While You See A Chance ~ Take It

## SPOKANE, WASH.

### 1984 NATSIHI

### GO FOR IT!

*In reminiscing through the past year, I feel that students were challenged in an unlimited capacity to expand their lifestyles. In our community of equal creation and free will, lies the chance to see the sights, explore new opportunities, develop into the person you always wanted to be, expand our knowledge, and to grow through enduring friendships and the spirit of Christ. If we are ever to enjoy life, now is the time. For we shall pass through this world but once. Any chance, therefore, we can take, let us take it now. For we shall not pass this way again. I wish to thank my staff, friends, and family for their cooperation in the making of this book.*

*Sincerely,  
Curtis J. Maier, Editor*

*Barbara Cornett*

*The Whitworth Volleyball team had an "up and down year," according to Head Coach, JoAnn Atwell-Scrivner. The Buc's finished the season with an overall record of 24-18, and a District record of 9-4. They placed third in league play behind Gonzaga and Lewis and Clark State. The Buc's played very well at times beating nationally ranked Warner Pacific and Univ. of Portland. The Buc's are losing two very fine seniors, Barbara Cornett and Patty Pearson. The two girls will be missed by the squad. The Buc's also received excellent play from the Junior All-American, Amy Haydon. She will be very valuable next season. Coach Atwell-Scrivner feels that next year's squad will be more experienced, but was pleased with the way the team ended the season.*

*A Pacific tackle is cleverly avoided by the Bucs offense.*

*The Fall of 1983 saw the Pirate football team attain its highest ever finish in Northwest Conference play, gaining second place with a 3-11 league record, 5-3-1 overall. It was a year that saw numerous Buc players and the entire offense either leading the nation statistically or ranked in the top six. Ten Seniors graduate, including six starters from the offense but only one from the starting defense. Milt Myers, Allen Martin, Randy Burkhart, Steve Rector, John Dorr, Scott Miller, Doug Larson, and Brian Stearns all compiled NWC, District I, and National records. Senior Quarterback, Milt Myers, was drafted by the Oklahoma Outlaws (USFL). Coach Grambo is looking forward to a great season next year.*

# CROSS COUNTRY

*Steve Dalberg sets the Pace in a grueling cross country meet.*

*Annette Hunt runs on for the Women's Cross Country team*

*The Whitworth Cross Country team participated in the NAIA District I Championship which was held at Whitworth on November 5, 1983.*

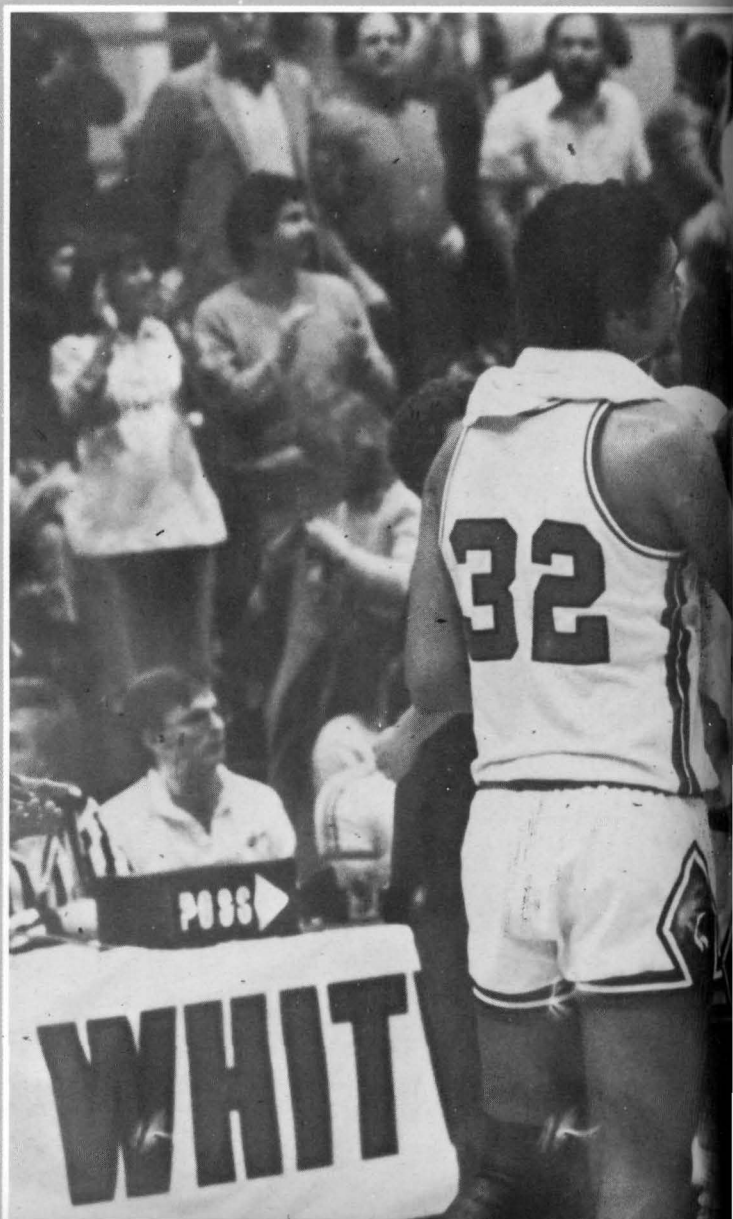

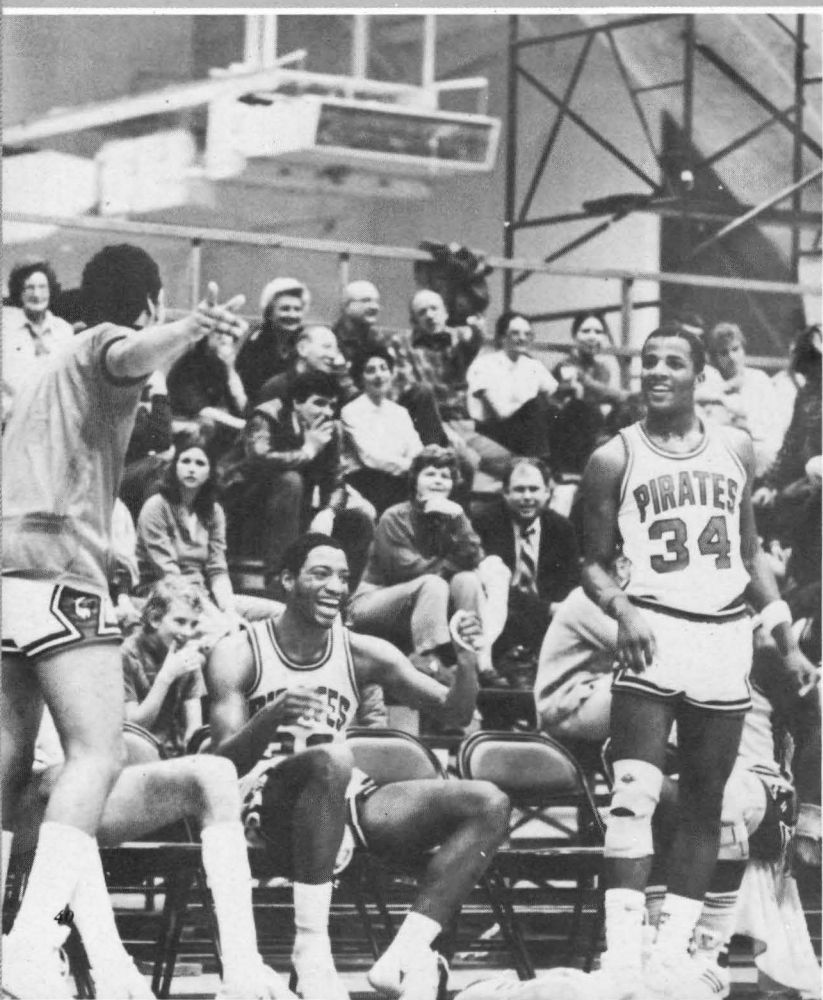

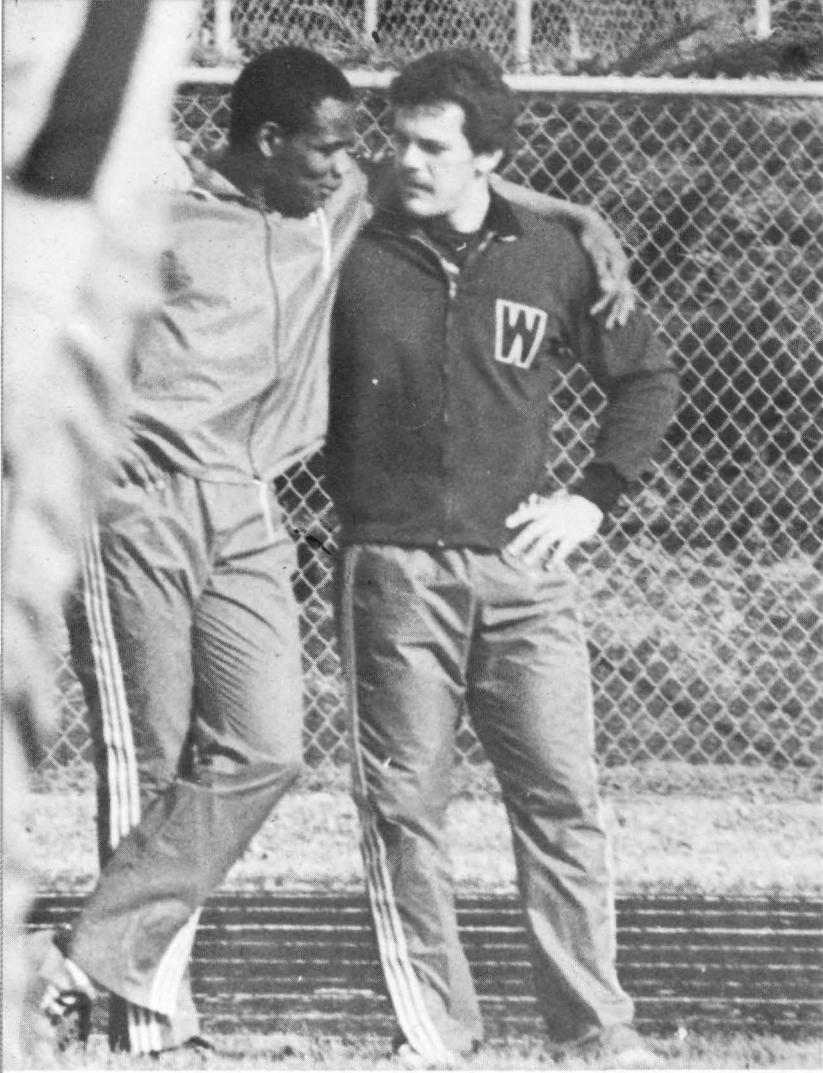

*In the men's race, Phillippe Coulon placed 32 with a time of 27:20. Steve Dahlberg (46) 19:14 and Clark Campbell (49) 29:36 also placed. Jon Priest was unable to run due to a stress fracture in his foot.*

*Carol Lewis placed 23 with a time of 19:50, Gwen Keiser was 43rd at 22:09, and Michelle Gildehaus took 44th at 22:09 in the women's race.*

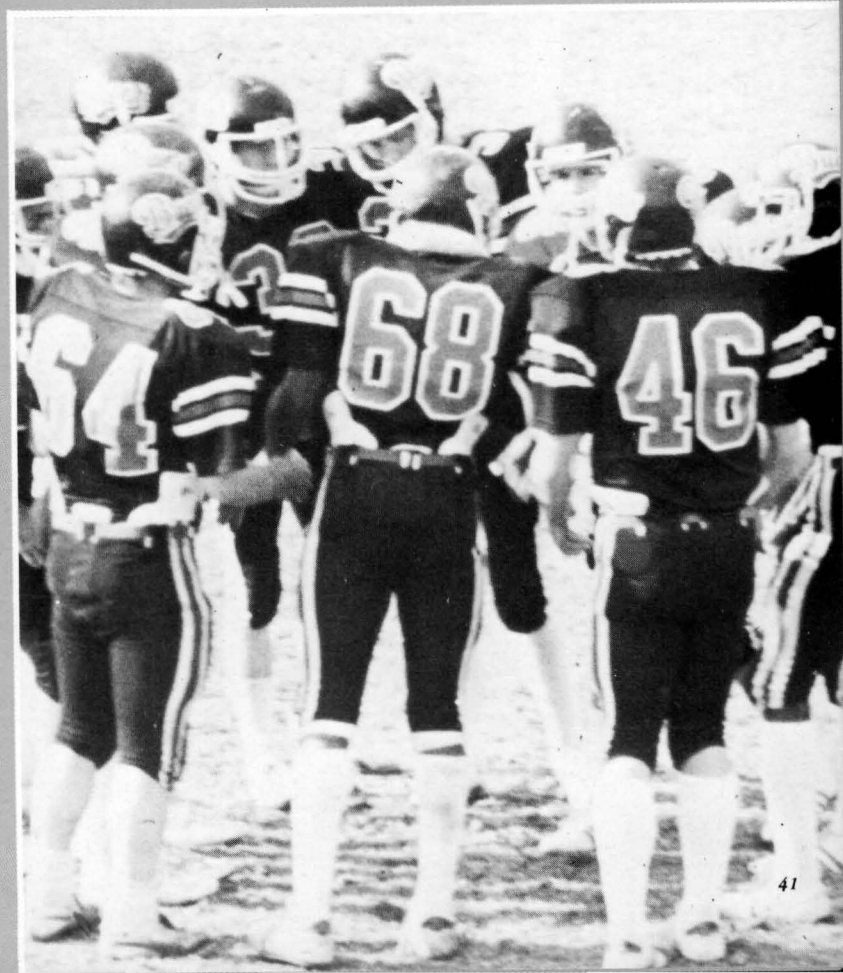

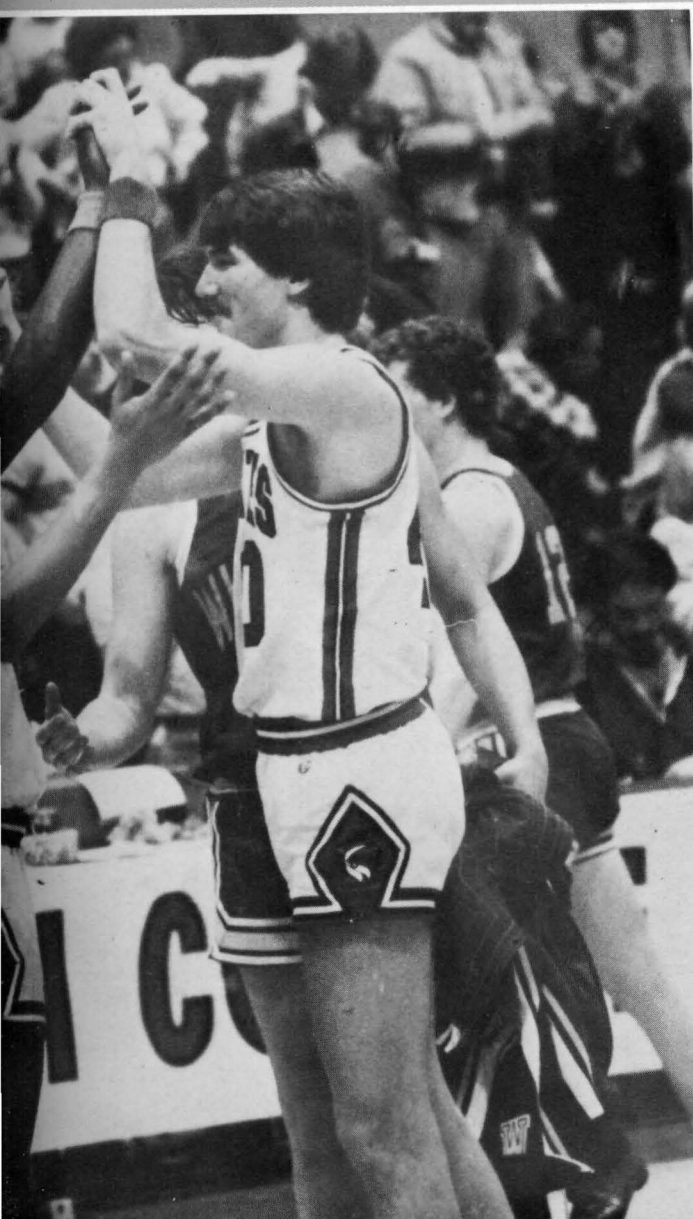

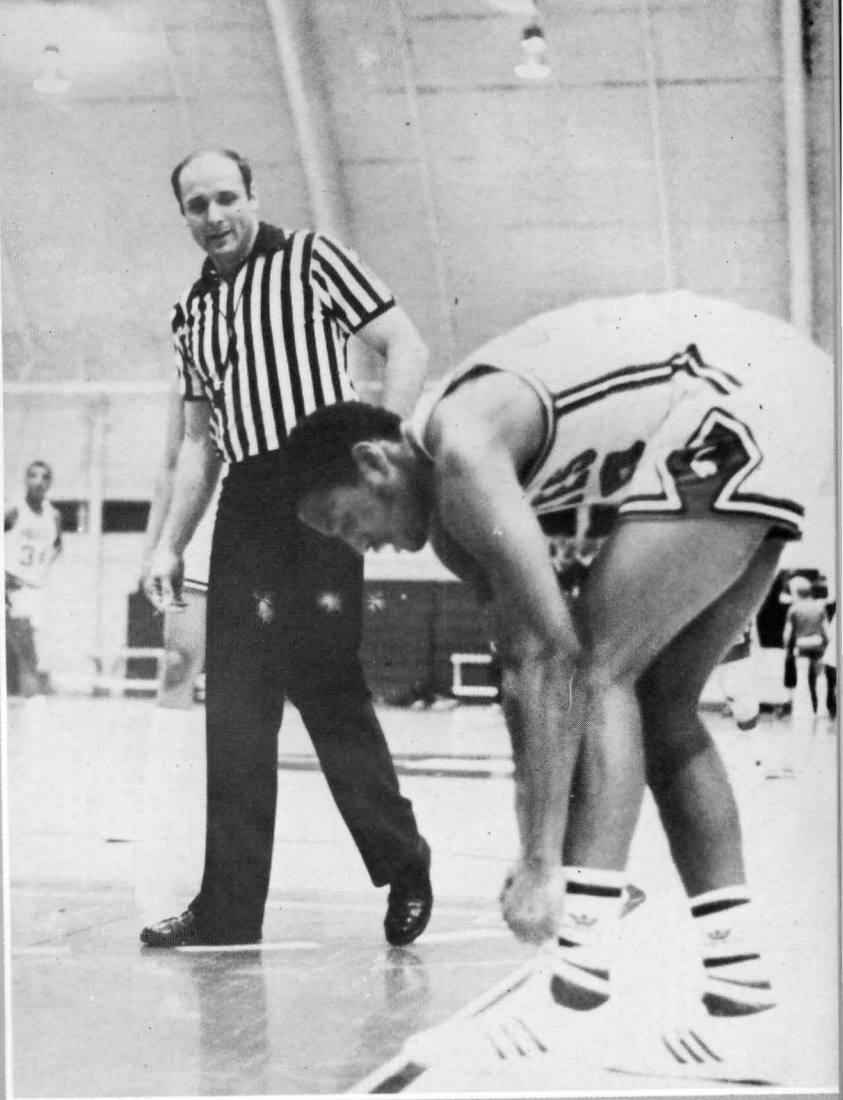

*Coach Hal Werner Commented, "I thought the race was very competitive and we provided a very good District meet for all."*

Dave Drinkard, Dave Benz, and Kent Ratcliffe demonstrate that Bue defense takes lots of practice to perfect.

# Buc Soccer Demands Respect

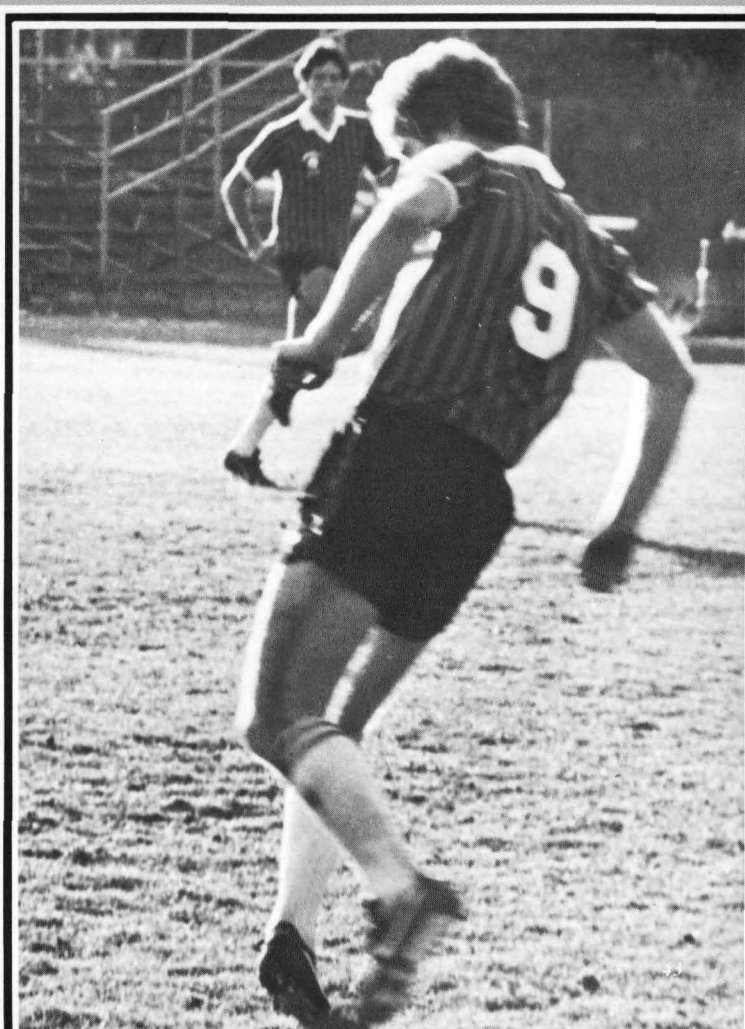

*With a 6-5-5 record this year, Whitworth's soccer team definitely proved to be "respectable," according to Coach Dick Cullen. Several injuries early in the season made it necessary to shift players and positions around, resulting in a slower start than was hoped. But in October, the tough defense led by Dave Hendrickx, Mike Taylor, Scott Vance, Dave Drinkard, Dave Benz, and Jeff Eilenstein emerged victorious, and the team took no defeats for the month. The Bucs succeeded in making it to the playoffs for District Championships, but were defeated by number one ranked Simon Frazier. The young team only had 1 senior playing this year, and with its aggressive defense and talented players, like top scorers Kevin Peck and Dennis Burke, the team holds promise for even greater future victories.*

*Marc Eilers and Scott Vance were part of the Bucs defense.*

*Jeff Eilenstein and Scott Vance seem to experience a run-in.*

# LACROSSE CLUB

*The Whitworth Lacrosse Club gained a tremendous amount of respect in the Whitworth community. This was the first year for the club in the Pacific Northwest Lacrosse Association. Club President, Brian McGuire, has been instrumental in promoting the sport at Whitworth. The club says Good Luck to its one Senior, Steve Frase.*

The Bucs captured their third straight Northwest Conference title finishing with a 10-2 record. Overall in '83-'84, the Bucs were 18-8, 15-6 vs. NAIA opponents. Of over 25 small colleges in the northwest, (NCAA Div. II, NAIA) Whitworth has the best win-loss percentage for the last three seasons. Whitworth finished in the top five nationally in team scoring defense and top ten nationally in team rebounding. As a team, the Bucs dominated their opponents in every statistical category in '83-'84.

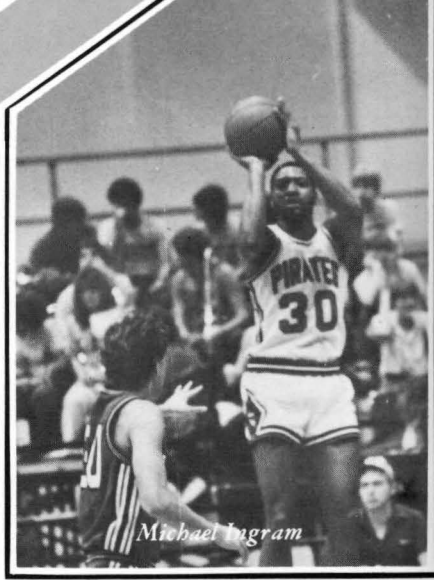

Bob Mandeville ended his four years career with 1,287 points and 408 assists. Damon Gill also ended his four years career with the Bucs. In the four years, the 6'9" center scored 689 points and grabbed 640 rebounds, Brad Meyers wore a Buc uniform for two years scoring 648 points and Kevin Simmons scored 565 points in two years.

*Although the women did not make it to the play-offs this year, they did end the season on a winning end and with the best record that the women have had in 6 years: 15-11 overall, NAIA 15-10, District I 10-0. The Lady Bucs had 3 games against Whitman, UPS, and Lewis-Clark State, and needed to win all of their games to have a shot at the play-offs. Unfortunately, the women went 2-1, losing to a heartbreaker against UPS.*

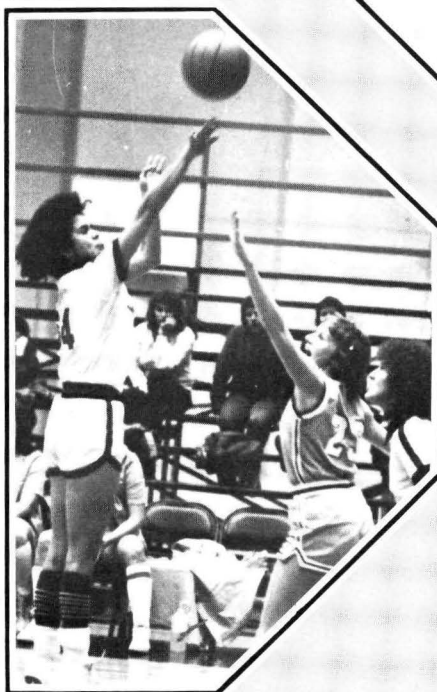

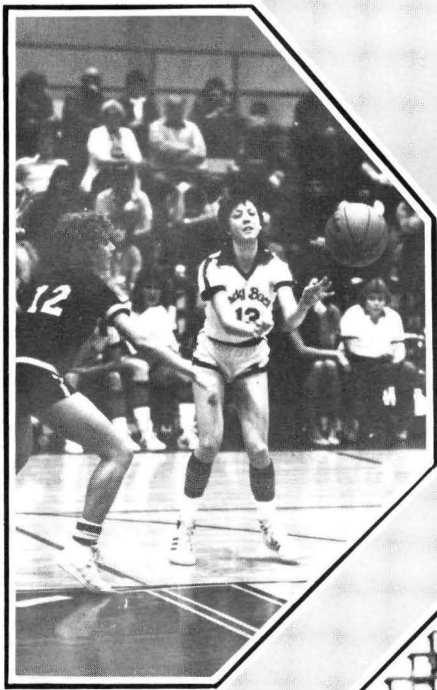

*Jennifer Tinkle will be leaving the Bucs after putting in her four years at Whitworth. Jennifer shot a total of 326 pts. (142-317, 42-90) giving her an average of 12.5 pts./game. She was also top rebounder this year with a total of 198 rbs. and chalked up 62 assists, 52 steals, and 22 blocked shots. As a team, the Bucs shot a FG% of .423 (682-1612) and a FT% of .609 (294-483).*

# TRACK

*At the time of publishing, the Whitworth track team was off to a running start. The team had already competed in several meets, setting new records for themselves as well as new track records. This year's team has several members returning from last year's team and is expected to land a place in the record books. The team should see strong performances from Carol Lewis, Scott Miller, Becky Enos, Steve Dahlberg, Don Latimer, Tommy Stewart, and Kim Toews. Several members of the team should reserve themselves a spot at the Nationals in West Virginia.*

# BASEBALL

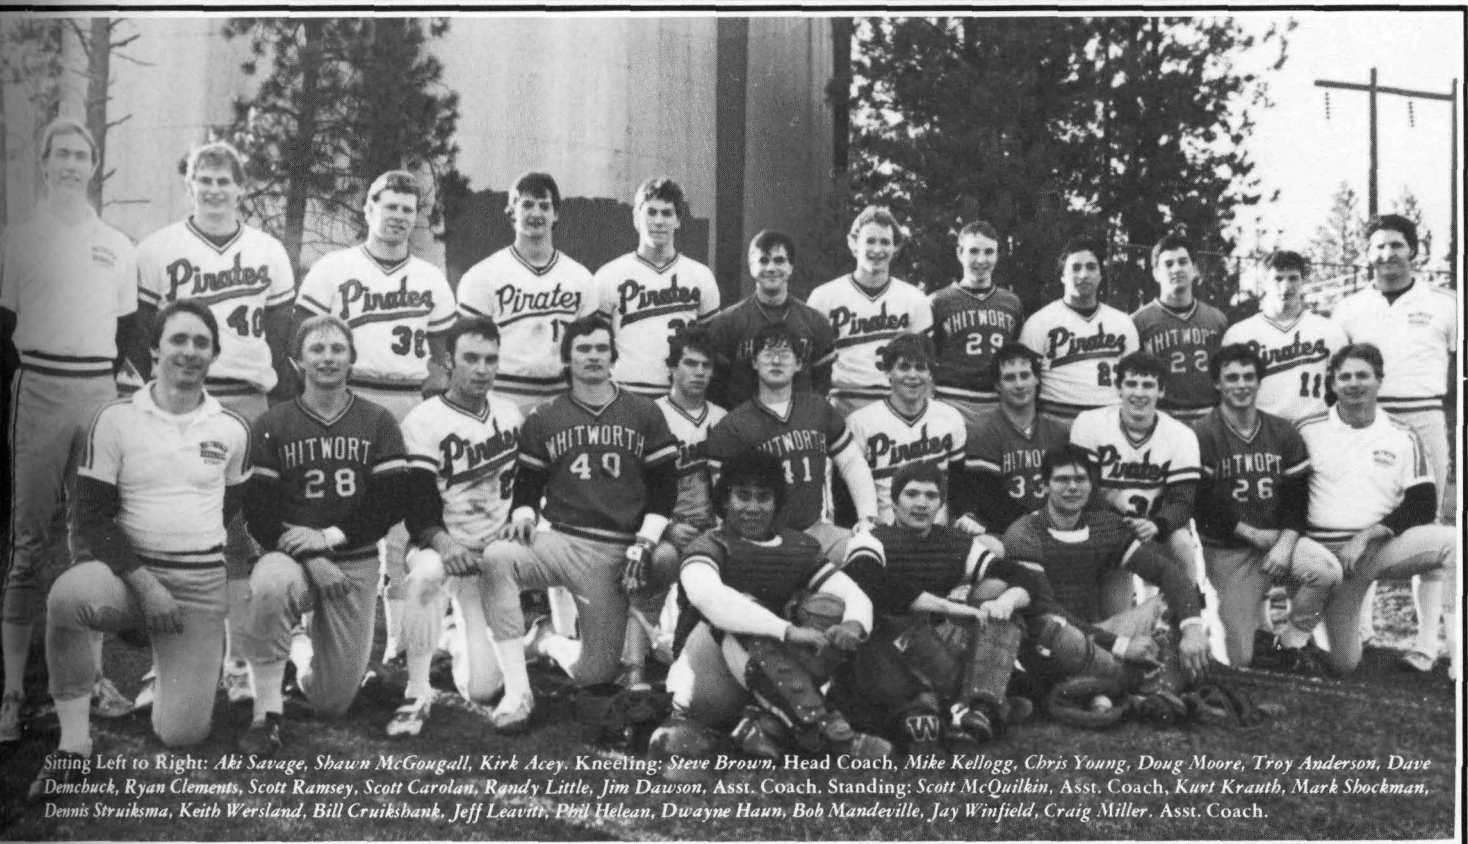

Last season, the Pirates finished second in their division to L.C. State and hope for a rematch against them at the NAIA World Series in Lewiston, Idaho. At press time, Coach Steve Brown was very optimistic about the team's chances to capture the Series. Brown attributes his optimism to the most talented team of Seniors that he has ever coached: Bob Mandeville, Kurt Krauth, Jeff Leavitt, Dwayne Haun, Scott Ramsey, Mark Shockman, Doug Moore, and Dan Robbins. Everybody is back from last year's near-record-breaking defense, the addition of new talent, and more depth offensively should place the Pirates near, if not at, the top.

*"A Journey in Acceptance" — The Weekend was a time in early October for faculty and students to escape the pressures of school and enjoy Christian fellowship and love. It was full of vigorous activities, such as rock climbing and hiking, as well as sedentary activities like sitting in the middle of Camp Spalding and enjoying the scenery. Don Williams was the speaker and gave witness to pertinent subjects. Everyone learned and had lots of fun too!*

*The Chaplains' office was a major assistance to the spiritual life of the campus students. Activities that continued throughout the year included Campus Worship every Sunday evening, Compline every Thursday evening, and Midweek Worship every Wednesday morning. These were times of fellowship, singing, prayer, and messages from God's Word. Special events of this year included the Christmas Celebration, a week's activities to help the Whitworth family appreciate and celebrate the gift of Jesus Christ to the world; and the Easter Vigil, beginning March 7th with a series of events such as Lenten Communion services, special events during the week of Easter, The Walk through Holy History, and the Sunrise Service on Easter morning. Other special opportunities for the students to increase their faith were the Pre-Ministry Conference, Diakonia, The Weekend, the Resident Chaplain program, and the Waging Peace Conference. With the guidance of the Chaplains' staff, students were able to put their faith into action.*

# Learning France ... Personally

No amount of time spent in classrooms or museums could provide the "hands on" experience acquired by students who embarked on the France Study Tour. From February 15 to May 15, 1983, these students experience France's history and culture to its fullest, living at times with actual French families and learning the finer points of the French language. While much time was devoted to diligent study of art, culture and grammar, leisure time activities included beaching, touring, and visiting the various beautiful chateaus and museums of France and Italy. What better way to learn about a foreign country than to visit and experience it for yourself!

# KWRS 90.3 FM RADIO

*Under the direction of Susan Porter, KWRS grew stronger than ever in 1984. The station had the largest group of DJ's ever. A logo contest was held and bumper stickers ordered to plaster everywhere. The control room was remodeled during Jan. term and new and old records were labeled and categorized. The station also had its first live reporting of football and basketball games and grew in respect throughout the entire Whitworth community.*

# AMNESTY

# INTERNATIONAL

*Amnesty International works on freeing people who have had their human rights violated. A.I., at Whitworth, weekly sends letters to countries of this world asking leaders to free, bring to trial, not torture, or not to execute a prisoner of conscience. Whitworth A.I. participated in an international campaign against political killing and has begun an international campaign against torture. Whitworth has the honor of showing "Your Neighbor's Son: The making of a torturer" along with the internationally reknown Dutch Physician, Dr. Gorm Wagner. March 10th was the day of A.I.'s regional conference which was hosted by Spokane in which the Whitworth A.I.'s leader, Tom Keig, had a large organizing role.*

# YOUTH MINISTRY FELLOWSHIP AND TRAINING

*In the Fall and Spring, a group of about twenty students met once a week, nearly every week. At their meetings, the students received training for youth ministry, but it was also a time of fellowship. Even though this group was associated with Young Life, the leaders, Doug Kelley and Rick Maston, taught it in a way that anyone could use for any Youth Group. For many students, this was a starting point for those who wanted to be involved with Young Life.*

## FELLOWSHIP OF CHRISTIAN ATHLETES

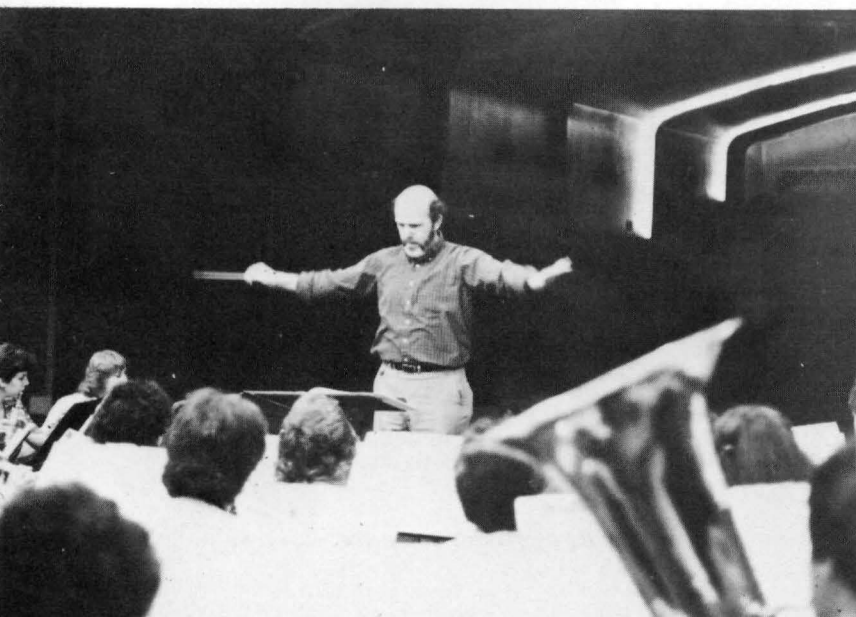

Tom Lobaugh and Becky Enos entertain with their guitars at F.C.A.

*"You don't have to be an athlete to come, just have worn tennis shoes." This is the motto of the F.C.A. F.C.A. met on Wednesday nights and was led by John Reed, Admission Counselor, and Scott McQuilkin. At the meetings, there was singing and a message which helped the student grow spiritually, not only as an athlete, but as a student going to Whitworth. At Halloween, F.C.A. paid a visit to the Shriner's Hospital. They also held a dance during the Bus Trip weekend. Proceeds from the dance went to help the needy children.*

# Natsihi Staff

*The yearbook staff had a lot of fun and gained respect in the Whitworth community this year. Under the leadership and skill of Editor, Curtis Maier, they added color pages, included more activities, and increased the size of the book. Also, there were sizable improvements in the quality of photography due to photo editor, Bruce Eckley. This was the first year to have color photographs on the cover of the book.*

# BLACK STUDENT UNION

*This year was almost like any other year for the Black Student Union. The B.S.U. put on their dances, and held their Black History Month Banquet and Talent Show. What was different about this year was that Martin Luther King Jr.'s birthday was declared, by Congress, to be a national holiday. At their annual Forum, they included some of his teachings. The key speaker at their Forum, which many students contributed as one of the best of the year, was Marquis Nuby.*

*From pre-registration as a Freshman, through that last Senior class, many students are faced with the problem of what classes should I take and what direction am I going. Students are able to share their experiences with incoming students and develop lasting relationships between them. They are also encouraged to befriend our outstanding faculty members and be advised by them in the career they are seeking and with personal conflicts. There is an overabundance of knowledge to be shared between students and faculty. Take the chance to learn from your classmates and faculty.*

## *Why I Like Teaching at Whitworth*

... "the nature of the community and the students."

Dr. Jim Hunt — History

... "I enjoy working with students who take both their commitment to Christ and the study of the Bible seriously."

Dr. Roger Mobrlang — Religion

... "the unique combination of Whitworth's Christian commitment, quest for excellence, and the rich community life."

Dr. Kathy Storm — Psychology

... "the interesting and supportive students."

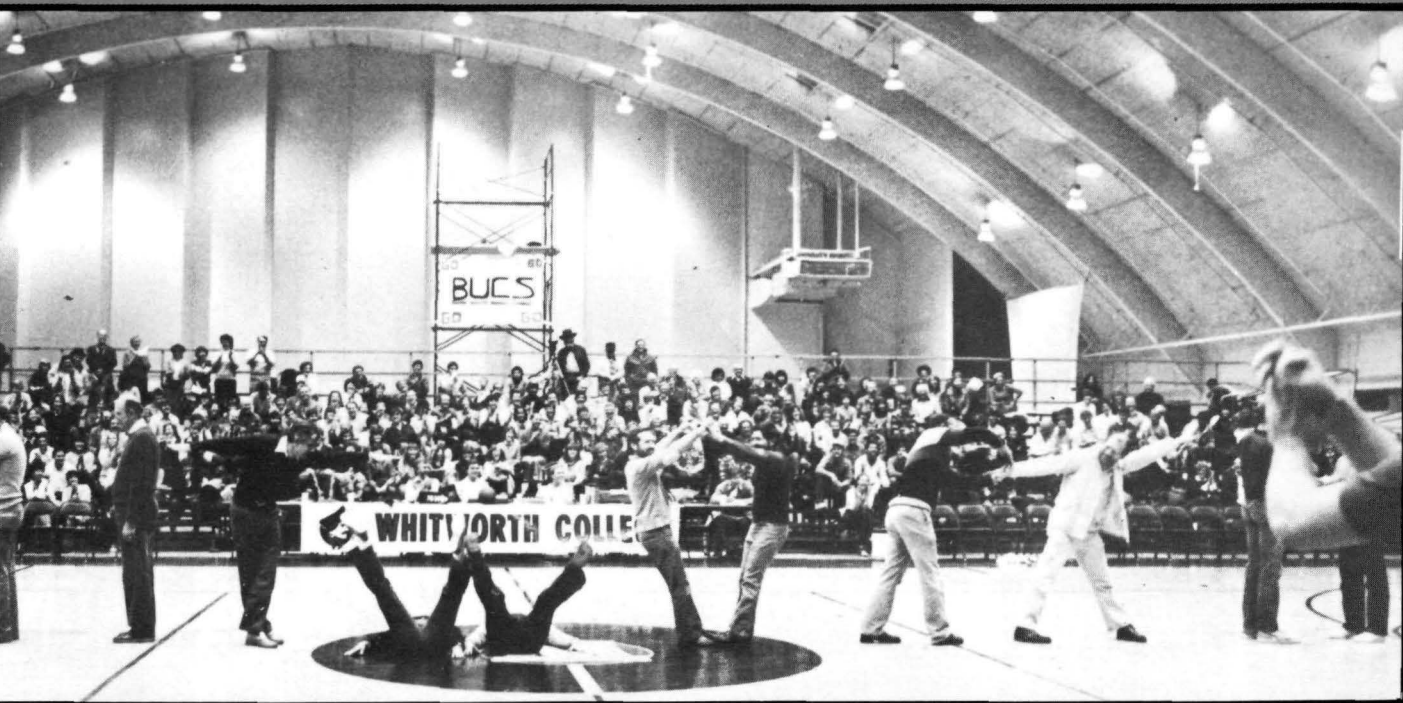

Dr. Lee Anne Chaney — Biology

... "the smaller classroom sizes, the quality of students, and teaching in a Christian context."

Dr. Rodney Hansen — Mathematics

... "I like being here because I assume the college likes my being here."

Dr. Howard Stien — Biology

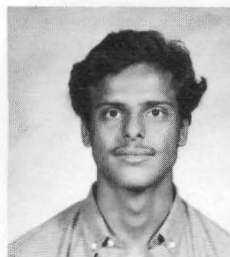

... and Vice Versa
