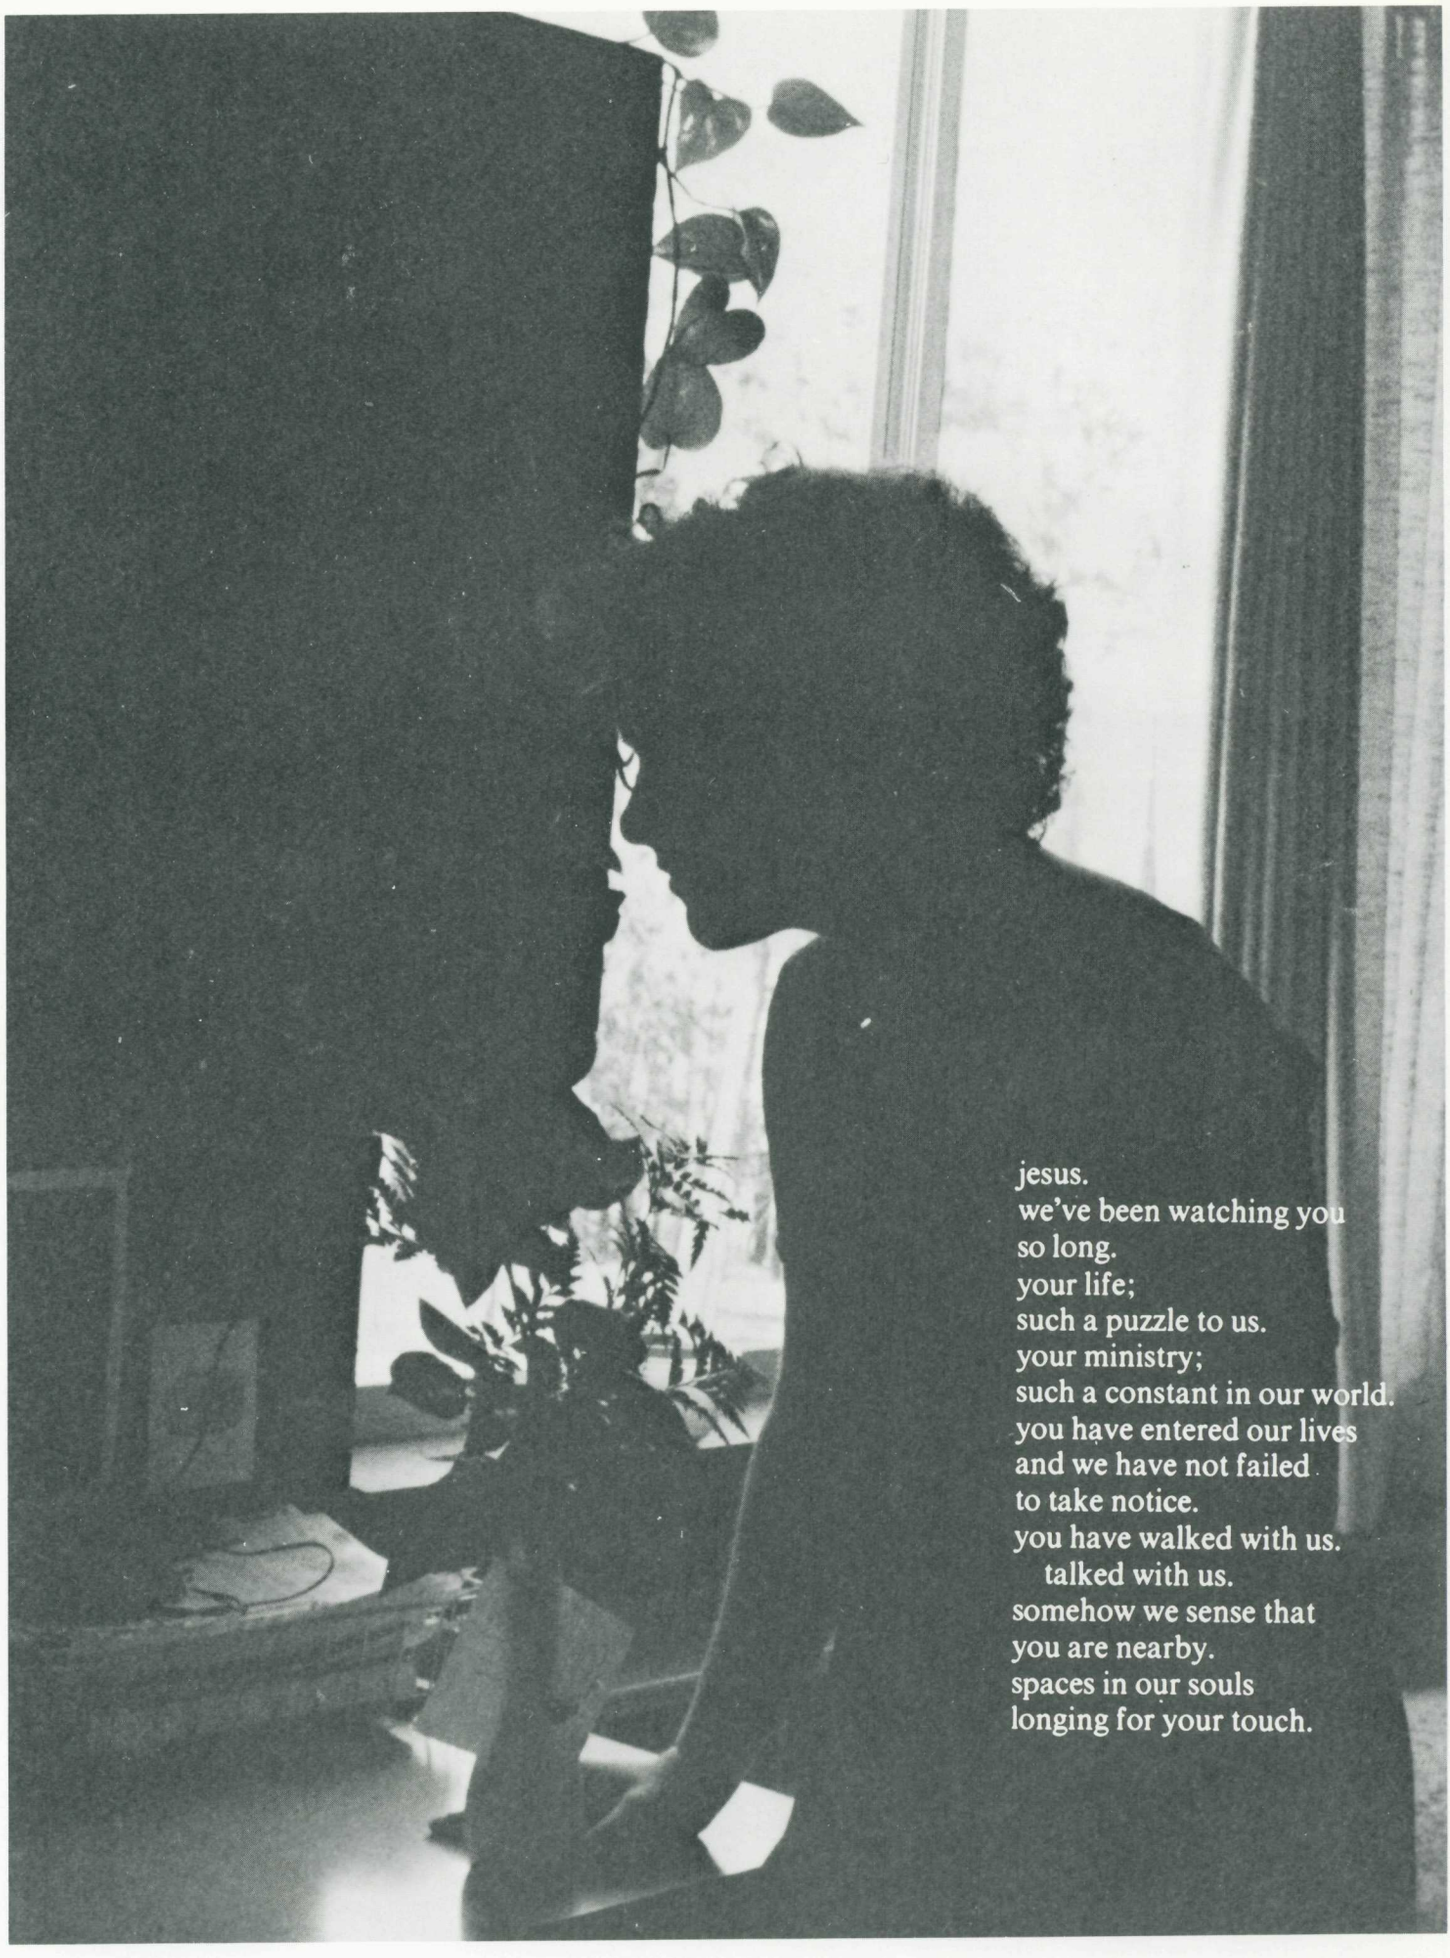
Natsihi . . .

Is The Theme
Of Your Yearbook.
It Means:
"In The Pines" In
Spokane Indian . . .

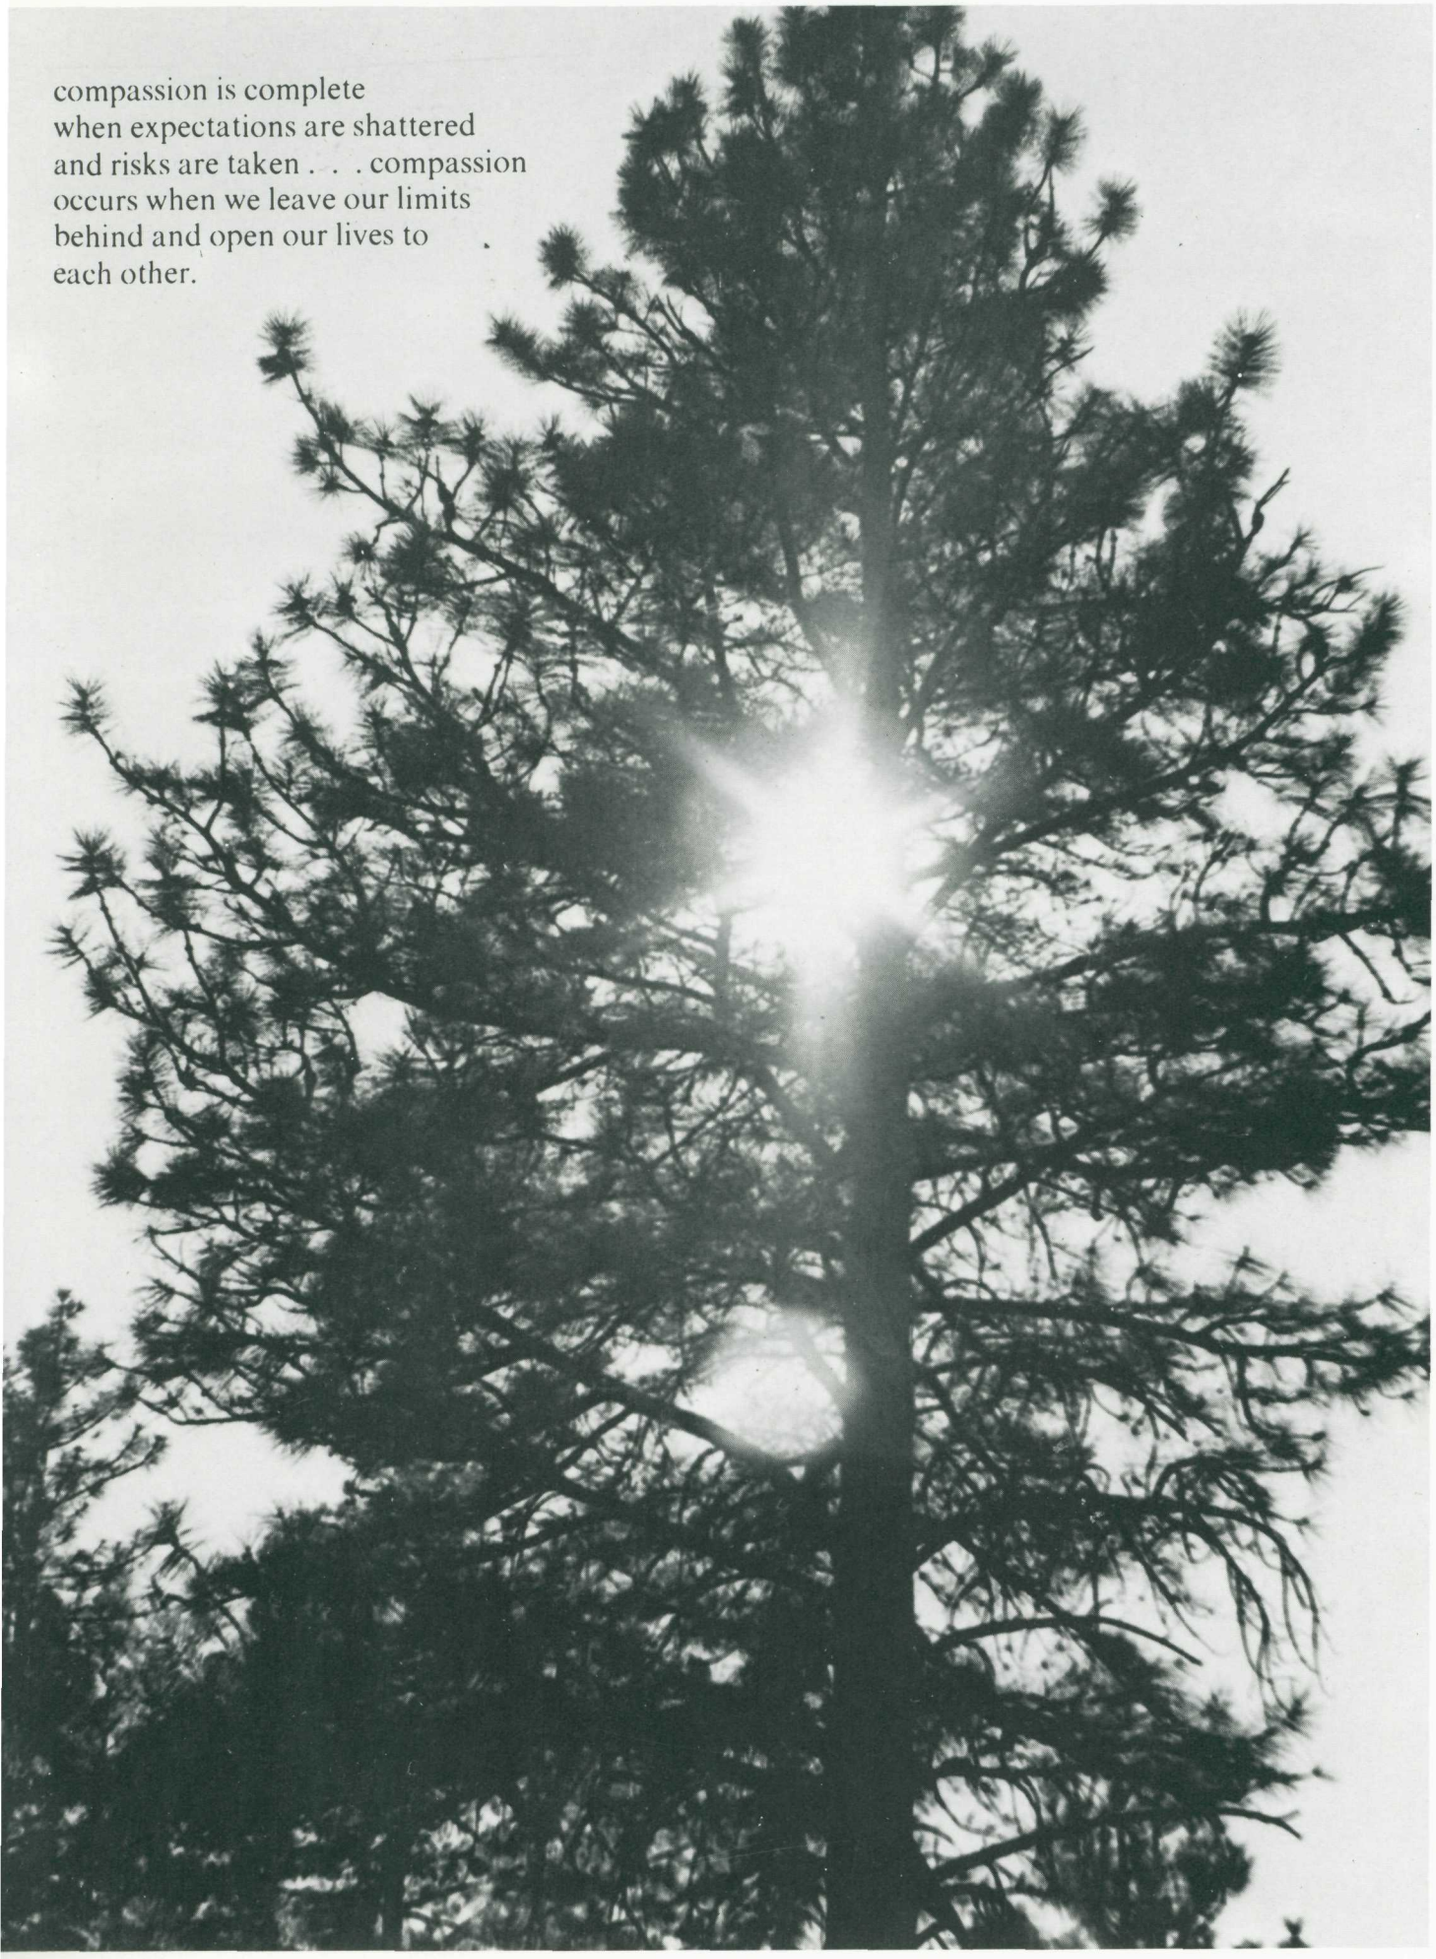




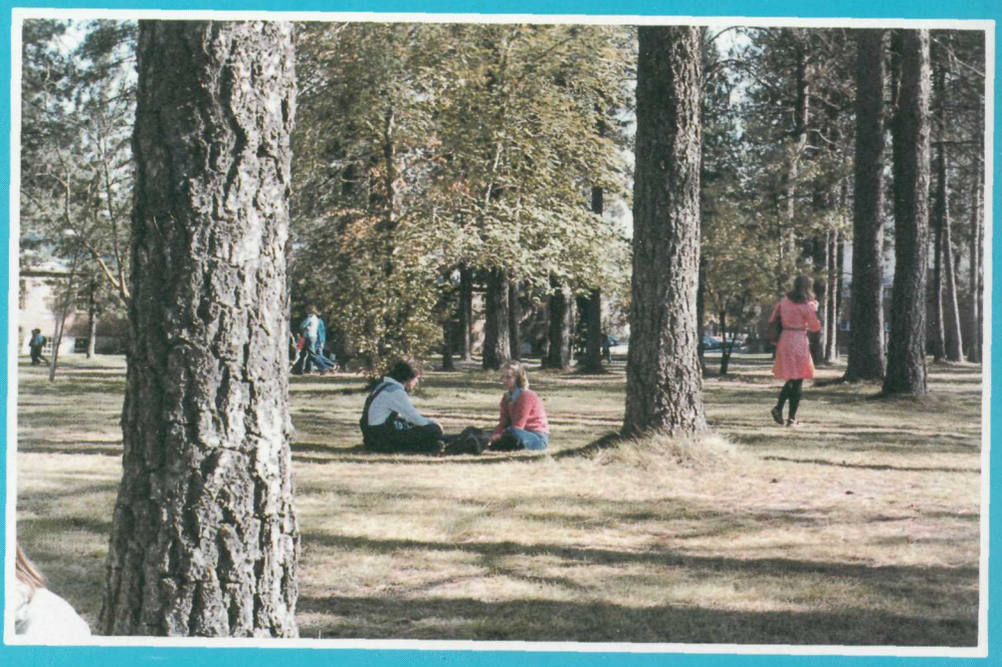


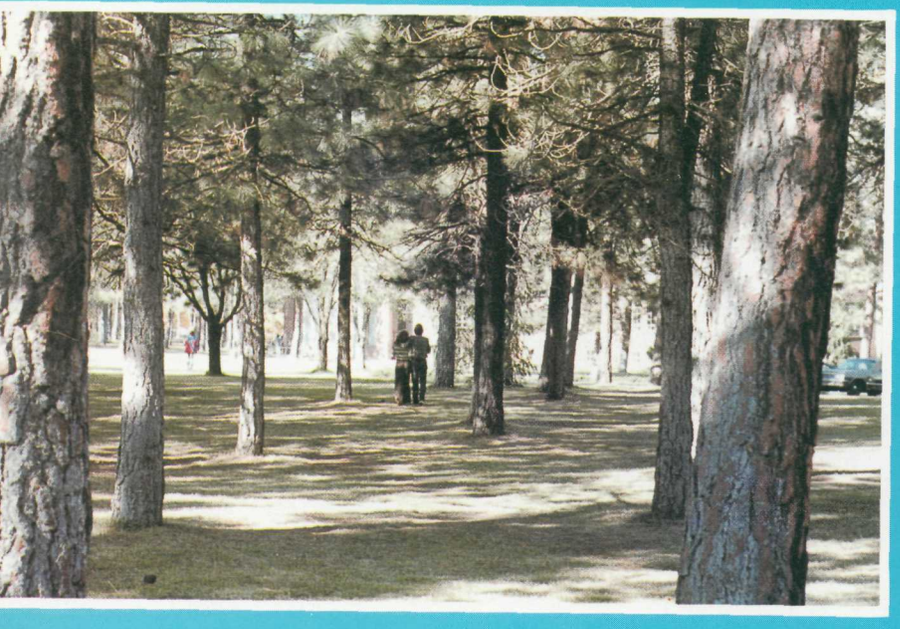
jesus.
we've been watching you
so long.
your life;
such a puzzle to us.
your ministry;
such a constant in our world.
you have entered our lives
and we have not failed
to take notice.
you have walked with us.
talked with us.
somehow we sense that
you are nearby.
spaces in our souls
longing for your touch.

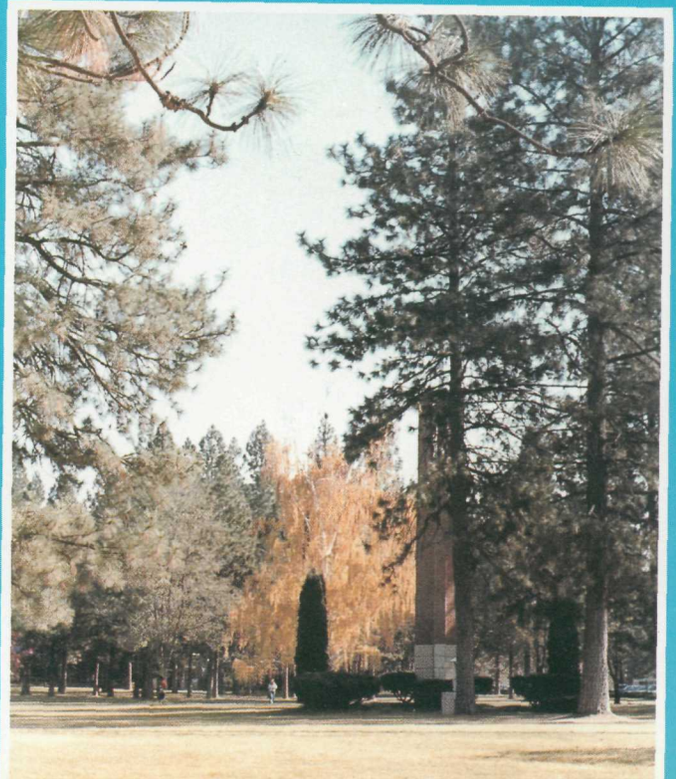
compassion is complete
when expectations are shattered
and risks are taken . . . compassion
occurs when we leave our limits
behind and open our lives to
each other.



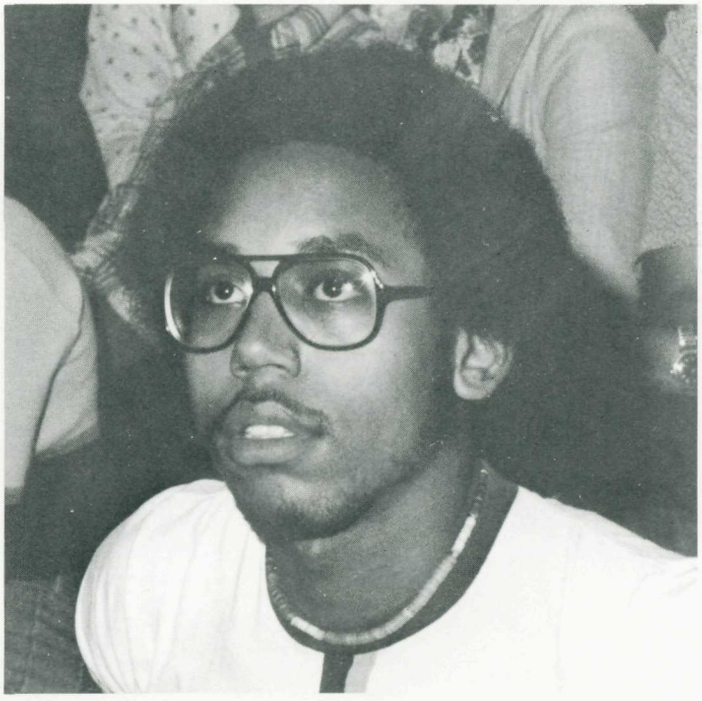
walking across the loop
hoping to catch a glimpse
of you . . .
watching you from afar
and feeling happy.
hiding behind a pine tree
and hoping
you won't see me . . .
maybe wishing that you would.
the campanile chimes;
i'm late to class . . .
perhaps i will see you
again.
this is a special place.





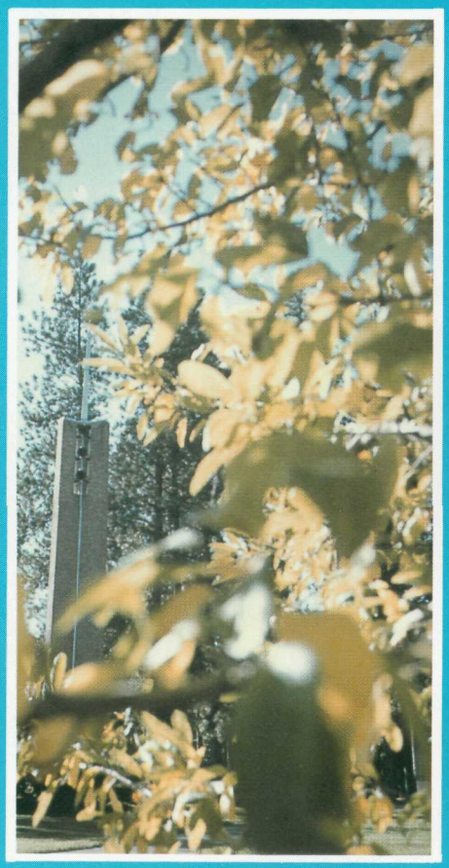


i am so happy,
you have crossed
the vast horizons of my memory
and the thought of
your presence in my world
has made me smile.
your being you
has made being me
that much more wonderful.

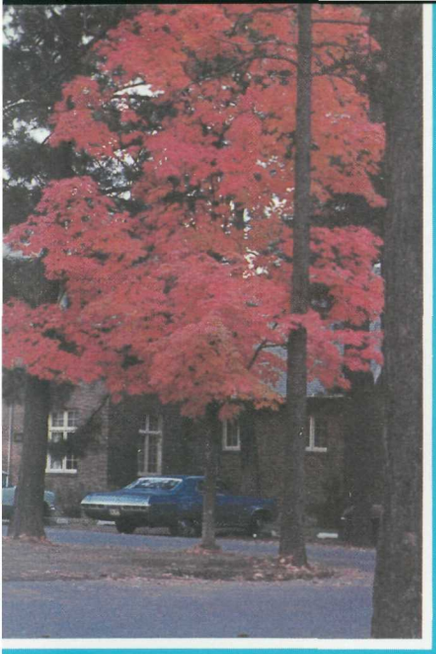


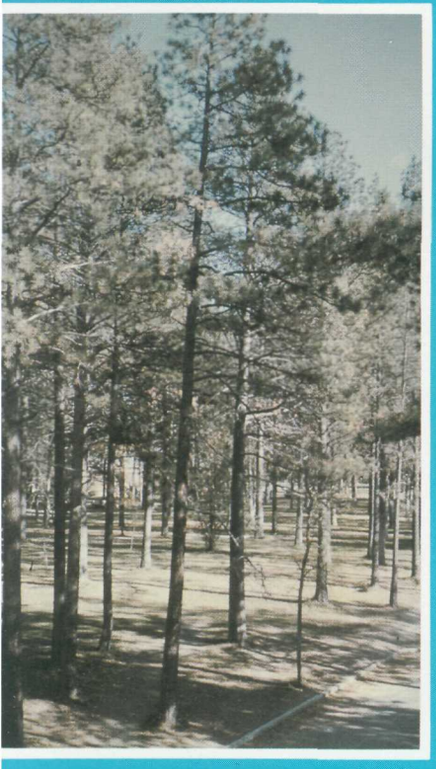
who is my neighbor?
are you my neighbor?
can i just talk with you,
share with you,
laugh with you —
without expectation or
anticipation?
can i just approach you
as my friend?
can i just look for,
listen to . . .
you?
we are in relationship;
a spontaneous, living
encounter
between two persons.
you are my neighbor,
my friend.
you are a gift.

smile.
no don't.
your eyes,
my friend,
smile for you.



when i awoke this morning
i found a pinecone
sitting in my window.
either you set it there,
or it leaped from the ground.
the dreamer in me
longs to believe
in the latter . . .





The air was brisk
The sky was clear
with only a few distant clouds
looking west.

The sun shining through
the trees
casted dappled shadows
dancing on the ground
the rays of light were alive
and dancing!
The leaves on the trees above
looked down
and clapped
with great approval.

Though to man the sounds of the new day
were quiet,
to the earth
it was the beginning of a new
symphony of peace.

Whitworth Plays For Those Who Can't

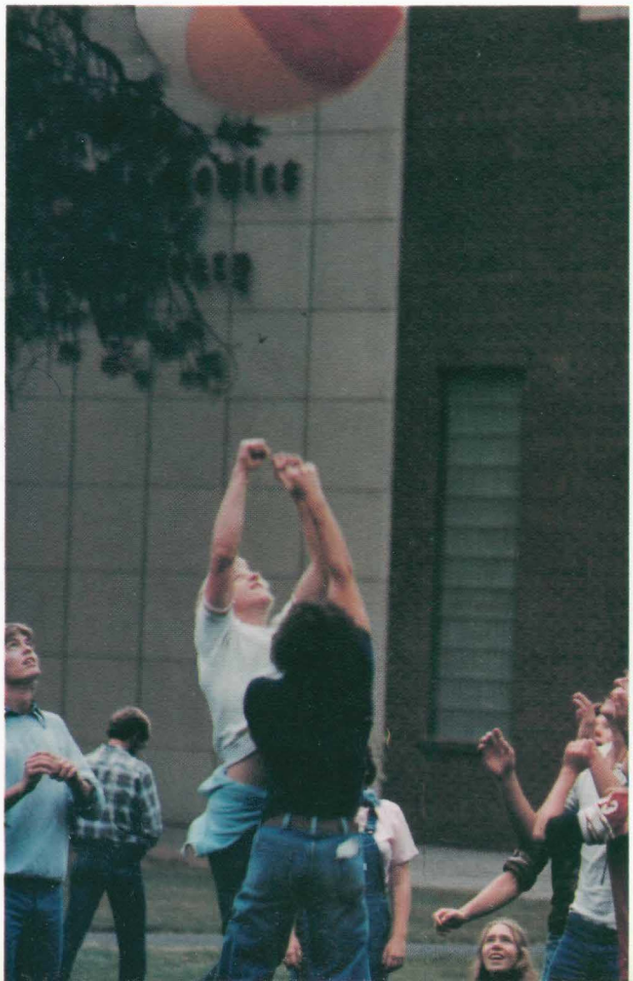
SOC

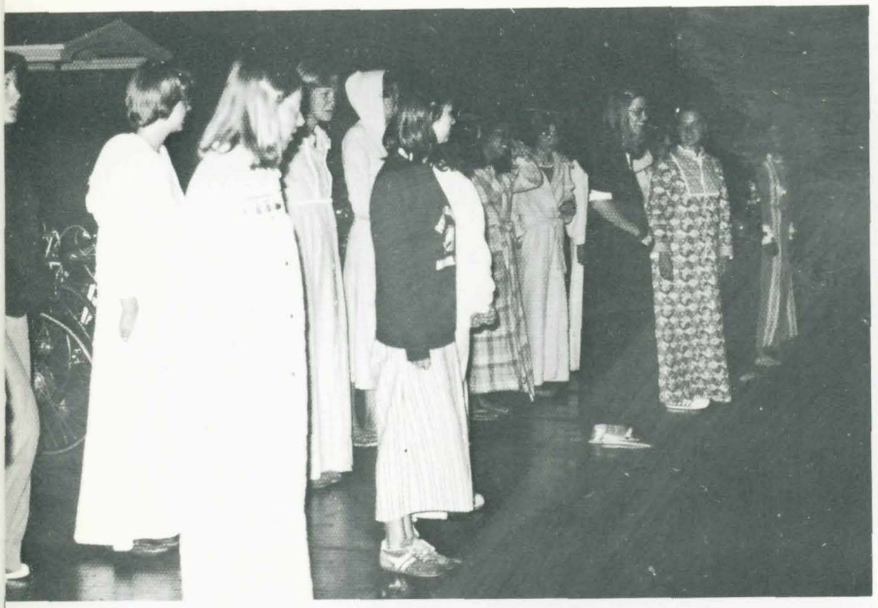
After a hard day at school the student returns to his dorm and participates in his favorite after school activities. Here are some students who like the outdoors.

Upper left hand: Greg Strom. *Left center:* we have disguised person. *Right center:* we have a marshmellow roast. *Lower left:* Robin Singley, Robin Wride, and Ada House enjoy the beach. *Lower middle:* a ping pong player. *Lower right:* Tim Bladek is hugging his favorite sign.



Community Building Day

Community Building Day held on September 21st was a success. The day began with breakfast being cooked and served by the administration and faculty, and President Lindaman. After a hardy breakfast of pancakes, fruit, and drinks, the games started. After many interesting games, the students divided up into groups according to dorms and set about making rules for their dorm life.



Freshmen Initiation

Freshmen initiation happens at the beginning of every year. It is when freshmen do things that they would not normally do under different circumstances. This is when the upper-classmen take out all of their stored aggression. This is also a very good chance for freshmen to meet other freshmen.

Faculty Is Integral Part Of Whitworth

Faculty members at Whitworth can be seen at anytime, anywhere on campus. This is one of the aspects of Whitworth that makes it a unique college. *Upper left:* Dr. Bill Benz shows Russian friend around campus. *Upper right:* Sandy Gill dreams on. *Middle left:* Bill Peterson listens carefully. *Middle right:* Karl Zeiger gets ready to talk in his theme dorm class. *Bottom left:* Eric Johnson leaves lunch with a puzzled look on his face.

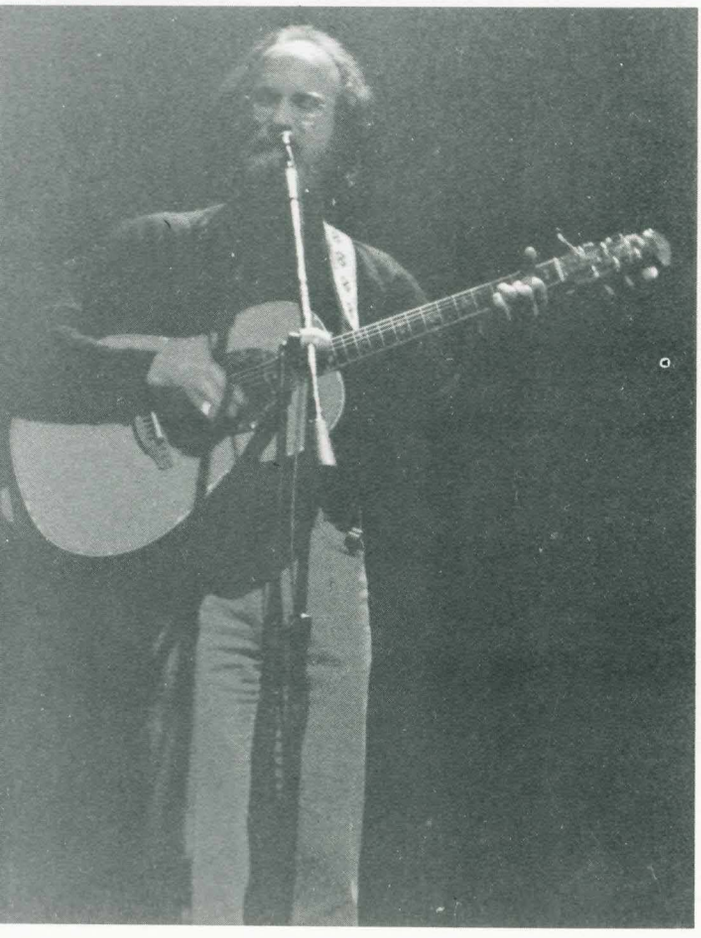
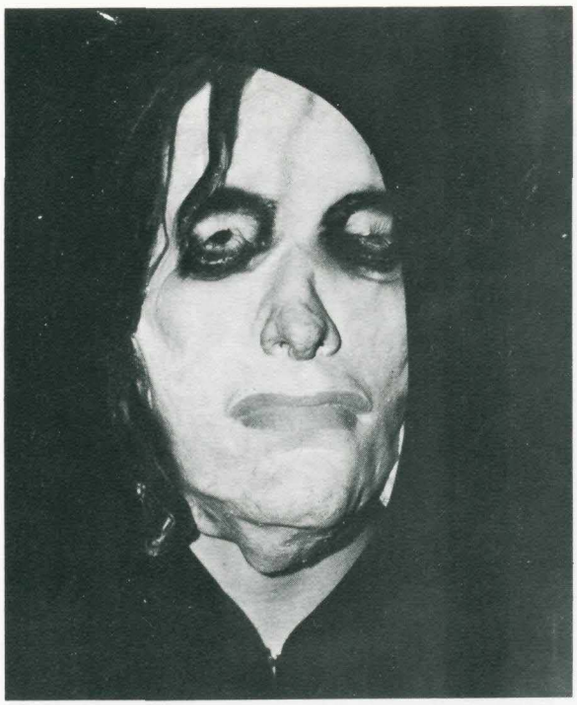
Leon Atkinson — John Ficsher



Whitworth enjoys a variety of music. Leon Atkinson appeared at Forum to a packed house. He is a favorite among many students . . . playing music by George Benson, and Dave Brubeck.

John Fischer appeared in concert during Jan Term. The auditorium was packed in anticipation of a great concert. Words cannot describe how good the concert was. He sang of trials in a Christian's life, God's love, his love for God. There was a sense of togetherness in the audience as they identified with what the singer sang about.

Halloween



McMillan got into the spirit of Halloween by having their annual Haunted House. It was a real thrill and kept the students on edge.

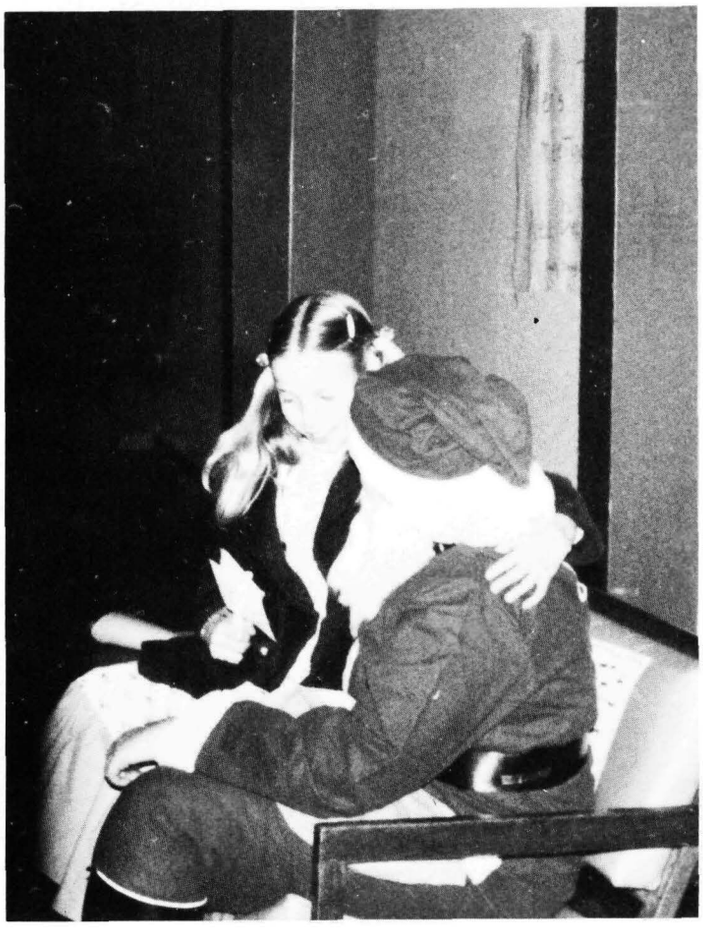
Christmas



Christmas is a happy time on Whitworth campus. Faculty, students, and children come together to share the spirit of Christmas.

Concerts On Campus . . .

Music is a never ending event on Whitworth campus. Jan Term saw the return of two favorites; Joel Alsgard, and Steve Hite. They performed at a coffeehouse that did not even have standing room.

Chris Frimoth performed "in concert", February 25, in the auditorium. It turned out to be a warm concert, it touched the hearts of everyone.

Through a lot of hard work, some interested students got Randy Stonehill to appear on Whitworth campus. It proved to be a good investment of time for those interested students, and everyone who showed up.

Shalom — Fine Arts Theme Dorm

Put together five music majors, one Lit major, add a business major, three religion majors, and throw in a nutrition major, four theater majors, and one history major. Now try and figure out what they have in common. These nineteen vital people united under the broad banner of a Fine Arts theme dorm, stumbled along blindly under the able leadership of Doc Evans.

Although Jan term saw at least half of the inhabitants of Shalom scattered across the globe, their reunion in February combined this motley crew for another semester of acting finely.

1978 NATSIHI

The 1978 Natsihi started out strong. A thousand students purchased the book and 20 showed up at our first meeting, indicating an interest in the first annual Whitworth has had in four years. Slowly but surely, staff support and interest dwindled. People who had expressed commitment abandoned their duties, many waiting until the time their pages were due to let Robin Mills, editor, know.

Putting together the first yearbook since 1974 was a challange; having to start from scratch with no supplies proved difficult. Before October, we had no room to call home, and even when we did, it didn't come with tables. By November we had a darkroom and we were working on getting a flash for out photographers to use. (We're still waiting for the flash.) At deadlines, staffers dragged their typewriters to Arend Basement to hold up until the breaking of dawn.

Deadlines seemed to creep up on us and there were times when we thought we'd never see the day when these pages would be in print. An overriding sense of responsibility was the only thing that kept Robin Mills and Barb Wittenberg, photo editor, from hopping on a jet to Switzerland when tensions grew. But they stayed here, behind the pine cone curtin to see this book was finished.

A die-hard staff put the 192 pages of the 1978 Natsihi together. Each of us having our own counselors, with soft shoulders to run to when the pressures mounted and deadlines drew near. Gratitude is extended to all the people who helped put this book together. Completing the book was a struggle and a time of growth, and somehow we've managed to pull through. A special thanks to the 1978 Natsihi staff.

Treading rocky ground.

It was a "bear" of job.

We're all out in the woods.

Bucs Finish Season

The 1977 Pirate football team finished the season with big hearts, though the record stood at 2-7. Being a relatively young and inexperienced team, the Bucs were guided by Daryl Squires, a former Buc, in his first year of coaching college ball.

The season opener against Western Washington University saw victory for the Pirates. A one-yard run by Pete Lewis and a 35-yard run by Mark Jensen totalled the final 12-0 score. Rushing yards totalled 260 while Jensen carried the ball ten times for 100 yards. Leo Ezerins punted eight times for a 45.8 yard average, including one gorgeous 62-yarder.

The other season victory for the Bucs resulted from an excellent second-half comeback in a game against Pacific University which was marred by penalties and turnovers: 13 fumbles, four interceptions, and 200 yards in combined penalties. Ezerins made two touchdowns including a 61-yard pass from Ed Riley. Jensen also had two touchdowns and a conversion from Ken Pecka in the final eight minutes.

The team was composed of four returning starters, 18 lettermen, 15 transfers, and 18 freshmen. Homecoming saw the Pirates matched against Linfield, leader of the conference. Nonetheless, a super first half kept the Wildcats on their toes and going to the lockers with a 14-14 deadlock. Jensen performed outstandingly with 19 carries, 168 yards, and two touchdowns. Pecka snagged two interceptions. But despite the Pirates' outstanding performance, the Wildcats triumphed during the second half.

During the college of Idaho game, Quarterback Riley connected 11 of 29 passes for 117 yards. In a rout with the University of Puget Sound, Ezerins snagged five passes for 116 yards and one touchdown while Pecka picked off two Logger passes. The Pirates travelled to Portland, where Lewis and Clark College garnered its first win over the Bucs in five years. Jensen displayed a beautiful 56-yard touchdown run in the first half. Mike Herron booted a 37-yard field goal and grabbed a seven-yard touchdown pass from Pete Lewis in the second. During the fourth quarter, the Bucs scored twice; first, on a Lewis-Ezerins connection of 58 yards, and later on a one-yard plunge by Riley. Ezerins connected five passes for 143 yards and totalled 379 offensive and 230 passing yards.

Jensen, also snagged 17 passes for 170 yards.

Lew Webb and Mike Christianson, offensive right guard and tackle respectively, did a fine blocking job which helped Jensen gain his super yardage.

Mark Deerheim was named unanimously by Northwest Conference coaches for a first team position as Tackle. Deerheim tallied 48 unassisted and 93 assisted tackles; sacked opposing quarterbacks 16 times; deflected nine pass attempts, intercepting one; and knocked loose three fumbles.

Pete Lewis led the team in fumble recoveries with five and touchdown passes with four. Ed Riley averaged 82.3 passing yards for each game. Leo Ezerins had only five of 49 punts blocked for 2,068 yards while Ken Pecka snagged eight interceptions. Cross Country

The Women's and Men's Cross Country teams both competed successfully in the 1977 season. The women placed 5th in a field of thirty major schools at the A.I.A.W. Regional Meet held at Whitworth, and won the Whitman Invitational in October. The men in the league race had hoped for the championship, but two major injuries left the team in third place — the highest for Whitworth in five years. The men gained an overall fourth-place finish at District, with senior Dave Sanderson leading the way. Sanderson, who has previously placed in national competition, placed 2nd in conference and ran on the all-league team. Brian Hafferkamp was designated by Coach Karl Zeiger as the team's "strong number two man." Tom Sutton and Paul Graham are considered strong three and four men by Zeiger, who emphasized that there were "many others in there." On the women's team Coach Zeiger singled out Junior Cindy Chapman, Sophomore Dixie Reimer, and Freshmen Susie Thomas and Marilyn Thibodeau as "real super runners."

Coach Zeiger is proud of the fact that Whitworth's cross country team is the largest team in this part of the country. Out of 43 runners, only two are seniors; this leaves Whitworth Cross Country with plenty to look forward to!

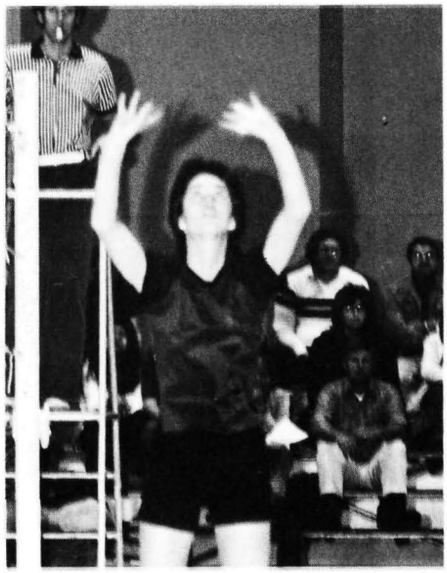
Volleyball
Team Captures Championship

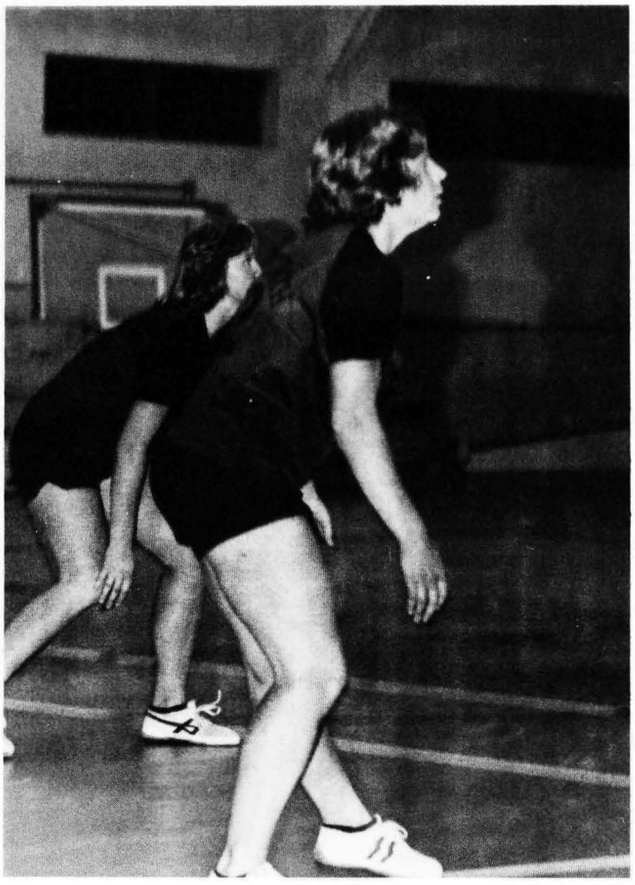
Coach Peggy Warner and her volleyballers completed on outstanding season by capturing the Inland Valley Conference Title with a record of 8-0. The team also gained third place in the Regionals for small colleges.

The overall season record was 25-5, with losses to Washington State, Central Washington, Lewisand Clark and Southern Oregon State College. Returning letterpersons include Anne Seelye, Nancy Haugan, and Katie Riutcel. Graduating senior members of the team are Donna Smith, Katie Riutcel, Kivonne Tucker, and Anne Seelye.

Team awards went to Nancy Hammock who was named Outstanding Player and Super Spiker, and Katie Riutcel who earned Most Powerful Hitter and Most Inspirational Player.

The highlight of the season came when the ladies were voted Team of the Week by the sports writers and radio announcers of the Spokane area.

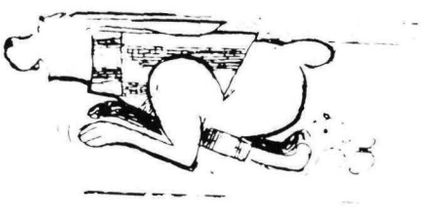


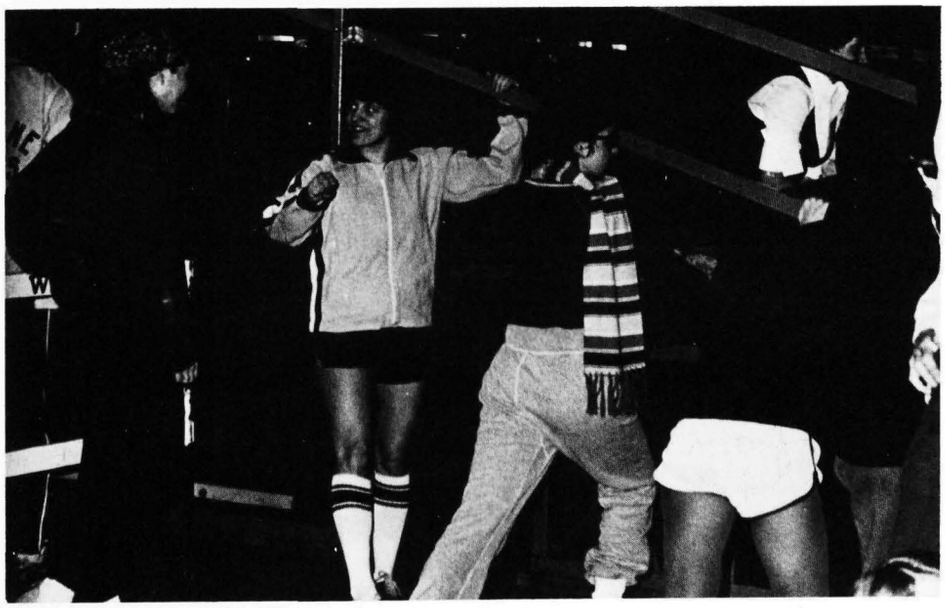


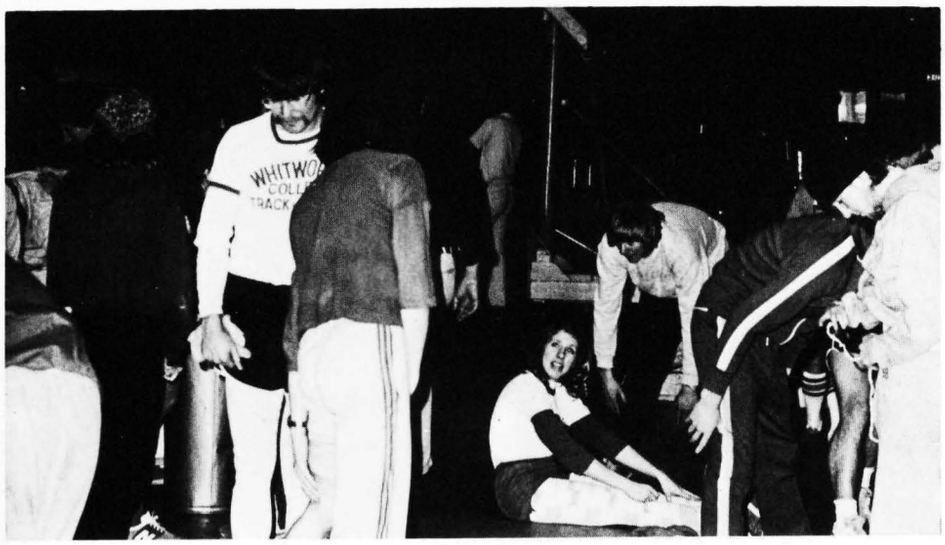
Junior Varsity Volleyball

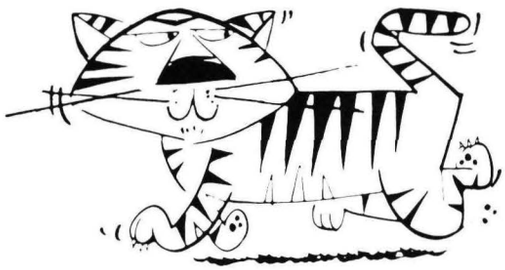
Track

Track season had not officially started when the yearbook went to print. At first turnout, there were 80 students. This season should be a good one.







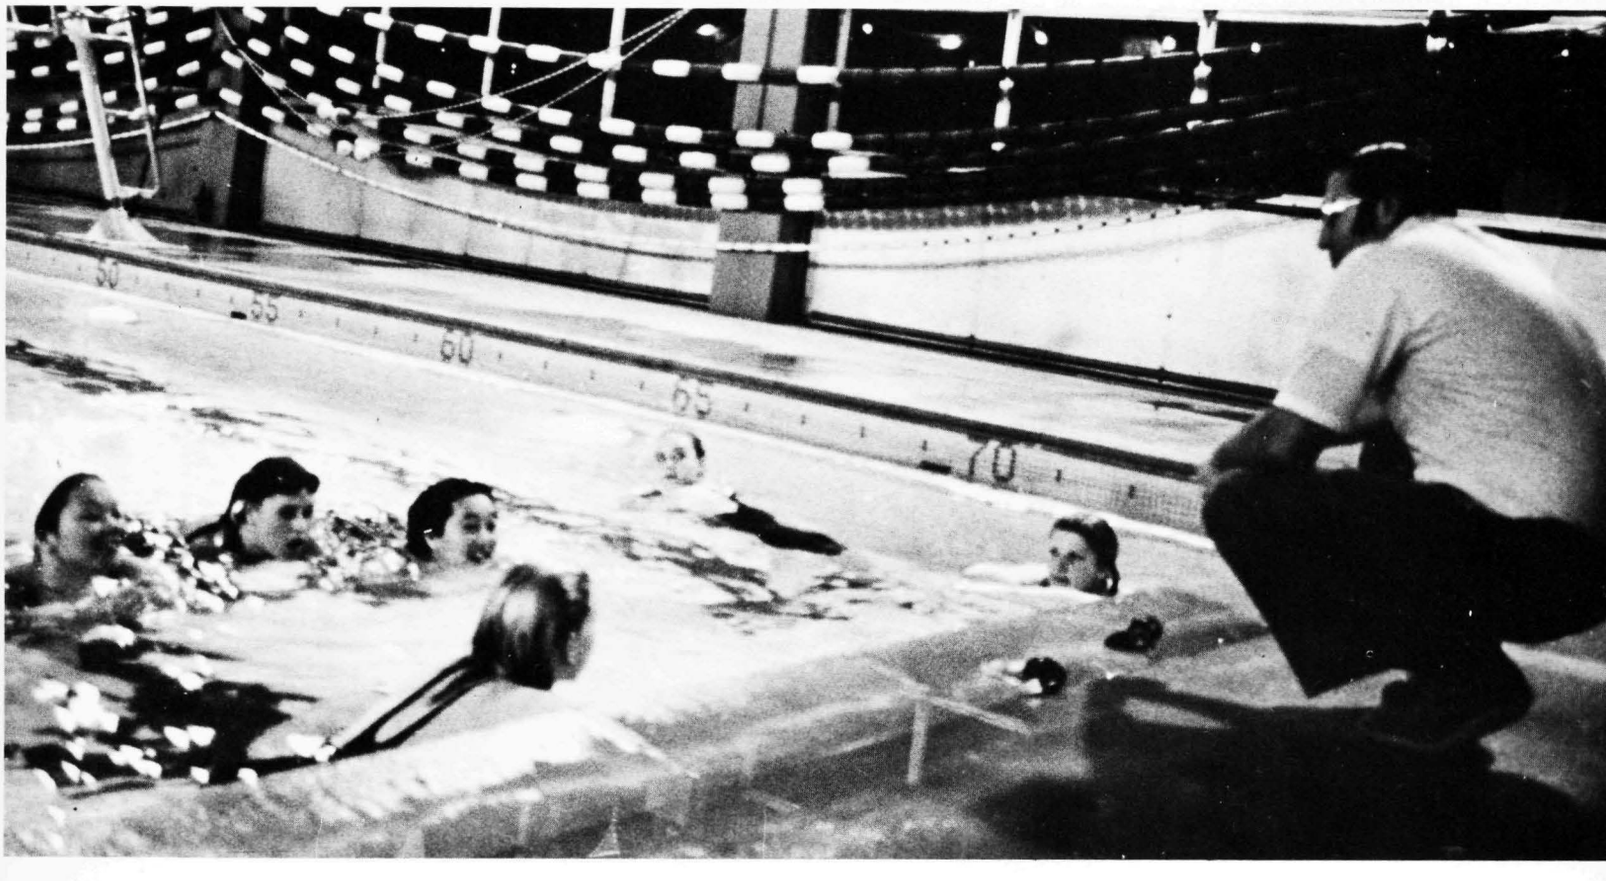


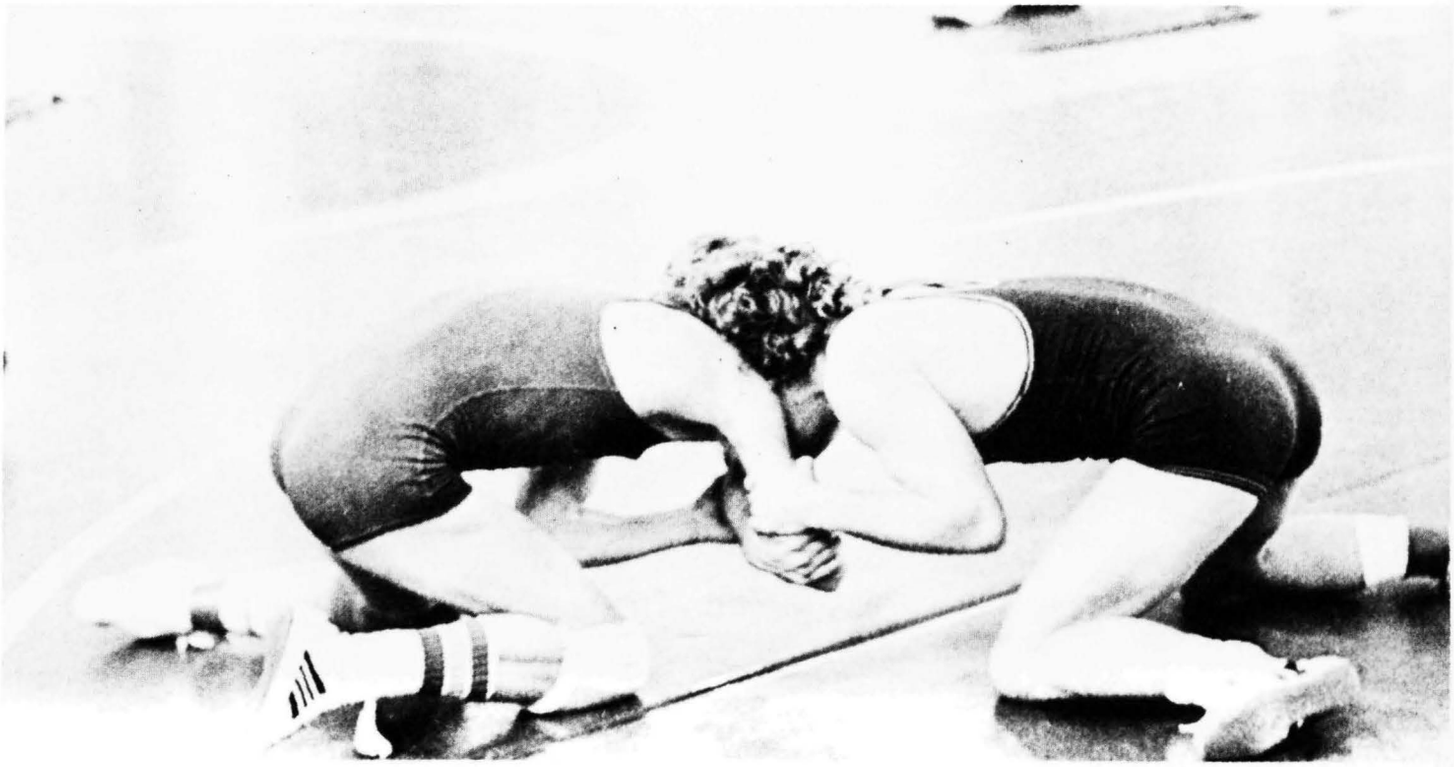
Soccer

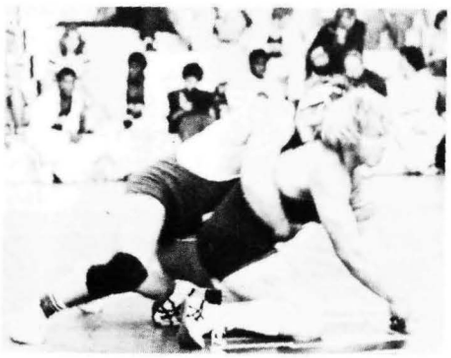
The soccer club of Whitworth gained much experience during the year. They played teams like P.L.U., W.S.U., Gonzaga during their losing season. The team showed a lot of spirit during the tough season. The Captain Steve Benz and co-captain Steve Weber were the core of the hard-working team.

Swimming

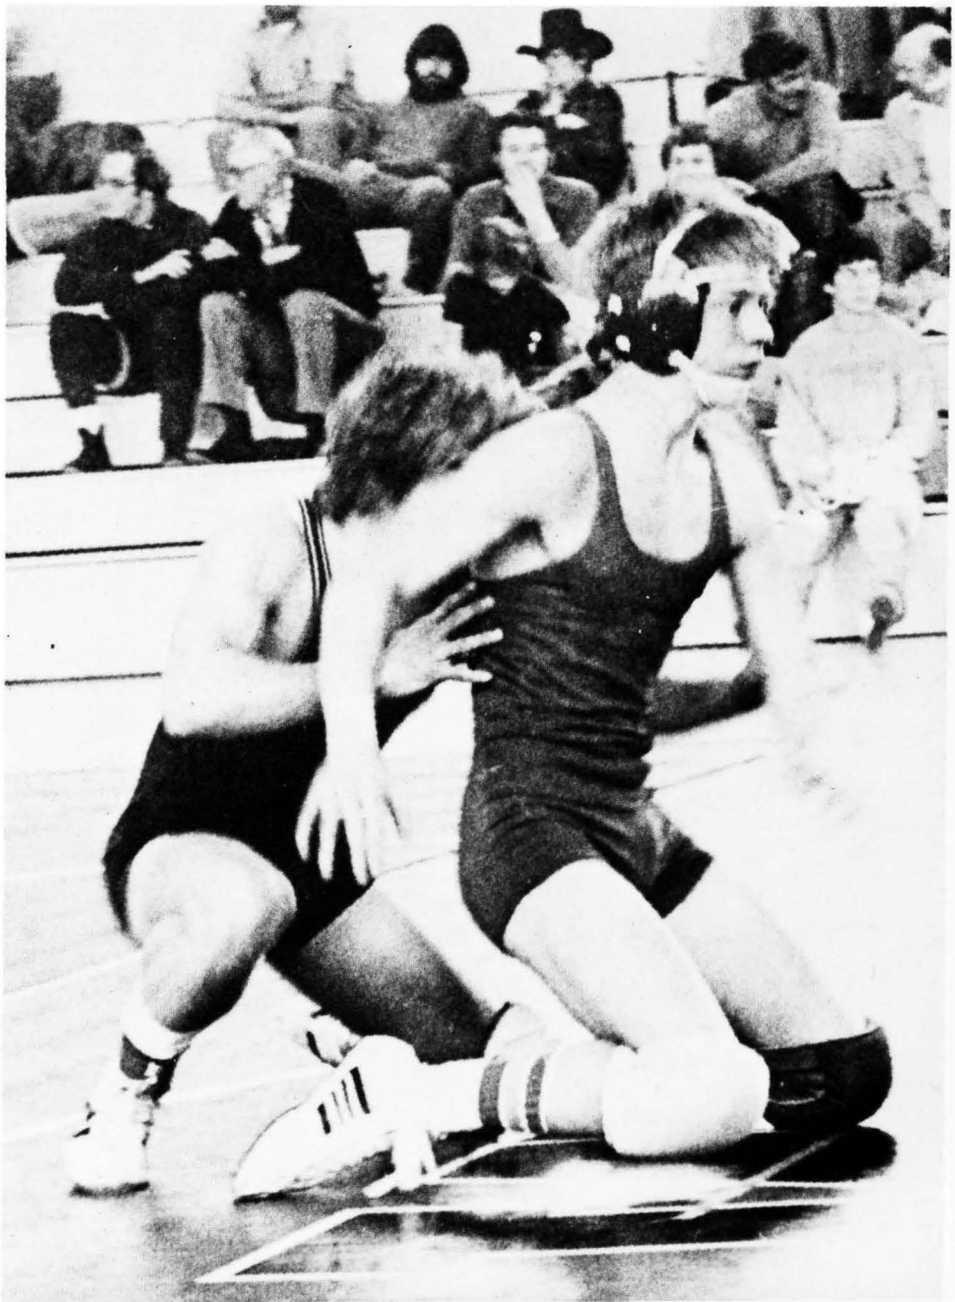
Whitworth's swimming team enjoyed a series of outstanding close dual meets during the 1978 year. Coach Harvey stated he was real happy with the team and said the team was "extremely dedicated." The men took 4th at conference with the women grabbing 3rd at conference. The women also placed 3rd at the Lewis and Clark relays in January. The 3rd place for women was the best in the history of swimming at Whitworth. Monica Kitayama swam to two 3rds at conference. Harvey named Bill Reed as the most improved swimmer on the team and Dean Freeman was also a key factor for the men. Harvey credited the team with giving 100% and said with only one senior, the team has lots of potential.

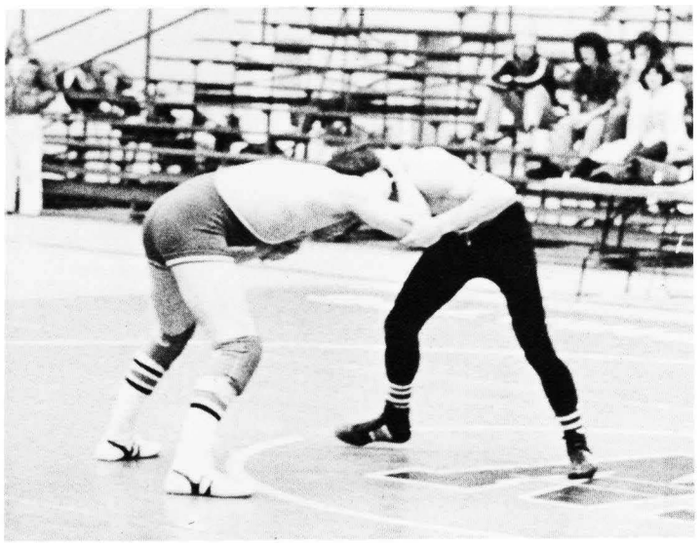


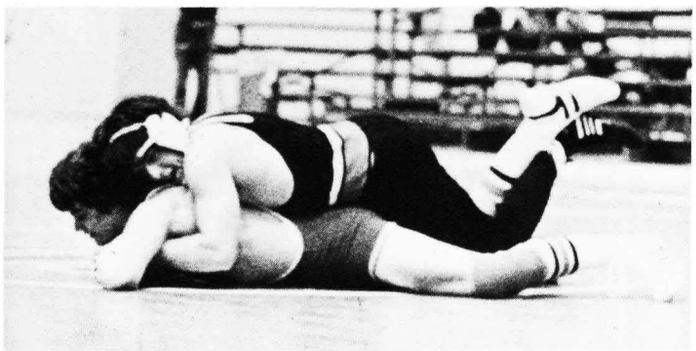




Wrestling





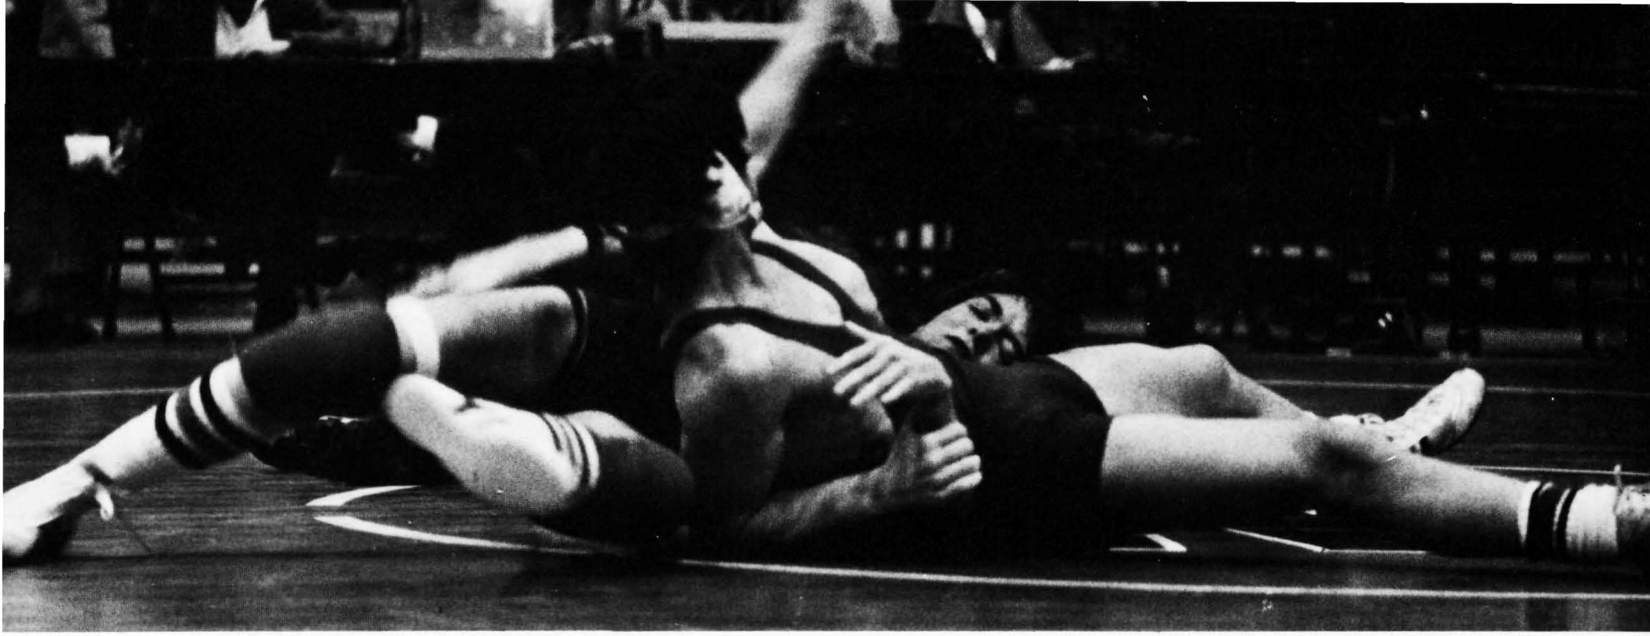


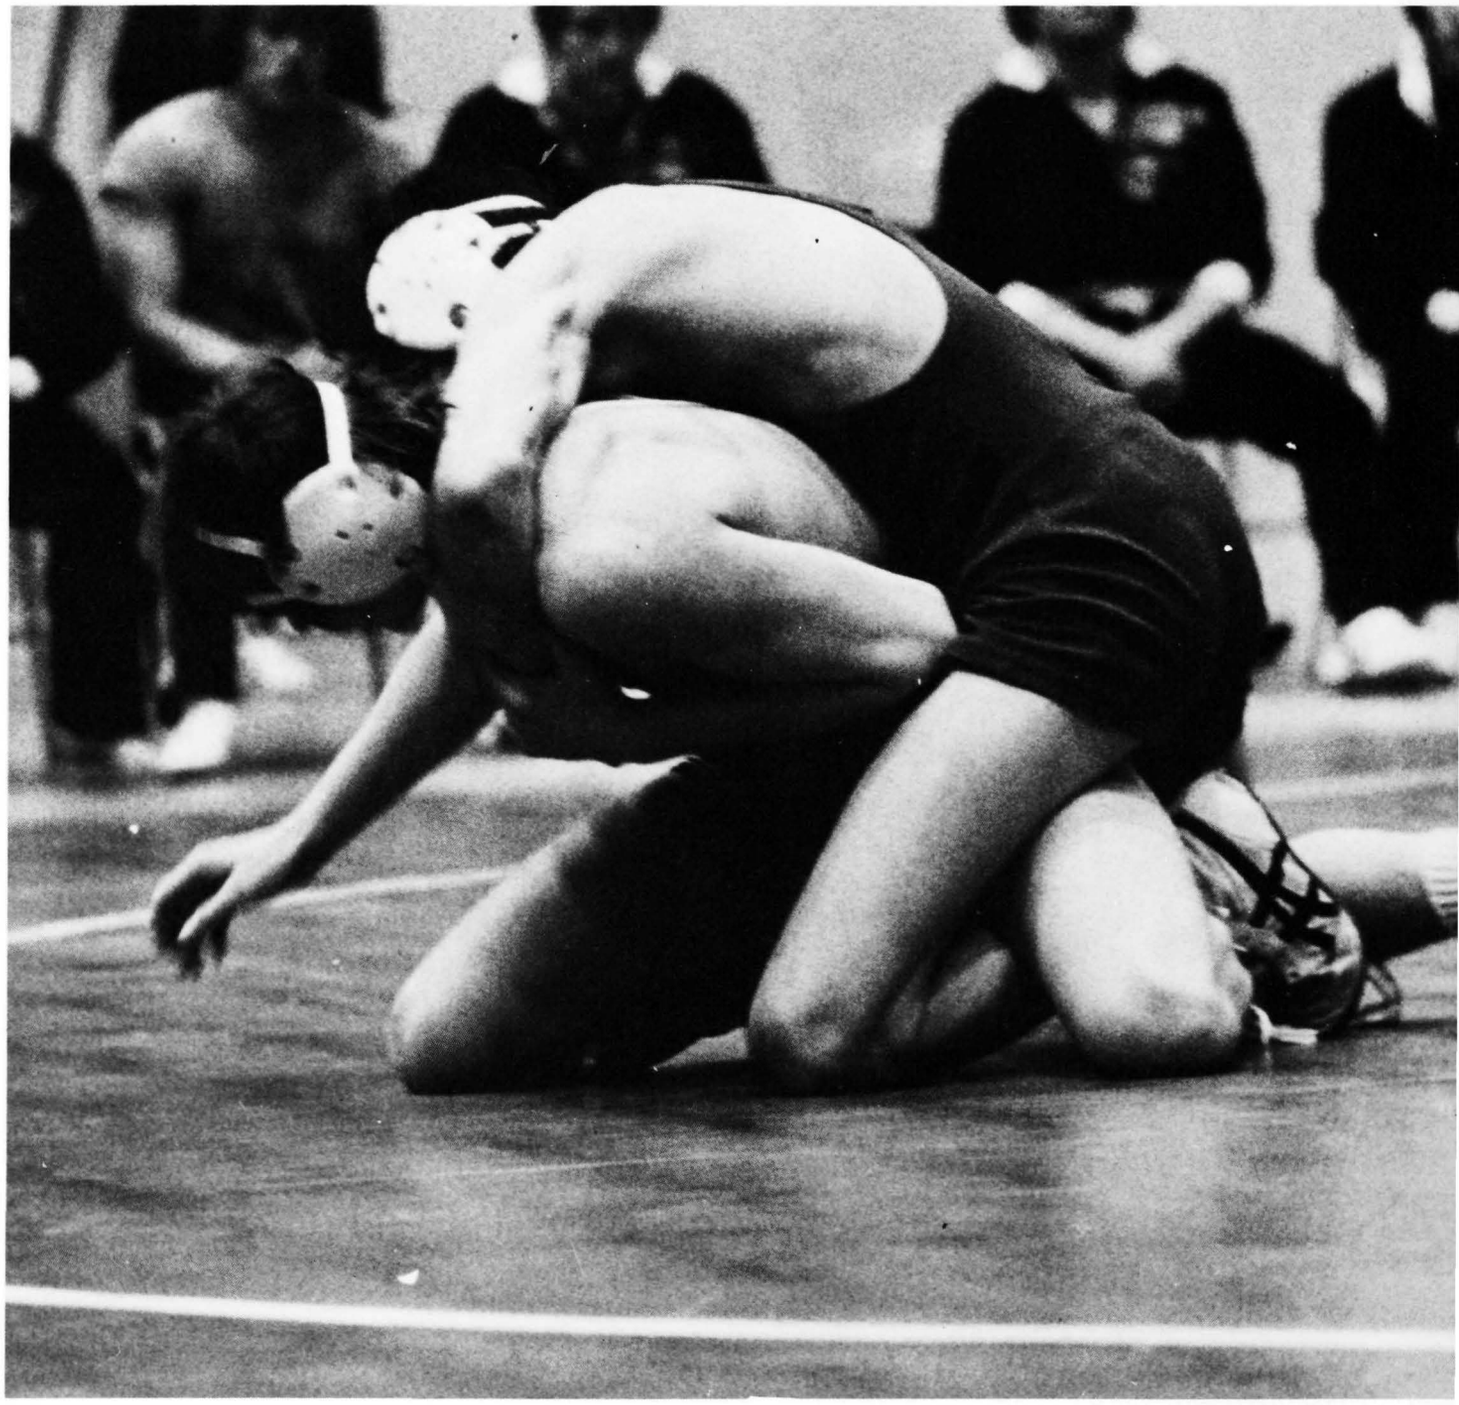
Wrestling

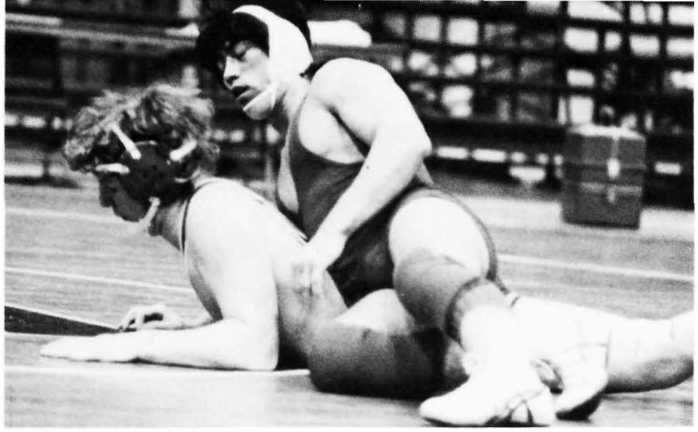
The 1978 Pirate wrestling team had an improving year, culminating with the qualifying of four Whitworth wrestlers for Nationals. Mark Johnson and Paul Miller both placed second at conference with the team taking a disappointing 6th place. Coach Lenny Davidson had hoped for a 4th place showing but missed it by only a few points.

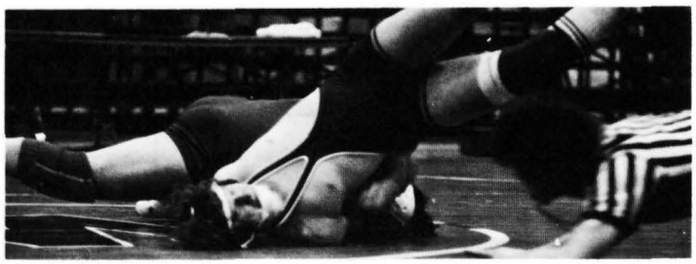
The Pirate grapplers dual meet record was a respectable 6-6 with a solid finale performance against Western Montana, defeating the Montanans soundly on the league mats. First year Coach Davidson was pleased with his teams improvement and called this year's team a bunch of "pretty gutsy guys.'

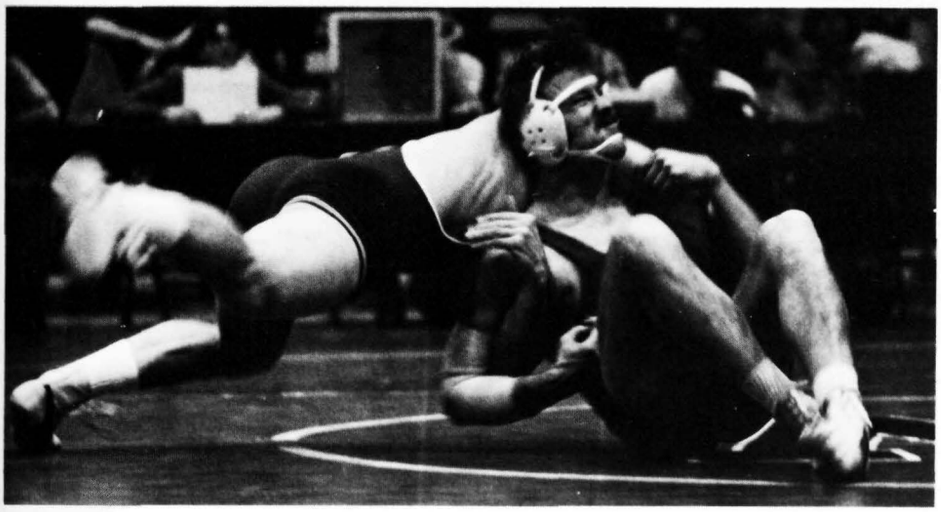
Injuries plagued the Pirates all year with Senior Tom Harmening being out two months with a dislocated elbow and Doug Balandis suffering numerous injuries. A sprained ankle kept Balandis out of competition at Conference. Harmening and Kirk Brown took 4th place at Conference. The Pirates placed 2nd at the Whitman Invitational and 4th at the Willamette Invitational to round out a fine year.

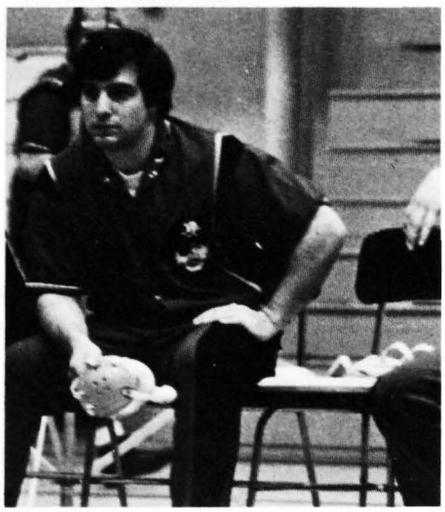


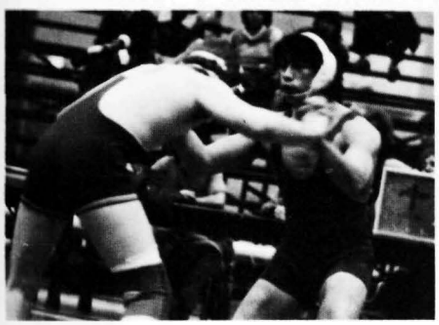


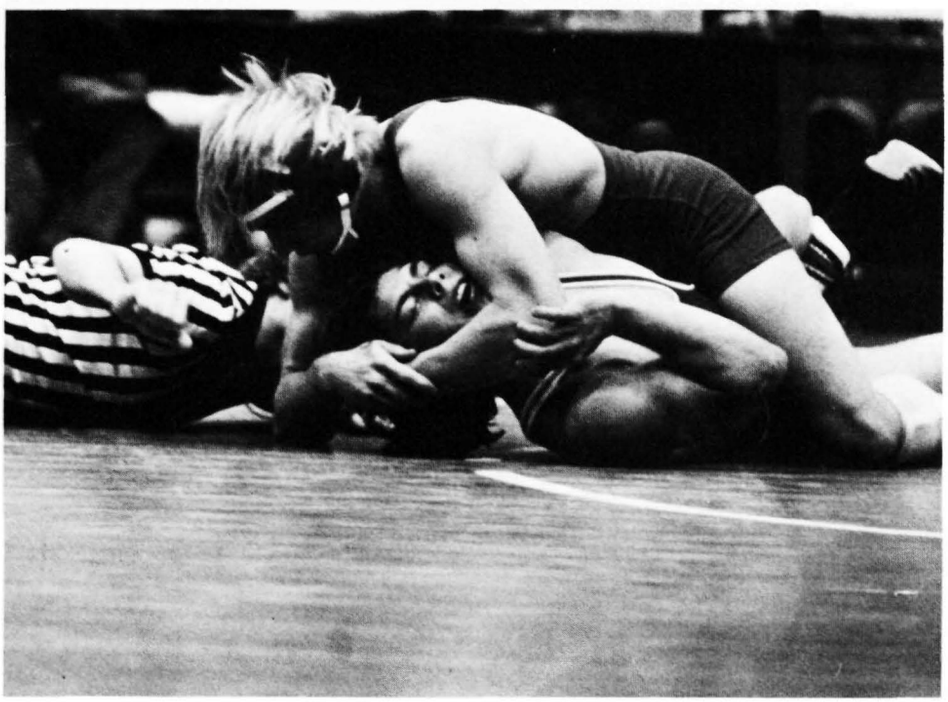












Varsity Basketball Team Splits 7-7 League

Second year coach, Dave Manley, led the 1977-78 team to a 10-16 season; splitting in league play 7-7 and gaining fourth place in the conference. The Pirates split five league contests, won two over College of Idaho and were defeated twice by Pacific Lutheran University. The high scoring game of the season appeared at Pacific University as the team tallied 100 points. Returning lettermen were Mike Jarrett, Ron Heidenrich, John Hodge and Todd Frimoth. The middle of the season proved to be a highlight with a five game win streak including a 91-90 victory over co-champion Linfield College. Senior Mike Jarrett had 384 points for the season. Dwight Phlugrath was second with 314 total points averaging 12.6 to a game. Graduating senior Ron Heidenrich went to the hoop for 302 points and 11.6 per game. Junior John Hodge snagged the most rebounds with 190 while Heidenrich led in assists with 190.

J.V. Cagers Finish 9-11

The Junior Varsity Basketball Team, coached by Jeff Webster, completed their 1977-78 season 9-11. Glen Williams was the most outstanding player with 272 total points from 110 field goals and 52 free throws. Williams averaged 14.3 points per game. Mickey Hatley gained 67 turnovers and went 70.5% at the line. Alan Hicks had 54.1% stand in field goals. Rich Waterman grabbed the most rebounds with 160 while Ed Riley had the most assists with 97. Mark Hansen proved to be a very inspirational teammate.

Cagers Complete Winning Season

At the time of this printing, the Basketball team was going to the Regionals with a Conference record of 8-0 and an overall season of 13-9. Coach Jean Anderson commented on the cohesiveness of her students, who have built up to a solid winning team. High scorer of the season was Meredith Jung, top rebounder was Kivonne Tucker, and best free thrower was Lori Lund.

Cheerleading 1977-78

Due to some early commitment and aroused problems, the 1977 fall cheerleaders were succeeded by the junior varsity squad. The J.V. cheerleaders took over on November 5th and continued through the basketball season. These cheerleaders were Cindy Hubert, Sue VanPolen, Mary Kelly, Denise Bower, and Laura Cooper. The advisor was Mrs. Linda Caroline.

Intramurals in a big part of the students' life at Whitworth. There is not a Sunday afternoon where you won't fine some intramural activity going on. There is football, basketball, chess, volleyball, pool, floor hockey, softball, badminton, and others.

Celebration

President

Visitors to my office often notice an oil painting on the wall and comment upon how striking it is. What is especially intriguing to them is the juxtapostion of images not usually associated together. Dominating the picture is the figure of the man, Christ. In his left hand, outstretched with palm open and upturned, is a tiny space-suited astronaut. His hands are raised in praise and adoration as he looks up into the face of Christ. A shaft of radiant light links their faces. Christ's right arm also is outstretched and appears to be beckoning the astronaut on into the universe. In the background are representations of planets.

The picture for me, symbolizes much of what we are about at Whitworth. It symbolizes the lordship of Christ; the undergirding hand; God of earth; God of man and space. Yet, the right hand is where we sense a powerful idea! Humankind (represented by the tiny astronaut), is being called forth towards new vistas, new capabilites, new learning, new horizons.

Life in the Whitworth College community seeks to fulfill this kind of vision.

This year, the college choir toured Oregon and California. The choir performed fourteen concerts, including one at Disneyland. Members usually stayed in homes of local church families. According to Brian Gundry, "It was a good opportunity to minister God's word through song."

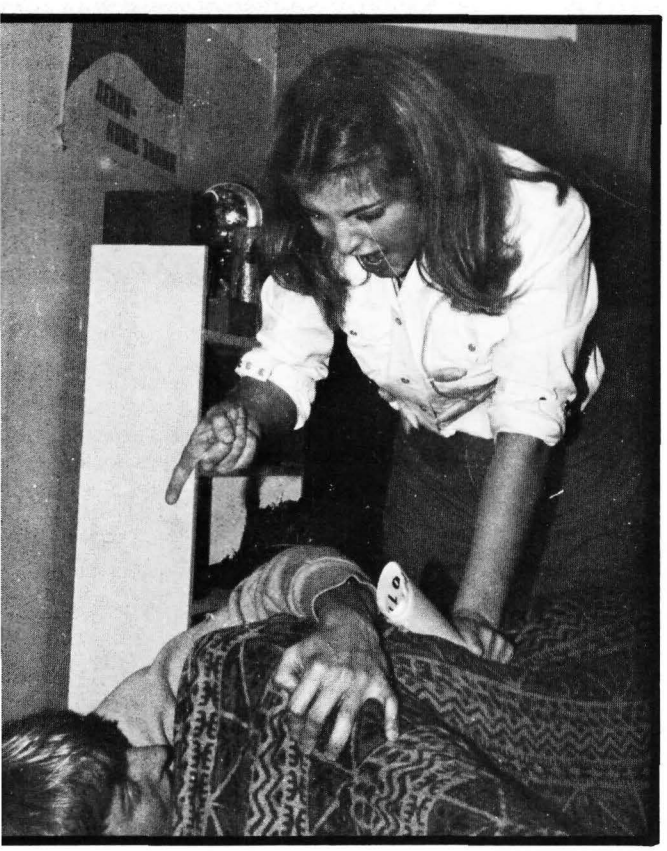
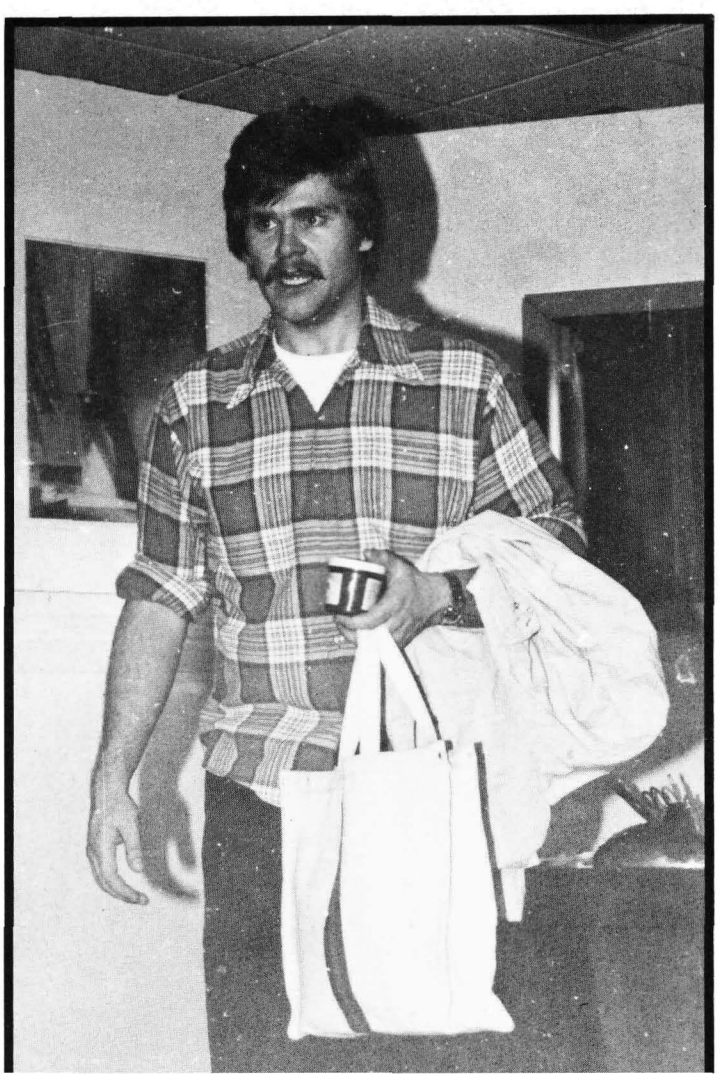
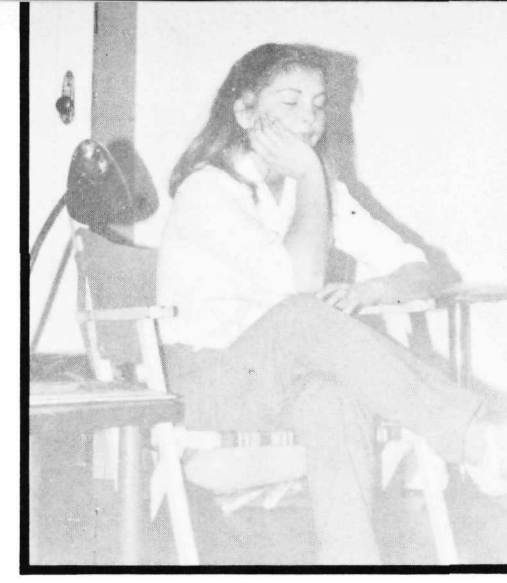
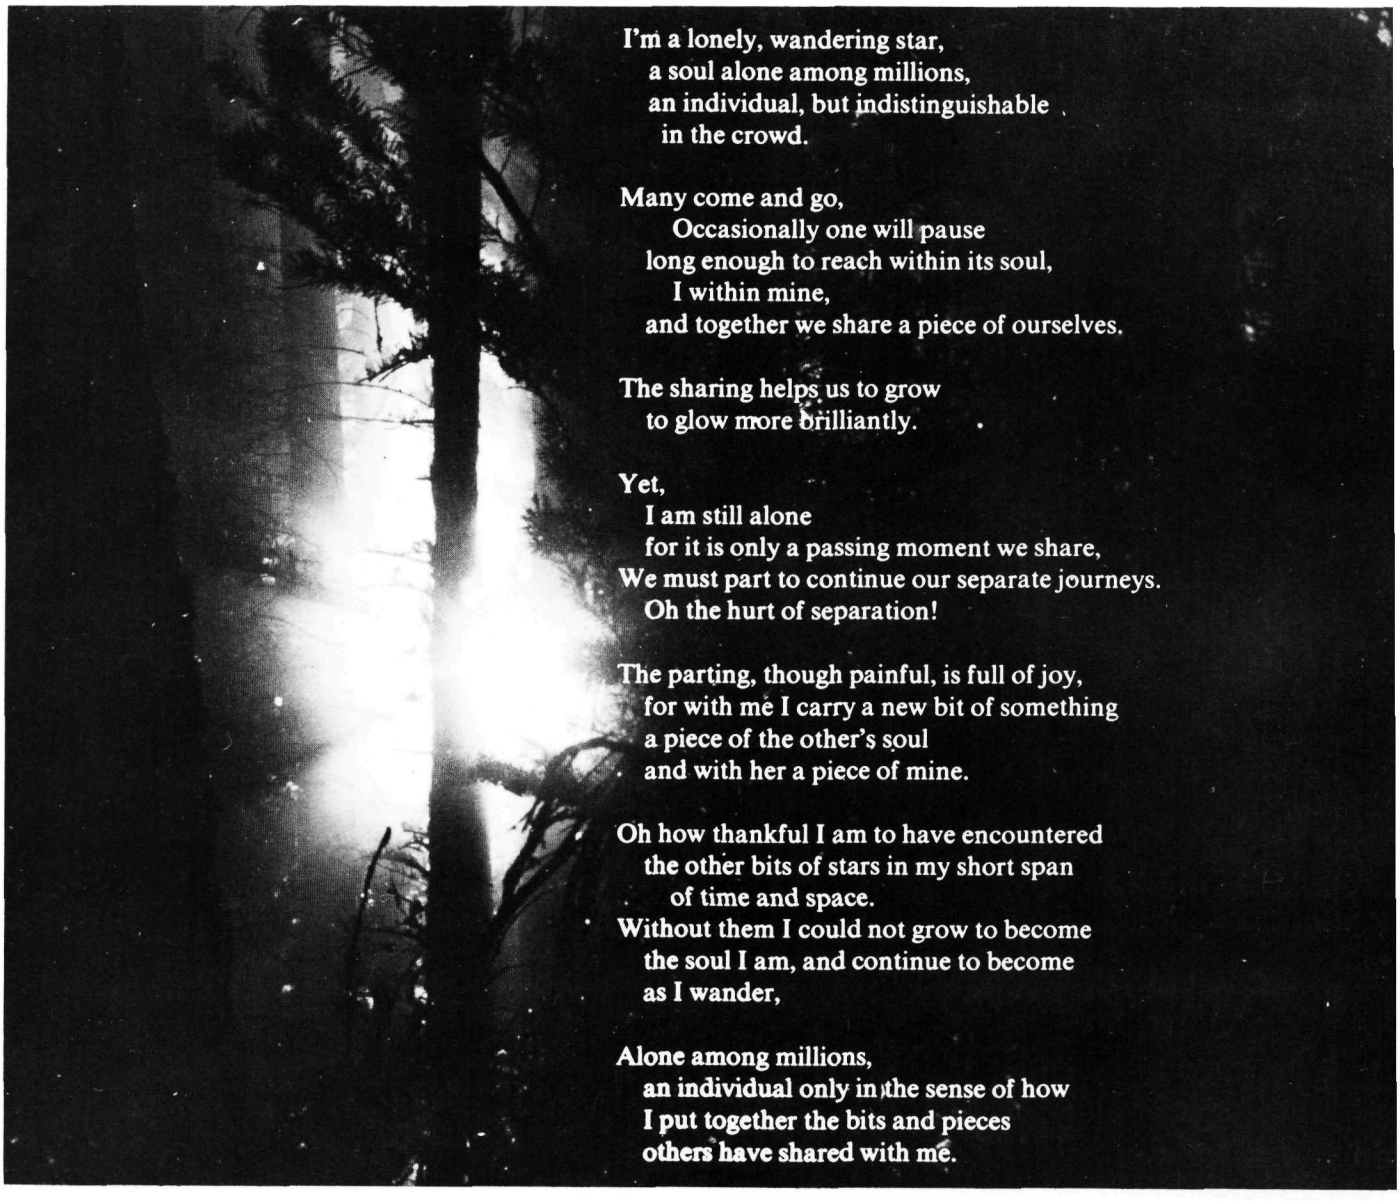
"The Glass Menagerie"





The End





I'm a lonely, wandering star,
a soul alone among millions,
an individual, but indistinguishable
in the crowd.

Many come and go,
Occasionally one will pause
long enough to reach within its soul,
I within mine,
and together we share a piece of ourselves.

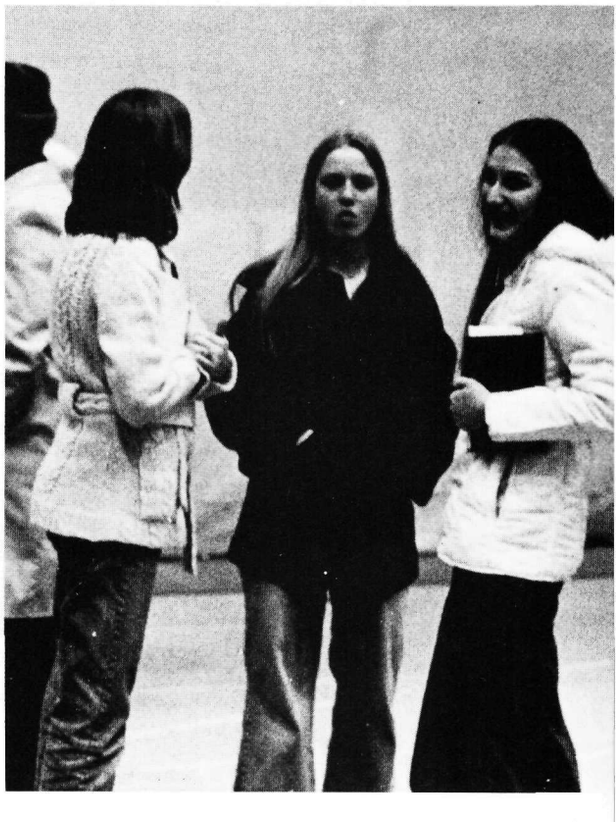
The sharing helps us to grow
to glow more brilliantly.

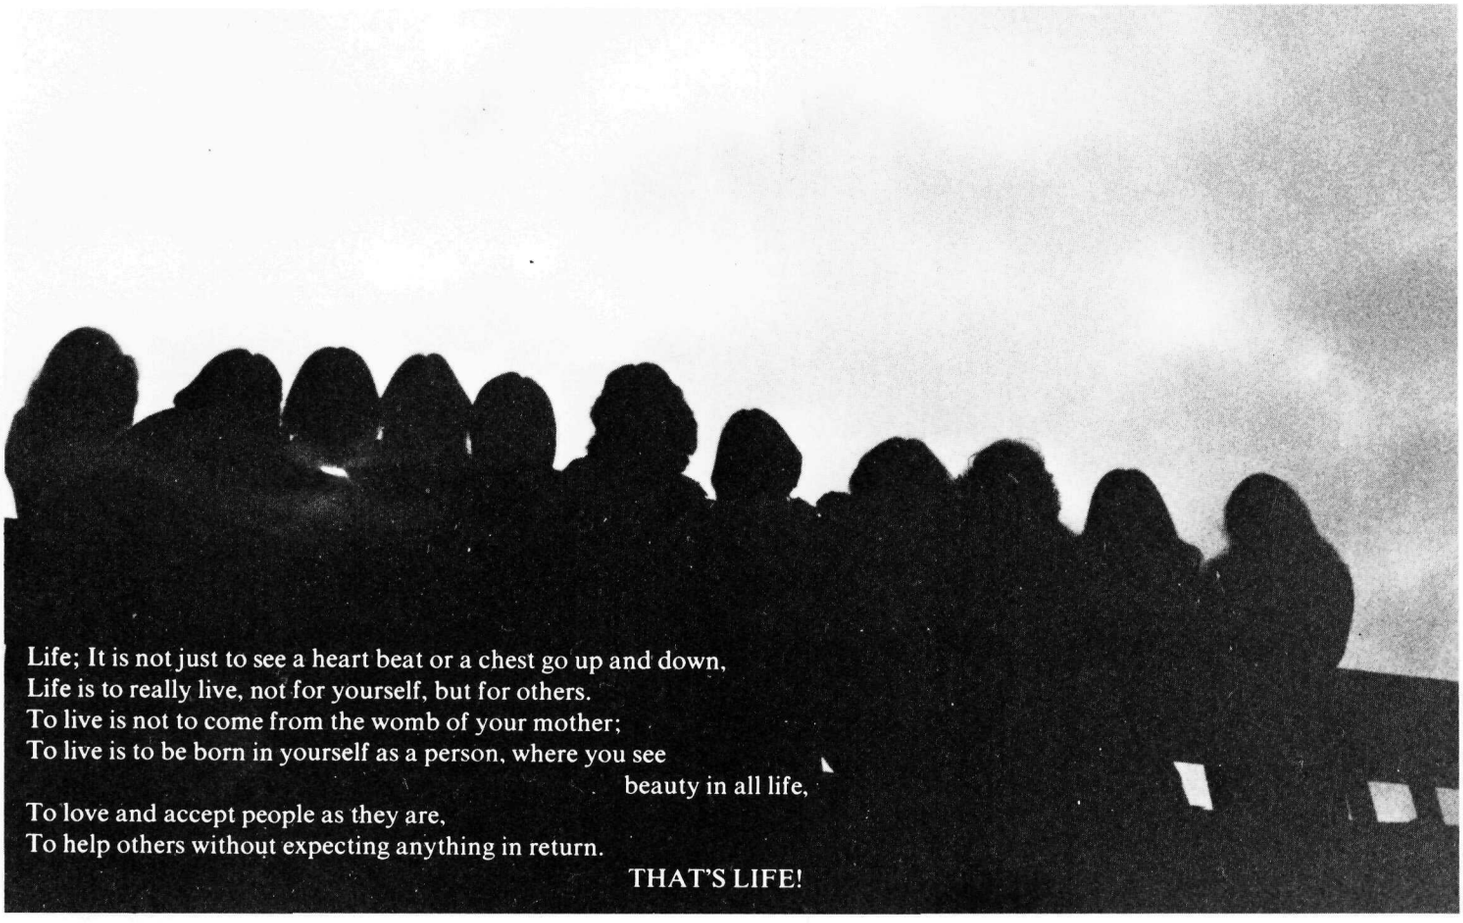
Yet,
I am still alone
for it is only a passing moment we share,
We must part to continue our separate journeys.
Oh the hurt of separation!

The parting, though painful, is full of joy,
for with me I carry a new bit of something
a piece of the other's soul
and with her a piece of mine.

Oh how thankful I am to have encountered
the other bits of stars in my short span
of time and space.
Without them I could not grow to become
the soul I am, and continue to become
as I wander,

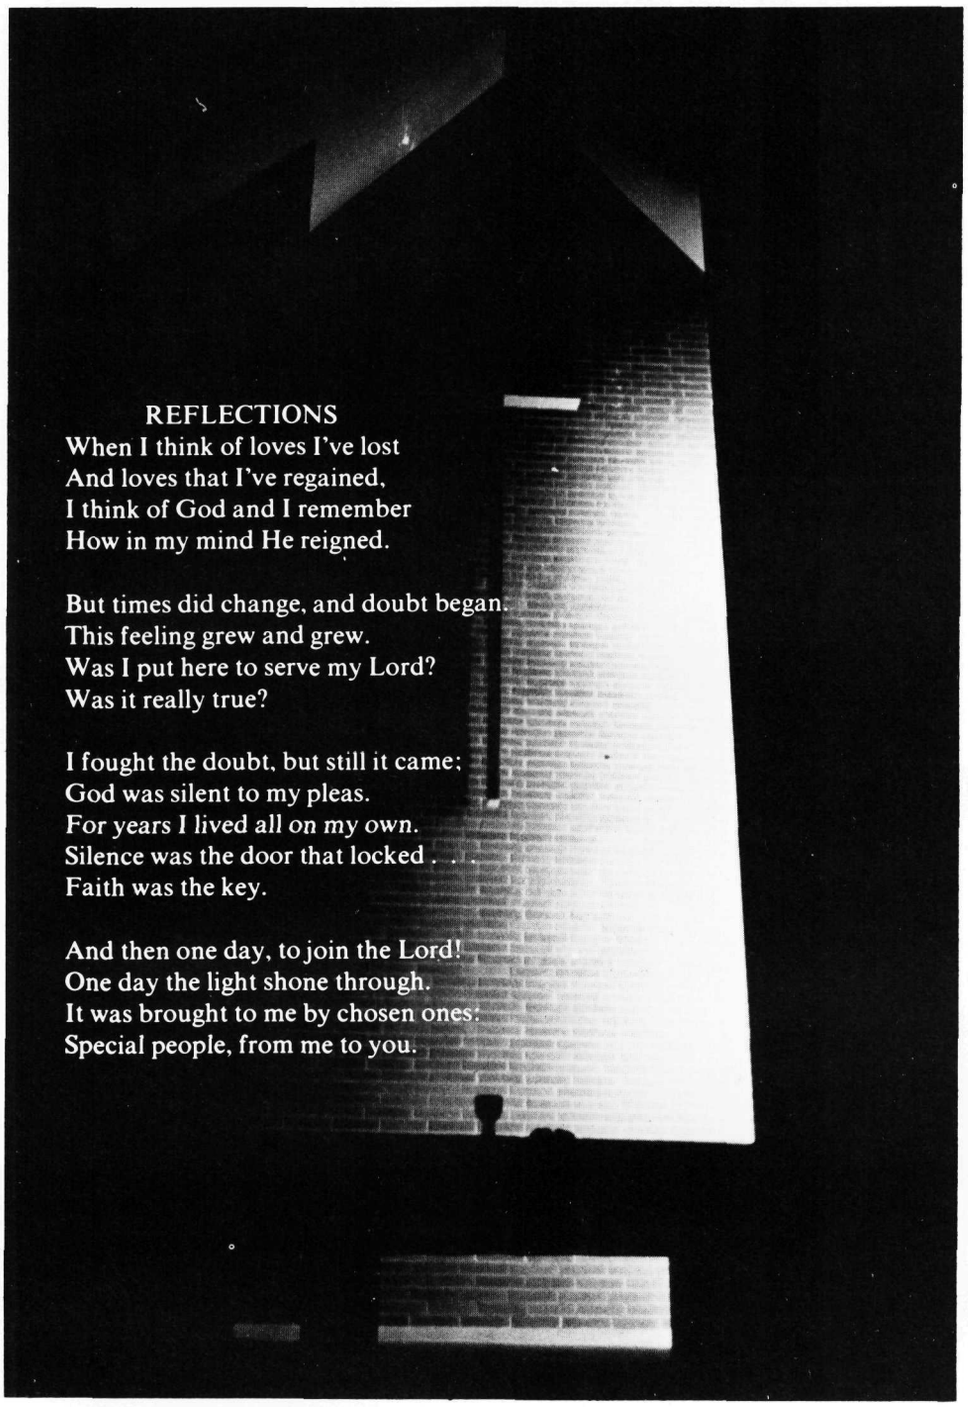
Alone among millions,
an individual only in the sense of how
I put together the bits and pieces
others have shared with me.





Life; It is not just to see a heart beat or a chest go up and down,
Life is to really live, not for yourself, but for others.
To live is not to come from the womb of your mother;
To live is to be born in yourself as a person, where you see
beauty in all life,
To love and accept people as they are,
To help others without expecting anything in return.
THAT'S LIFE!

The Spirit
race
plays
sweeps
thru the trees and leaves,
Cleansing the pines
it rains pine needles.
Each leaf and needle
holds onto the twigs from which they sprouted.
The Spirit
finds them all
as it finds lost sheep
Pushing each one out to
fly away and race with its skin
to the ground.



REFLECTIONS

When I think of loves I've lost
And loves that I've regained,
I think of God and I remember
How in my mind He reigned.

But times did change, and doubt began.
This feeling grew and grew.
Was I put here to serve my Lord?
Was it really true?

I fought the doubt, but still it came;
God was silent to my pleas.
For years I lived all on my own.
Silence was the door that locked . . .
Faith was the key.

And then one day, to join the Lord!
One day the light shone through.
It was brought to me by chosen ones;
Special people, from me to you.

The Last Page

The last page of a good book
is always the hardest to read.
The last page of an empty book
is always the hardest to fill.
So many thoughts,
so many feelings,
so many dreams,
all I want to share
to tell you the ones that have been
and reasons why others did not.

A lot has happened between
all of us.
We've grown together,
cried together,
laughed and shouted with joy
together.

Sometimes I dream good moments last
forever.
I dream beautiful feelings stay with me
for eternity.
I want to dream this page is just
the beginning.
